

The artwork is an abstract composition dominated by a rich, textured red background. In the upper half, there are dark, swirling, organic shapes that resemble ink blots or perhaps stylized, dark-colored chimpanzee faces. These shapes are layered and have a sense of depth, with some appearing more prominent than others. The overall effect is one of mystery and organic complexity. The title and artist's name are printed in a clean, white, serif font in the lower half of the image.
