Phillips, 2016-08-10 The quickest way to learn how to turkey hunt successfully is to either hunt with a turkey hunter with years of experience or a turkey hunting guide These two types of turkey hunters have solved most of the problems turkey hunters ever will face They don t always get their birds but they re far more experienced than anyone else I know Since writing this book and from hunting with some of the best turkey hunters and guides in the country I ve learned that the more experience that turkey hunters have in turkey woods the more likely that they ll be successful Too each turkey hunting guide has his own style of calling hunting and outsmarting turkeys In this book you will learn that successful guides call a little and wait a lot call a lot and wait a little while call so softly you barely can hear them call so loudly that their calling will seem to knock the leaves off the trees or blow your head off run to a gobbler at first light and try to take him as soon as he hits the ground won t even try to call a turkey while the longbeard is on the roost but will wait until the bird flies down and establishes the route he ll travel that day leave a gobbler that s reluctant to come within gun range and hunt different turkeys they believe they can call in quicker move as slowly and as quietly as possible as they go to turkeys walk fast and scratch the leaves as they walk to make gobblers think they are hen turkeys coming to them crawl to get really close to turkeys to take their shot won t crawl if they can t get turkeys to come in to their calling believe that the most important part of their hunts is teaching the people they re guiding how to hunt turkeys and believe that the most important part of the hunts is getting a tom turkey within gun range for the hunters they re guiding Just as one size of shoes won t fit every person one style of turkey hunting doesn t fit each hunter That s why we ve also asked several hunters why they hunt with different turkey hunting guides each season Over the years I ve learned that regardless of where and what race of turkeys you hunt each gobbler has his own likes and dislikes While reading this book make a list of the new information you ve learned take

that list with you during turkey season and try some of the new tactics Then you ll become a more versatile turkey hunter and prove the wisdom from The Turkey Hunting Guides Bible **Spring Turkey Hunting** John M. McDaniel,1986
