

TO WALK WITH THE DEVIL

Slovene Collaboration and
Axis Occupation, 1941–1945

GREGOR JOSEPH KRANJC

To Walk With The Devil Slovene Collaboration And Axis Occupation 1941 1945

Jeremy Black

To Walk With The Devil Slovene Collaboration And Axis Occupation 1941 1945:

To Walk with the Devil Gregor Joseph Kranjc, 2013-01-01 Examining archival material and post war scholarly and popular literature Kranjc describes the often sharp divide between Communist era interpretations of collaboration and those of their migr anti Communist opponents *To Walk with the Devil* Gregor Joseph Kranjc, 2000 In the spring of 1941 when Slovenia was invaded by Germany Italy and Hungary Slovenes faced at best assimilation and at worst deportation or extermination Still a significant number of Slovenes would eventually collaborate with the Axis powers Why were they so ready to work with their invaders and why did the occupiers permit this collaboration Gregor Joseph Kranjc investigates these questions in *To Walk with the Devil* the first English language book length account of Slovene Axis collaboration during the Second World War Examining archival material and post war scholarly and popular literature Kranjc describes the often sharp divide between Communist era interpretations of collaboration and those of their migr anti Communist opponents Kranjc situates this divide in the vicious civil war that engulfed Slovenia during its occupation a conflict that witnessed at its bloody climax the execution of over 10 000 Slovene collaborators and opponents of the new Communist Yugoslav regime in the wake of liberation *To Walk with the Devil* makes clear how these grisly events continue to ripple through Slovene society today

Publisher s website **The Church of Greece under Axis Occupation** Panteleymon Anastasakis, 2014-12-15 Axis forces Germany Italy and Bulgaria occupied Greece from 1941 to 1944 The unimaginable hardships caused by foreign occupation were compounded by the flight of the government days before enemy forces reached Athens This national crisis forced the Church of Greece an institution accustomed to playing a central political and social role during times of crisis to fill the political vacuum Led by Archbishop Damaskinos of Athens the clergy sought to maintain the cultural spiritual and territorial integrity of the nation during this harrowing period Circumstances forced the clergy to create a working relationship with the major political actors including the Axis authorities their Greek allies and the growing armed resistance movements especially the communist led National Liberation Front In so doing the church straddled a fine line between collaboration and resistance individual clerics for instance negotiated with Axis authorities to gain small concessions while simultaneously resisting policies deemed detrimental to the nation Drawing on official archives of the Greek Ministry of Foreign Affairs the British Foreign Office the U S State Department and the Greek Holy Synod alongside an impressive breadth of published literature this book provides a refreshingly nuanced account of the Greek clergy s complex response to the Axis occupation of Greece during World War II The author s comprehensive portrait of the reaction of Damaskinos and his colleagues including tensions and divisions within the clergy provides a uniquely balanced exploration of the critical role they played during the occupation It helps readers understand how and why traditional institutions such as the Church played a central social and political role in moments of social upheaval and distress Indeed as this book convincingly shows the Church was the only institution capable of holding Greek society together during World War II While *The Church of Greece under Axis Occupation*

elucidates the significant differences between the Greek case and those of other territories in Axis occupied Europe it also offers fresh insight into the similarities Greek clerics dealt with many of the same challenges clerics faced in other parts of Hitler's empire including exceptionally brutal reprisal policies deprivation and hunger and the complete collapse of the social and political order caused by years of enemy occupation By examining these challenges this illuminating new book is an important contribution not only to Greek historiography but also to the broader literatures on the Holocaust collaboration and resistance during World War II and church state relations during times of crisis

