Two Words Why Hearing I'm Gay Changed My Straight Christian Life:

Two Words Emily Timbol, 2013-12-17 When Chris said the two words that Emily never imagined she'd hear I'm gay her entire world was shaken Raised in conservative Christianity his being gay forced her to question everything she believed about homosexuality and why In order to try and find the answers to these questions Emily spent three years talking to people in the LGBT community listening to their stories and experiencing things that challenged and stretched her One of these experiences was collecting hundreds of postcards created by Christians and passing them out at her local PRIDE festival Another was getting involved with the fight to pass a city ordinance for LGBT protection and suffering intense opposition from churches in her community Written more like a novel than a memoir the book attempts to tell the story of how one person changed when she looked around and saw what was always there in front of her *Can You Be Gay and Christian?* Michael L. Brown, 2014-05-06 The question of how the church deals with homosexuality has become the great moral and spiritual issue of this generation How do we respond to gay people who tell us how much they love the Lord and experience God's power How do we answer them when they say that the greatest law is the law of love and that love requires us to embrace them as they are What do we do with the argument that the Old Testament laws such as the prohibition against homosexuality and the dietary laws no longer apply Gay and Christian will provide solid biblical answers clearly written and based on sound scholarship in a compassionate way that causes the reader to wrestle with the issues and discover the biblical truth The book also provides practical guidelines for ministry and shows readers how they can resist the gay agenda while reaching out to their gay friends and family **The Advocate**, 2002-10-15 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States *The Christian Union*, 1875 *Gay Catholic Priests and Clerical Sexual Misconduct* Donald Boisvert, Robert Goss, 2021-03-04 Why did it take 30 years for American bishops to listen to the victims of Catholic clerical abuse *Gay Catholic Priests and Clerical Sexual Misconduct* Breaking the Silence is a compelling indictment of Roman Catholic teachings on homosexuality and sexuality Inspired by *The Silence of Sodom* Homosexuality in Modern Catholicism Mark Jordan's controversial examination of homoeroticism in American Catholic culture this groundbreaking book examines how the current crisis of clerical abuse affects and stigmatizes gay priests living in a climate of hysteria and condemnation The book's contributors an eclectic mix of scholars and clerics question whether the church can survive centuries of secrets and scandals In the wake of very real concerns about a possible inquisition launched by the Catholic Church against its gay members *Gay Catholic Priests and Clerical Sexual Misconduct* continues the efforts of the Gay Men's Issues in Religion Group of the American Academy of Religion to honor the work of Mark Jordan who contributes his thoughts on the issues raised by the book A panel of former Jesuits a former seminarian with the Congregation of the Blessed Sacrament a Dominican a Franciscan and several feminist authors present different perspectives on gay priests clerical ecclesial misogyny

games of power and abuse and religious scapegoating writing with eloquence and pain a great deal of pride and a touch of justifiable divine righteousness *Gay Catholic Priests and Clerical Sexual Misconduct* includes Celibate Men Ambivalent Saints and Games of Desire A Call to Liberation of Gay Catholic Clergy Speaking Loud or Shutting Up The Homosexual type Problem Those Troubling Gay Priests Catholicism and a Crisis of Intimate Relations and much more *Gay Catholic Priests and Clerical Sexual Misconduct* Breaking the Silence is an invaluable resource for academics members of the clergy seminarians chaplains and counselors and anyone interested in homosexuality and religion *The Christian Union* Henry Ward Beecher, 1873

Sexual Conversion Therapy Jack Drescher, Ariel Shidlo, Michael Schroeder, 2018-10-08 Hear the other side of the story on sexual conversion therapy In their fervor to fix homosexuals practitioners of sexual conversion therapies have often overlooked or completely dismissed the possible psychological and social side effects of such treatments *Sexual Conversion Therapy Ethical Clinical and Research Perspectives* works to counterbalance the clinical and ethical omissions of overzealous therapists who have focused on efficacy and outcome at the expense of their patients self esteem *Sexual Conversion Therapy* features first person accounts of patients and clinicians including psychotherapists who themselves have undergone treatments ranging from psychoanalysis to religious faith healing to aversion behavior conditioning and even electroshock therapy In addition to examining the history and ethics of conversion therapy the book presents empirical data on current practice and recovery processes for survivors of failed conversion attempts *Sexual Conversion Therapy* presents current perspectives on the harmful impact of sexual orientation interventions including *Cures A Gay Man's Odyssey* *Becoming Gay A Psychologist's Journey Through the Ex Gay Movement* *Therapeutic Antidotes Gay and Bisexual Men Recover from Conversion Therapies* *I'm Your Handyman A History of Reparative Therapies* Nearly 30 years after the American Psychiatric Association removed homosexuality from the Diagnostic and Statistical Manual of Mental Disorders a small but dedicated group of mental health practitioners continues to diagnose and treat homosexuality as a mental illness *Sexual Conversion Therapy* is an essential alternative to the bulk of published material that champions treatments that produce a handful of heterosexuals cured of their illness while inflicting emotional and psychological damage on countless gay and lesbian patients who failed to convert **Christian Standard**, 1908 **Waverley Magazine**, 1852 **Farmer's Advocate and Home Journal**, 1920
