Vladimir Putin And Russian Statecraft Shapers Of International History:

Vladimir Putin and Russian Statecraft Allen Lynch, 2011-09 An interpretive biography of one of Russia's most formidable leaders

The Foreign Policy of Russia Robert H. Donaldson, Vidya Nadkarni, 2018-10-16 This text traces the lineage and development of Russian foreign policy with the insight that comes from a historical perspective. Now fully updated, the sixth edition incorporates new coverage of issues including relations with the major powers and with other post-communist states with an emphasis on tensions with the U.S. and engagement with Ukraine, Crimea, and Syria. International security issues including arms control, sanctions, and intervention continue to grow in importance. Domestic and regional issues related to natural resource politics, human rights, Islamism, and terrorism also persist. Chronologically organized chapters highlight the continuities of Russia's behavior in the world since tsarist times as well as the major sources of change and variability over the revolutionary period, wartime alliances, and Cold War. The Soviet collapse and the first post-communist decades. The basic framework used in the book is a modified realism that stresses the balance of power and the importance of national interest and identifies several factors both internal and external that condition Russian policy. The interpretations are original and based on a mix of primary and secondary sources. New to the Sixth Edition: Thoroughly updated coverage of Russia's bilateral relations with the United States and countries in Europe, Asia, Africa, and Latin America. Discussion of how Moscow employs Russia's soft power assets. Russian-American relations, especially with respect to interference in the 2016 U.S. presidential elections and to U.S. foreign policy concerns in North Korea, Iran, and Syria. Russia's interference in recent and upcoming elections in European states which, along with the Brexit vote, threaten to jeopardize the future of the European Union. The full unfolding of the Ukraine crisis. Vladimir Putin's continuing campaign to command greater Western respect for Russia's interests and capabilities. Significant new developments in the Middle East including the nuclear deal with Iran, the involvement in the Syrian civil war, and the first ever production control deal with OPEC. A new concluding chapter: Russia and the United States. A New Cold War. An Epilogue on the July 2018 Trump-Putin Summit and surrounding events.

Putin vs. Zelensky: The Russo-Ukrainian War Ben Thompson, 2025-08-19 Everything you needed to know about the war between Russia and Ukraine as told by children's nonfiction author Ben Thompson. Guts, Glory series. Conversational and straightforward, this is a must-read for any reader looking to have a better understanding of the current global events. It is late on the evening of Monday, February 25th, 2022, and Kyiv is burning. The unthinkable has happened. The Russians have invaded Ukraine. Land war has come to Europe on a scale that has not been seen since the end of the Second World War. Since this date, Russia has enacted a full-scale invasion of Ukraine led by its leader, president Vladimir Putin. Ukraine has fought back in turn, led by their president Volodymyr Zelensky, defending their homeland and its independent customs, people, history, and language. Putin vs. Zelensky by Ben Thompson chronicles the history of Ukraine and the events that set in motion the Russian invasion and ongoing present-day war as told through the stories and heritage of the conflict's two key players.

Kremlin Winter Robert Service, 2019-10-03 In *Kremlin Winter* Robert Service acclaimed biographer of Lenin Stalin and Trotsky and one of the finest historians of modern Russia brings his deep understanding of that country to bear on the man who leads it One of our most accomplished erudite and prolific historians of modern Russia Rodric Braithwaite New Statesman Vladimir Putin has dominated Russian politics since Boris Yeltsin relinquished the presidency in his favour in May 2000 He served two terms as president before himself relinquishing the post to his prime minister Dimitri Medvedev only to return to presidential power for a third time in 2012 Putin's rule whether as president or prime minister has been marked by a steady increase in domestic repression and international assertiveness Despite this there have been signs of liberal growth and Putin and Russia now faces a far from certain future Robert Service reveals a premier who cannot take his supremacy for granted yet is determined to impose his will not only on his closest associates but on society at large *Kremlin Winter* is a riveting insight into power politics as Russia faces a blizzard of difficulties both at home and abroad A masterful portrait of Putin and Russia Jack Coleman Daily Telegraph

The Putin Plan - In His Own Words Vladimir Putin, 2023-12-26 In *The Putin Plan In His Own Words* Vladimir Putin presents a candid exploration of his geopolitical vision and strategic outlook chronicling the complexities of Russian governance and global diplomacy Written in a direct assertive style the book offers insights into Putin's thoughts and principles interweaving personal anecdotes with policy discussions The literary context of the work is anchored in contemporary political rhetoric reflecting the tensions of the post Soviet landscape and the resurgence of national interests making it a crucial text for understanding modern Russia's role on the world stage As a long time political figure and former KGB officer Vladimir Putin's experiences have profoundly shaped his worldview providing him with a unique perspective on power dynamics and statecraft His ascent from the streets of Leningrad to the Kremlin illustrates his deep understanding of Russian history culture and the international political arena revealing the motivations behind his policy decisions and his aspirations for Russia's future This book is highly recommended for readers interested in international relations political science and contemporary history Through Putin's own narrative it serves as an essential resource for understanding the complexities of