The Macedonian Slavs in the Greek Civil War, 1944-1949 James Horncastle, 2019-06-03 In this study of Macedonian Slavs in the Greek Civil War the author examines how their participation in the conflict and the attempts by other groups to manipulate them gave rise to modern issues that continue to affect politics in the region today The Macedonian Question has confounded academics politicians and the people of the Balkans since the nineteenth century While the countries have resolved the territorial component of the Macedonian Question the critical and confusing question surrounding the ethnic and linguistic identity of the people of the region continues to be the source of international debate Part of the reason for this confusion is because the history of the Macedonian Question is shrouded in nationalist polemics The role of the Macedonian Slavs involvement in the Greek Civil War is particularly contentious and embedded in nationalist polemics which has impacted academic inquiry This book argues that the preponderance of Macedonian Slavs within the communist forces during the Greek Civil War influenced the actions of all the major actors involved and is a significant factor in shaping the modern Macedonian national identity

Debating Collaboration and Complicity in War Crimes Trials in Asia, 1945-1956 Kerstin von Lingen, 2017-08-14 This innovative volume examines the nexus between war crimes trials and the pursuit of collaborators in post war Asia Global standards of behaviour in time of war underpinned the prosecution of Japanese military personnel in Allied courts in Asia and the Pacific Japan's contradictory roles in the Second World War as brutal oppressor of conquered regions in Asia and as liberator of Asia from both Western colonialism and stultifying tradition set the stage for a tangled legal and political debate just where did colonized and oppressed peoples owe their loyalties in time of war And where did the balance of responsibility lie between individuals and nations But global standards jostled uneasily with the pluralism of the Western colonial order in Asia where legal rights depended on race and nationality In the end these limits led to profound dissatisfaction with the trials process despite its vast scale and ambitious intentions which has implications until today

Historical Dictionary of Slovenia Leopoldina Plut-Pregelj, Gregor Kranjc, Žarko Lazarevic, Carole Rogel, 2018-02-22 The expanded third edition of the Historical Dictionary of Slovenia covers personalities and events that have made a mark on Slovenia in the more than a decade since the last edition This includes new entries related to Slovenia's first 13 years as a member of NATO and the EU changing diplomatic relations with its neighbors and other global states and institutions a new crop of politicians who have upended the political status quo entries related to Slovenia's worst 21st century recession 2008-2013 nationwide protests against

corruption and many other developments This third edition of Historical Dictionary of Slovenia contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Slovenia

The Cambridge History of the Second World War: Volume 2, Politics and Ideology Richard Bosworth, Joseph Maiolo, 2015-04-23 War is often described as an extension of politics by violent means With contributions from twenty eight eminent historians Volume 2 of The Cambridge History of the Second World War examines the relationship between ideology and politics in the war s origins dynamics and consequences Part I examines the ideologies of the combatants and shows how the war can be understood as a struggle of words ideas and values with the rival powers expressing divergent claims to justice and controlling news from the front in order to sustain moral and influence international opinion Part II looks at politics from the perspective of pre war and wartime diplomacy as well as examining the way in which neutrals were treated and behaved The volume concludes by assessing the impact of states politics and ideology on the fate of individuals as occupied and liberated peoples collaborators and resisters and as British and French colonial subjects

German-Balkan Entangled Histories in the Twentieth Century Christopher A. Molnar, Mirna Zakic, 2020-10-20 This volume brings together a diverse group of scholars from North America and Europe to explore the history and memory of Germany s fateful push for power in the Balkans during the era of the two world wars and the long postwar period Each chapter focuses on one or more of four interrelated themes war empire forced migration and memory The first section War and Empire in the Balkans explores Germany s quest for empire in Southeast Europe during the first half of the century a goal that was pursued by economic and military means The book s second section Aftershocks and Memories of War focuses on entangled German Balkan histories that were shaped by or a direct legacy of Germany s exceptionally destructive push for power in Southeast Europe during World War II German Balkan Entangled Histories in the Twentieth Century expands and enriches the neglected topic of Germany s continued entanglements with the Balkans in the era of the world wars the Cold War and today

