Trust Temptation Series 3:

As It Is Written and Intended Jason N. Yuh, 2025-09-29 How someone sees Scripture directly correlates with how one sees life If Jesus Christ is seen organically and meaningfully in every part of Scripture then he will be seen that way in every aspect of life As lofty as that might sound the inverse is also true if it is a struggle to see Christ organically and meaningfully in various parts of Scripture then it will be a struggle to see him that way in various aspects of life The purpose of this book is to help readers engage in God's word so that Christ is beheld in every part of both Scripture and life by offering an approach to Scripture that is from Scripture itself Thus the heart of this approach is to engage in God's word as he himself intends As a result readers will see that all of Scripture is grounded saturated and culminating in Christ alone and in turn that all of life is grounded saturated and culminating in Christ alone
