Turning From Truth A New Look At The Great Apostasy:

Mormonism: A Guide for the Perplexed Robert L. Millet, Shon D. Hopkin, 2015-11-19 Mormonism A Guide for the Perplexed explains central facets of the Mormon faith and way of life for those wishing to gain a clearer understanding of this rapidly growing world religion As The Church of Jesus Christ of Latter day Saints continues to grow in the United States and especially in other countries with a total membership of over 15 million more than 50% of which is outside the US and as theologians and church leaders wrestle with whether Mormonism is in fact a valid expression of modern Christianity this distinctive religious tradition has become increasingly an object of interest and inquiry This book is the ideal companion to the study of this perplexing and often misunderstood religion Covering historical aspects this guide takes a careful look at the whole of Mormonism its tenets and practices as well as providing an insight into a Mormon life *Joseph: Prophecy Fulfilled* Maureen Chaffin, 2018-05-04 Foretold since the time of Enoch is a prophet of the last days named Joseph who would restore prophecy priesthood temples and bring forth a New Torah the Stick of Joseph This is the incredible true story of that Joseph born in 1805 who grew to manhood in the untamed wilderness of the American frontier At the age of 14 his life was indelibly altered when he received a vision wherein the Lord called Joseph to do a marvelous work and a wonder re establish the Kingdom of God and prepare the way for the Coming of the Messiah The Adversary enraged at this threat to his reign and realm rose up in his wrath and viciously sought to destroy Joseph Thus began Joseph s extraordinary efforts to accomplish the Lord s commands while desperately struggling to elude the murderous hands of his nefarious foes And in so doing Joseph unknowingly fulfilled ancient Hebrew prophecy **Turning from Truth** Alexander B. Morrison, 2005 The concept of a universal apostasy a falling away from the truth of Christ s Church as he established it is fundamental to the faith of Latter day Saints Had an institutional apostasy not occurred there would be no need for a Restoration or for the Prophet Joseph Smith In a careful and compelling manner Elder Alexander B Morrison establishes the occurrence of the great apostasy identifying key factors that show readers why and how it happened He also bears witness that beginning with the appearance of the Father and the Son to Joseph Smith the gospel was restored and Christ s Church was reestablished on the earth never again to be taken away **Talking Doctrine** Richard J. Mouw, Robert L. Millet, 2015-07-09 A group of Mormon and evangelical scholars undertook a remarkable journey over fifteen years to discuss differences and investigate possible common ground in their beliefs With both candor and generosity these essays reflect the thoughtful respectful and nuanced engagements on some of the most controversial topics that have inflamed passions in the past **The Vision of Mormonism** Robert L. Millet, 2007-10 Introduces the core beliefs and practices of the twenty first century Church of Jesus Christ of Latter day Saints church and its adherents the Mormons Provided by publisher **Early Christians in Disarray** Noel B. Reynolds, 2005 This book takes a fresh look at the apostasy of the early Christian church Most Latter day Saint scholars and leaders previously based their understanding of the Christian apostasy on the findings of Protestant scholars

who provided a seemingly endless array of evidences of apostasy in Christian history Since the classic treatments of this topic were written many newly discovered manuscripts written during the first Christian centuries have come to light giving a clearer picture of what the early Christian experience was like Drawing on this material LDS scholars today are able to shift the focus of study to the causes of the apostasy rather than the effects This volume of essays reports new research by several LDS scholars in different fields They identify common myths and misconceptions about the apostasy and promote better understanding of when and why the apostasy occurred