Mussolini's Army in the French Riviera Emanuele Sica, 2015-12-30 In contrast to its brutal seizure of the Balkans the Italian Army s 1940 1943 relatively mild occupation of the French Riviera and nearby alpine regions bred the myth of the Italian brava gente or good fellow an agreeable occupier who abstained from the savage wartime behaviors so common across Europe Employing a multi tiered approach Emanuele Sica examines the simultaneously conflicting and symbiotic relationship between the French population and Italian soldiers At the grassroots level Sica asserts that the cultural proximity between the soldiers and the local population one quarter of which was Italian smoothed the sharp angles of miscommunication and cultural faux pas at a time of great uncertainty At the same time it encouraged a laxness in discipline that manifested as fraternization and black marketeering Sica s examination of political tensions highlights how French prefects and mayors fought to keep the tatters of sovereignty in the face of military

occupation In addition he reveals the tense relationship between Fascist civilian authorities eager to fulfil imperial dreams of annexation and army leaders desperate to prevent any action that might provoke French insurrection Finally he completes the tableau with detailed accounts of how food shortages and French Resistance attacks brought sterner Italian methods why the Fascists attempted Italianization of the French border city of Menton failed and the ways the occupation zone became an unlikely haven for Jews

Dynamics and Policies of Prejudice from the Eighteenth to the Twenty-first Century

Giuseppe Motta,2018-09-30 Prejudice is a multi faceted concept that affects the relationships between individuals and groups and the creation of socially formed categories of ideas It concerns race religion gender social distinctions and political beliefs and can be considered as a natural human process of out group homogeneity as well as the product of an authoritarian context or as a reaction against modernization or other symbolic or realistic threats This volume defines the dynamics and policies of prejudice in the historical passage between the modern and contemporary age bringing together articles by different scholars representing various disciplines which allows an analysis of the different aspects of prejudice The book includes interesting chapters on anti Semitism the ethnic conflicts of the twentieth century Russia and the Balkans and gender bias among other subjects

The Partisans and War Jože Pirjevec,2024-12-09 This book explores the rise of two resistance movements in Yugoslavia after its invasion and partition by Germany Italy Hungary and Bulgaria in April 1941 one led by Dra a Mihailovi s Chetniks supporters of the Serb monarchy and the Partisans led by Josip Broz Tito and his Communist Party Based on research by the author in Yugoslav German British American Italian and Russian archives and libraries including the unpublished war memoirs of Josip Broz Tito the book traces the causes of the April War the ensuing uprising in Western Serbia against the occupiers and its aftermath Tensions were inevitable between the Chetniks who sought the restoration of the old regime and the Partisans who wanted not only the liberation of the country but also social revolution Pirjevec situates the Partisan struggle within the framework of Central Europe the Balkans and the Mediterranean dominated by the Axis powers and the Anglo American and Soviet Allies who would all take strategic interest in the struggle by 1943 as a link between the Eastern and the Western Fronts and for longer term control of the Balkans This volume will appeal to readers interested in the lesser known chapters of the Second World War and the history of Yugoslavia

Complicated Complicity Martina Bitunjac,Julius H. Schoeps,2021-06-21 Complicated Complicity is about the forms taken motives and spectrum of actions of European collaboration with the Nazis State authorities local military organizations and individual players in different countries and areas including France Scandinavia Lithuania Poland Ukraine Romania Hungary Slovakia Greece Italy Portugal and the countries of the former Yugoslavia are discussed in the context of the history of World War II the history of occupation and everyday life and as an essential influencing factor in the Holocaust New forms of right wing populism nationalism and growing intolerance of Jewish fellow citizens and minorities have made such historically sensitive studies considerably more difficult in many countries today In this time of increasing historical revisionism in

Europe such elucidating discourse is particularly relevant *Italy and Its Eastern Border, 1866-2016* Marina Cattaruzza, 2016-10-04 This is the first scholarly work in Modern European History which elucidates consistently how border issues affect the history of nations and states in the 19th and 20th centuries The book rethinks the Italian history of the last 150 years from the perspective of its eastern periphery and of the profound impact that events on the border had on the core of the country