Russian politics and its implications for global stability offering a rare firsthand account that invites critical reflection on the current state of world affairs *Russia and the World in the Putin Era* Roger E. Kanet, Dina Moulioukova, 2021-09-27 This volume examines the role of Russia in the world under President Putin's rule When the Soviet Union disintegrated after the Cold War Russia seemingly embarked on the establishment of a democratic political system and seemed intent on joining the liberal international order However under President Putin's rule there have been dramatic shifts in Russian domestic and foreign policies in order to re-establish itself as a great power This book examines broad aspects of Russian political culture and threat perception such as Russia's reaction to NATO expansion its information warfare and energy policies and its policy towards the Global South especially the Middle East and Africa The objective of the analyses is to explain the factors that influence Russian foreign policy and to show how and why Russian relations with the European Union and the United States have deteriorated so rapidly in recent years The volume introduces an alternative approach to the standard realist perspective which often underlies existing analyses of Russian policy namely the work offers a theoretical perspective that focuses on the Russian sense of identity and on ontological security This book will be of much interest to students of Russian foreign policy security studies and International Relations **Vladimir Putin and Russia? Imperial Revival** David E. McNabb, 2017-07-05 Discerning the early stages of the rebirth of a new Russian empire from the ashes of the Soviet Union Vladimir Putin and Russia's Imperial Revival argues that Russia's recent overtly aggressive actions and foreign policy doctrines have signaled a renewal of the Cold War At the least Russia's actions represent the potential for renewal This book explains these developments in a historical context The book begins by describing Russia's initial policy of rapprochement after the collapse of the Soviet Union and its development into a foreign policy of threatened or actual armed aggression It identifies today's Russia as a nation determined to re-establish itself as a political and military force As a prominent figure in the development and continuation of its current foreign policy Vladimir Putin plays a central role in the topics covered Previous literature often treats Putin as an individual phenomenon examining his connections to corruption or the secret police but here David E McNabb examines him as the latest in a long history of Russian despots who followed similar expansionist policies He details some of the tactics Putin uses to instill fear and dominate political policies of republics newly independent from Russia These tactics include the use of energy as a weapon cyber terrorism and military support for ethnic Russian separatists in other sovereign nations most recently exemplified by Russia's annexation of Crimea from Ukraine via armed invasion In an attempt to demystify Russia's re-emergence as an international political force Vladimir Putin and Russia's Imperial Revival grounds its analyses in history It explores as far back as the establishment of the first Russian empire and regards Putin as a leader determined to establish a fifth imperial incarnation It provides a nuanced understanding of how Russia arrived at its current position through recent and distant internal and international events **The New World Order According to Putin** Vladimir Putin, 2023-11-26 In *The New World Order According to Putin* Vladimir Putin presents a

thought provoking exploration of contemporary geopolitics and Russia's role on the global stage Through a blend of assertive rhetoric and strategic analysis the book delineates a vision that challenges Western hegemony while advocating for a multipolar world Written in a direct approachable style Putin's narrative underscores Russia's historical context and its pursuit of sovereignty against an expanding NATO offering insights that are rooted in both personal conviction and political intent Vladimir Putin the President of Russia since 1999 draws upon his extensive background in intelligence and statecraft to craft this compelling treatise His experiences navigating the turbulent post Soviet landscape have undoubtedly shaped his perspective on international relations prompting him to articulate a vision that seeks to redefine power dynamics This work reflects his belief in Russia's resurgence as well as his approach to diplomacy and security that resonates with nationalistic sentiments For readers interested in global politics The New World Order According to Putin serves as an essential text that challenges dominant narratives It offers a unique glimpse into the ideological framework that drives one of the world's most influential leaders making it a critical addition to the library of anyone wishing to understand contemporary power relations and Russia's ambitions The Use of History in Putin's Russia James C. Pearce, 2018 **Petrostate** Marshall I.

Goldman, 2010-01-20 Based on extensive research including several interviews with Vladimir Putin this revealing book chronicles Russia's dramatic reemergence on the world stage fueled by its ever expanding energy wealth In his deft informative narrative Marshall Goldman traces how this has come to be and how Russia is using its oil based power as a lever in world politics The book provides an informative overview of oil in Russia traces Putin's determined effort to reign in the upstart oil oligarchs who had risen to power in the post Soviet era and describes Putin's efforts to renationalize and refashion Russia's industries **Vladimir Putin Biography: The Rise of the New Tsar, How Putin Will Rule The World and The New Russian Empire? | The Glory of Vladimir Putin, The Glory of Russia** Chris Dicker, There's hardly a person who does not heard of Vladimir Putin Most of the Western media describe him as an aggressor dictator and autocrat We are going to eliminate some of the common myths about Putin and see the real Putin behind the scenes The Chronology of Terror: Speeches & Decisions That Led to War Vladimir Putin, 2023-11-26 In The Chronology of Terror Speeches Decisions That Led to War Vladimir Putin presents an incisive examination of the geopolitical events that have shaped contemporary warfare especially in the context of Russia's role in global conflicts Written in a direct and analytical style the book weaves a narrative that connects historical speeches and strategic decisions revealing the interplay between rhetoric and military action Putin employs a chronological approach utilizing primary sources and personal reflections to illustrate his arguments thus offering readers a framework to understand the complexities of modern warfare and its roots in past actions Vladimir Putin a former intelligence officer and the long standing President of Russia draws inspiration from his extensive experience in Russian and global politics His unique perspective as a leader who has navigated through various crises and conflicts informs this work as it encapsulates his views on statecraft and the necessity of assertive leadership in turbulent times Putin

s position allows him to access key historical moments making his analysis not just relevant but critically significant for understanding contemporary issues This compelling book is essential for anyone interested in global politics military history and the profound effects of leadership decisions in times of crisis Readers will find that Putin s reflections encourage deeper contemplation about the moral and strategic implications of war in the modern world making it a thought provoking addition to the discourse surrounding international relations
