Troy The Whole Shebang:

Troy Michael Derry, 2013-03-08 The complete collection of Troy comics Set in a slightly fictional version of West Hollywood CA quite possibly the gayest little city in North America Troy follows the everyday trials and tribulations of Troy a typical young urban gay guy The themes however are universal enough for anyone who s ever felt friendship love infatuation lust jealousy or gone through a bitter and painful break up at the hands of a psychotic ex can understand The tone is at times rather sarcastic One of the longest running regularly published gay comics Troy ran from 1998 to 2012 in numerous LGBT publications and websites throughout the world All 301 strips plus one new one are included here on 160 pages of full color

Troy Michael Derry, 2013 *A Battle at the Fingertips* James C. C. Byerley, 2020-01-19 Everywhere we turn the Internet is there We access it through all kinds of devices including some small enough to fit in our ears or wear on our wrists And what does it serve up to us Information But most of that is not neutral Good and evil right and wrong truth and deception knowledge and ignorance all of it is available to us on the internet It is just a keystroke a swipe a bing away In his book *A Battle at the Fingertips* James Byerley tells a fascinating frightening and all too human tale of the dark and light sides of the internet world Enter the archives Byerley has created Discover the battle brewing there a battle sometimes more true to life than many see or would care to admit Entertaining Thought provoking Chilling A journey you ll not forget William D Watkins award winning author speaker and teacher president of Literary Solutions *A Battle at the Fingertips* The IMFish net Archives is a Christian fiction techno terrorism thriller set in contemporary times about two opposing growing closely knit social media communities that clash inside and outside the internet While one community wields discipleship love and evangelism toward online users IMFish net the other aims to spread anarchy hate and targeted bullying especially against the Christian institution ATH Subtly throughout this collision powerful forces of God s hand support and sustain the former community while dark capacities as inferred psychological influences infiltrate and guide the latter As this epic battle takes shape new truths and understandings are learned by all of the *A Battle at the Fingertips* characters about God s goal to marshal his loved ones including those entrenched in evil and about internet usage as a whole This novel divided into historical archives rather than chapters demonstrates how evangelism especially through the use of technology can bring about conflict indicative of the current spiritual battle raging developing at the fingertips of a keyboard It suggests how God is always in control and in the end victorious It shows how chaos can lead to triumph through tragedy especially when it is truth and God s love that is used as bait in the net *A Battle at the Fingertips* leaves its readers with a new understanding of four truths that all characters discover by the end of the novel 1 The internet is a powerful tool for ministering to the isolated and lonely 2 Social media members are largely made up of a society of individuals looking for a community to call their home exactly the type of scenario Jesus looks to for the enhancement of His kingdom In an age with diminishing front porch gatherings and ice cream socials people are now more isolated These communities are providing an avenue for camaraderie good and bad 3 Any

attempt to make an impact within the internet will always succeed at the grassroots level a truth the protagonists learn from mistakes they make in their vision of creating an online ministry throughout the novel 4 The fourth truth is the most profound Some of the opposing evangelists and anarchists discover how similar to one another they are in their counterculture efforts The ATH community is angry with IMFish net because they feel oppressed by their ideals IMFish net member Aiden eventually convinces Howard the leader of ATH that Christians are persecuted outcasts too are not of this world at all and are oppressed mostly due to secular culture This is when the ministry at the grassroots level takes place one on one via chat dialogue format in the novel s gripping climax *Lord of Order* Brett Riley,2021-04-06 The Purge is here New Orleans must die Long after the destruction of all electronic technology the Bright Crusade rules the world as a fundamentalist Christian theocracy Gabriel Troy is Lord of Order for the New Orleans Principality For years he and his deputies have fought to keep their city safe from the attacks of the Crusade s relentless enemies the Troublers heretical guerillas who reject the Crusade s rule and the church s strict doctrines As their crowning achievement Troy s forces capture the Troublers local leader The city has never been more secure Alarming intelligence leaks from Washington Supreme Crusader Matthew Rook plans to enact a Purge the mass annihilation of everyone deemed a threat to the Crusade Rook orders his forces to round up all but the blindly loyal and march them to New Orleans Once the prisoners have been chained inside the Crusaders will wall off the city and destroy the levees The resulting deluge reenacting the Biblical deluge of Noah s time and the city s devastation during Hurricane Katrina will kill everyone inside Forced to choose between the Crusade and the city he has sworn to protect Troy and five other conflicted conspirators gird for battle fully aware that the looming apocalypse will demand horrific choices test their faith and require them to join forces with their sworn enemies Brett Riley **Billboard** ,1999-06-05 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Delaware and Hudson* Jim Shaughnessy,1997-03-01 Here in a pictorial history Jim Shaughnessy turns an eloquent photographer s eye to the Delaware Hudson the line that began in 1823 as a canal system to transport Pennsylvania coal to New York State The D H extended from Montreal to the coal fields of northeastern Pennsylvania It was active for 170 years when the route was sold in 1993 to the Canadian Pacific Railway Corporation The line made early railroad fame by importing from England the famous Stourbridge Lion the first steam locomotive in America This occurred during a great expansion into gravity an interesting phase which took advantage of the mountainous terrain The nineteenth century saw a period of economic growth and amalgamation which was shaped by extremely able and ambitious company presidents Eventually the D H advertised itself as the Bridge Line to New England and Canada Mountainous terrain around the coal mines challenged the line with heavy grades so it was natural for one of its presidents L F Loree to be fascinated with experimental traction power The many Loree locomotives leaders in progressive

design are pictured and described herein Because a good railroad history is always an economic history of a region this book will surely please historian too Delaware Hudson is a definitive work encompassing the mining of the region and detailing the steamboat operations on Lakes George and Champlain Syracuse University Press is pleased to reissue this exemplary study of a railroad Delaware Hudson has and will continue to raise the standards for all future railroad books **Scandal in Troy**