The Partisans and Politics Jože Pirjevec, 2024-12-09 This book explores the military events and diplomatic games in the later years of the Second World War through which Josip Broz Tito's Yugoslav Partisans resistance movement gained the support of the Allies and eventually control over Yugoslavia itself Based on research by the author in Yugoslav German British American Italian and Russian archives and libraries including the unpublished war memoirs of Josip Broz Tito the volume follows Winston Churchill's 1943 strategic decision to shift Allied support from Draža Mihailović's Chetniks who sought the restoration of Peter II to the Yugoslav throne to Tito and his Communist Party Tito and Churchill continued to face conflict over concessions regarding the monarchy as well as the growing influence of Joseph Stalin who began sending the Partisans large arms supplies Pirjevec's narrative of these tensions sheds new light on the dynamics of the wartime events leading to the start of the Cold War and the emergence of new nationalist movements in the region in the second half of the 20th century The book celebrates Tito and his Partisans for their fight against Nazi fascism without however ignoring their atrocities This volume will appeal to readers interested in the lesser known chapters of the Second World War and the history of Yugoslavia

Historical Origins of International Criminal Law Morten Bergsmo, CHEAH Wui Ling, YI Ping, 2014-12-12 The historical origins of international criminal law go beyond the key trials of Nuremberg and Tokyo but remain a topic that has not received comprehensive and systematic treatment This anthology aims to address this lacuna by examining trials proceedings legal instruments and publications that may be said to be the building blocks of contemporary international criminal law It aspires to generate new knowledge broaden the common hinterland to international criminal law and further develop this relatively young discipline of international law The anthology and research project also seek to question our fundamental assumptions of international criminal law by going beyond the geographical cultural and temporal limits set by the traditional narratives of its history and by questioning the roots of its substance process and institutions Ultimately we hope to raise awareness and generate further discussion about the historical and intellectual origins of international criminal law and its social function The contributions to the three volumes of this study bring together experts with different professional and disciplinary expertise from diverse continents and legal traditions Volume 2 comprises contributions by prominent international lawyers and researchers including Professor LING Yan Professor Neil Boister Professor Nina H B Jrgensen Professor Ditlev Tamm and Professor Mark Drumbl

The Peoples' War? Alexander Wilson, Richard Hammond, Jonathan Fennell, 2022-11-15 Some 60 million people died during the Second World War millions more were displaced in Europe Africa and Asia The war resulted in the creation of new states the

acceleration of imperial decline and a shift in the distribution of global power Despite its unprecedented impact a comprehensive account of the complex international experiences of this war remains elusive The Peoples War offers fresh approaches to the challenge of writing a new history of the Second World War Exploring aspects of the war that have been marginalized in military and political studies the volume foregrounds less familiar narratives subjects and places Chapters recover the wartime experiences of individuals including women children members of minority ethnic groups and colonial subjects whose stories do not fit easily into conventional national war narratives The contributors show how terms used to delineate the conflict such as home front and battle front occupier and occupied captor and prisoner and friend and foe became increasingly blurred as the war wore on Above all the volume encourages reflection on whether this conflict really was a Peoples War Challenging the homogenizing narratives of the war as a nationally unifying experience The Peoples War seeks to enrich our understanding of the Second World War as a global event

