

EZ-Flo® Plus Series Valves

Proven reliability. Easy to service and use. That's exactly what homeowners want in a residential valve.

Although new to Toro, EZ-Flo Plus is built on years of experience. Reliability isn't just a claim; it's a fact. And what makes it so EZ, is its jar-top design and threaded bonnet that allows you to reach internal parts without removing the valve from the system. There are no screws to get lost in the process.

Another benefit, EZ-Flo Plus' configuration includes both internal and external bleed. Internal bleed saves water, while external bleed flushes out debris.

Give homeowners what they want—reliability with ease. It's not a hard choice when EZ-Flo Plus is part of your offering.
