Treinta Y Cinco Una Historia De Hombres

José Amador de los Ríos

Treinta Y Cinco Una Historia De Hombres:

Historia Crítica de la Literatura Española José Amador de los Ríos, 1861 *Historia de la vida del hombre* Lorenzo Hervás, 1799 **La auténtica historia de las Minas del Rey Salomón** Carlos Roca González, 2010-05-01 Su autor Carlos Roca hace gala de unos amplios conocimientos sobre la poca pero también sabe conferir a su obra un aire de novela de aventuras que engancha y su pasión por el referente para escribir este libro Las minas del Rey Salomón de Rider Haggard se transmite al lector de una forma casi mágica Web Anika entre libros Este libro no tiene desperdicio Cada nota a pie de página es imprescindible y aleccionadora Y nos deja muchas historias bosquejadas que merecen un libro para ellas solas como la homosexualidad de Cecil Rhodes y la historia de amor que vivió con el médico escocés Leander Starr Jameson en brazos de quien falleció Web Comparte libros La historia que se esconde detrás de una de las mejores novelas de aventuras de todos los tiempos un relato de colonos vidos de riquezas feroces guerreros matabeles cazadores de fieras naturalistas misioneros exóticos paisajes y animales salvajes En 1875 Henry Rider Haggard escribe Las minas del rey Salomón probablemente una de las mejores novelas de aventuras de todos los tiempos muchos intuyen pero pocos conocen el correlato histórico que se oculta detrás de esta novela la lucha entre colonos ingleses y holandeses contra las tribus africanas por el control de los recursos naturales y de los territorios La auténtica historia de Las minas del rey Salomón es el libro que desvela los personajes reales que se esconden tras los novelescos y sobre todo la historia documentada y justificada que sirvió de inspiración a Haggard para su novela La historia del pueblo zul la historia de la colonización europea y la historia de la fiebre del oro y las piedras preciosas que trajo al reino de los matabeles a especuladores y mercenarios es la historia que nos trae en esta obra Carlos Roca *Sociología apasionada* Ann Game, Andrew Metcalfe, 2015-07-31 Qué es la sociología apasionada Es la sociología digna de pasión Generalmente la sociología se muestra como un sistema objetivo de pensamiento y práctica La pasión se debe evitar o es como mínimo algo sospechoso Ahora por fin contamos con un libro que argumenta de forma sincera sobre la pasión como algo necesario en la sociología Este texto no trata simplemente de la sociología apasionada sino que la demuestra Este libro pretende entusiasmar a los lectores con un análisis de lo que puede hacer la sociología para ayudarles a comprender sus vidas y las condiciones sociales de nuestro tiempo Presentando y desarrollando gran número de temas principales entre ellos la identidad el conocimiento la metáfora la magia el deseo el poder la vida cotidiana y la mediación cultural Sociología apasionada nos invita a analizar dichos temas mediante prácticas de lectura escritura oratoria aprendizaje narrativo representación y organización Diseñado para alumnos de todos los niveles este libro altera notablemente la aproximación al estudio de la sociología desafiando los manuales consolidados y apuntando nuevas e inspiradoras formas de acercarse a la materia **Obras completas. Tomo VI (1941/1955)** José Ortega y Gasset, 2020-09-29 Sexto tomo de los diez que reúnen las Obras completas de José Ortega y Gasset la mayor compilación de los textos del filósofo presentada hasta la fecha Los seis primeros tomos de estas Obras completas de José Ortega y Gasset reúnen las obras publicadas por el propio Ortega incluidos

muchos textos cuya primera reimpresión se ofrece ahora. Los cuatro siguientes incorporan aquellos textos que habían quedado inéditos a su muerte. Se trata de escritos muy cercanos a una versión definitiva entre ellos varios libros. Muchas de estas obras ven la luz por primera vez. En ambos casos el criterio de ordenación ha sido cronológico. Para la fijación del texto de los seis primeros volúmenes se ha realizado una notable labor de investigación que ha permitido recuperar numerosos artículos todavía dispersos en diarios y revistas así como seleccionar las ediciones pertinentes para el cotejo a fin de depurar el texto de erratas perpetuadas en ediciones anteriores e identificar sustanciales variantes que se muestran en el Apéndice. Para la edición de las obras que dejaron inéditas se ha trabajado sobre los manuscritos conservados en el Archivo de la Fundación José Ortega y Gasset. Este tomo recoge los textos que Ortega publicó entre 1941 y 1955 a raíz de su muerte en Madrid. El filósofo que vive un largo exilio en Europa y América desde 1936 regresa de Argentina en 1942 para instalarse en Lisboa. A partir de 1945 visita España con cierta frecuencia. Los tres últimos lustros de su vida son años de un amplio reconocimiento internacional. Se suceden las distinciones e imparte cursos y conferencias en diferentes países en especial en Alemania donde reside largas temporadas. En España fundó el Instituto de Humanidades como proyecto para elevar la decadente vida intelectual. Es también la etapa culminante de su pensamiento en la que destacan su empeño por una reforma de la filosofía al hilo del cual surgen textos de la importancia de *Apuntes sobre el pensamiento su teoría y su demiurgia*. Prólogo a *Historia de la filosofía de miles Brehier* o *Fragmentos de Origen de la filosofía y la reflexión sobre el futuro de Europa* en los difíciles años de la posguerra plasmada entre otros textos en *Cultura europea y pueblos europeos* 1954 libro que se ofrece por primera vez en castellano en su integridad y forma original. El presente volumen contiene asimismo otros textos serios como *Historia como sistema* y *Del Imperio romano* 1941 *Teoría de Andalucía* y otros ensayos 1942 *En torno a Galileo* 1947 o *Papeles sobre Velázquez y Goya* 1950.

Seis años de la historia de Chile, memoria histórica Crescente Errázuriz, 1881 **En torno a Galileo y otros ensayos** José Ortega y Gasset, 2024-09-26

En torno a Galileo es la obra en que Ortega desarrolla el tema de las generaciones de su proyecto de la razón histórica. La obra recoge las doce lecciones del curso impartido entre febrero y mayo de 1933 en Madrid organizado por la Cátedra Valdecilla de la Universidad Central. Había editado previamente el curso en artículos para la prensa en *La Nación* de Buenos Aires y había organizado las cuatro primeras lecciones para un libro con el título de *El método de las generaciones históricas* que no vería la luz. Pero por la vicisitud de una publicación ilegal de las lecciones centrales de la quinta a la octava en Chile en 1934 la que lo motive a publicarlas agrupadas en 1942 con el título *Esquema de la crisis* y otros ensayos primero y a la inclusión del curso íntegro con el título definitivo en las *Obras completas* de 1947. Dos ensayos publicados postumamente preparados al hilo de su organización de una monografía sobre el curso completan esta edición.

Seis años de la historia de Chile Crescente Errázuriz, 1908 **Memorial histórico español** Real Academia de la Historia (Spain), 1905 *Historia general de España y de sus Indias* Víctor Gebhardt, Antonio Del Villar, 1863 *Historia general de España y de sus Indias desde los tiempos más remotos hasta nuestros días* Víctor Gebhardt, 1863 *Historia*