The Greatest Escape Neil Churches, 2022-05-26 The gripping vividly told story of the largest prisoner of war escape in of the Second World War organized by an Australian bank clerk a British jazz pianist and an American spy In August 1944 the most successful POW escape of the Second World War took place 106 Allied prisoners were freed from a camp in Maribor in present day Slovenia The escape was organized not by officers but by two ordinary soldiers Australian Ralph Churches a bank clerk before the war and Londoner Les Laws a jazz pianist by profession with the help of U S intelligence officer Franklin Lindsay The American was on a mission to work with the partisans a group who moved like ghosts through the Alps ambushing and evading Nazi forces Told here for the first time is the story of how these three men came together along with the partisans to plan and execute the escape is told here for the first time The Greatest Escape written by Ralph Churches son Neil takes us from Ralph and Les s capture in Greece in 1941 and their brutal journey to Maribor with many POWs dying along the way to the horror of seeing Russian prisoners starved to death in the camp The book uncovers the hidden story of Allied intelligence operations in Slovenia and shows how Ralph became involved We follow the escapees on a nail biting 160 mile journey across the Alps pursued by German soldiers ambushed and betrayed And yet of the 106 men who escaped 100 made it to safety Thanks to research across seven countries The Greatest Escape is no longer a secret It is one of the most remarkable adventure stories of the last century

The Last Peasant War Jakub S. Beneš, 2025-01-28 A history of the largely forgotten peasant revolution that swept central and eastern Europe after World War I and how it changed the course of interwar politics and World War II As the First World War ended villages across central and eastern Europe rose in revolt Led in many places by a shadowy movement of army deserters peasants attacked those whom they blamed for wartime abuses and long years of exploitation large estate owners officials and merchants who were often Jewish At the same time peasants tried to realize their rural visions of a reborn society establishing local self government or attempting to influence the new states that were being built atop the wreckage of the Austro Hungarian and Russian Empires In The Last Peasant War Jakub Beneš

presents the first comprehensive history of this dramatic and largely forgotten revolution and traces its impact on interwar politics and the course of the Second World War Sweeping large portions of the countryside between the Alps and the Urals from 1917 to 1921 this peasant revolution had momentous aftereffects especially among Slavic peoples in the former lands of the Austro Hungarian Empire It enabled an unprecedented expansion of agrarian politics in the interwar period and provided a script for rural resistance that was later revived to resist Nazi occupation and to challenge Communist rule in east central Europe By shifting historical focus from well studied cities to the often neglected countryside The Last Peasant War reveals how the movements and ambitions of peasant villagers profoundly shaped Europe s most calamitous decades Insurgency Warfare Jeremy Black,2023-06-22 This timely book offers a world history of insurgencies and of counterinsurgency warfare Working beyond traditional Western centric narrative arguing that it is crucial to ground experiences in Afghanistan and Iraq in a global framework Unlike other studies that begin with the American and French revolutions this book reaches back to antiquity to trace the pre modern origins of war Interweaving thematic and chronological narratives Black probes the enduring linkages between beliefs events and people on the one hand and changes over time on the other hand He shows the extent to which politics technologies and ideologies have evolved creating new parameters and paradigms that have framed both governmental and public views Tracing insurgencies ranging from China to Africa to Latin America Black highlights the widely differing military and political dimensions of each conflict He weighs how and why lessons were learned or rather asserted in both insurgency and counterinsurgency warfare At every stage he considers lessons learned by contemporaries the ways in which norms developed within militaries and societies and their impact on doctrine and policy His sweeping study of insurrectionary warfare and its counterinsurgency counterpart will be essential reading for students of military history Nazis of Copley Square Charles Gallagher,2021-09-28 During WWII some American Catholics openly embraced Nazism Their armed wing the Christian Front was to lead the violent revolution Charles Gallagher unearths the history of these crusaders the mainstream theological underpinnings of their activism the spiritual and political leaders who protected them and the suppression of their memory

If you ally obsession such a referred **To Walk With The Devil Slovene Collaboration And Axis Occupation 1941 1945** books that will find the money for you worth, acquire the very best seller from us currently from several preferred authors. If you desire to witty books, lots of novels, tale, jokes, and more fictions collections are as a consequence launched, from best seller to one of the most current released.

You may not be perplexed to enjoy every ebook collections To Walk With The Devil Slovene Collaboration And Axis Occupation 1941 1945 that we will unconditionally offer.
