Application in Evolutionary Novelties and Diversities: Medicine, Agriculture, and Conservation Shengqian Xia, Yue Yaojing, Nikica Šprem, Jianhai Chen, Yongjie Wu, Waste and Supplementary Cementitious Materials in Concrete Rafat Siddique, Paulo Cachim, 2018-06-05 Waste and Supplementary Cementitious Materials in Concrete Characterisation Properties and Applications provides a state of the art review of the effective and efficient use of these materials in construction Chapters focus on a specific type of material addressing their characterization strength durability and structural applications Sections include discussions of the properties of materials including their physical chemical and characterization their strength and durability modern engineering applications case studies the state of codes and standards of implementation cost considerations and the role of materials in green and sustainable construction The book concludes with a discussion of research needs Focuses on material properties and applications as well as sustainability aspects of cementitious materials Assembles leading researchers from diverse areas of study Ideas for use as a one stop reference for advanced postgraduate courses focusing on sustainable construction materials **Transformation and Legitimation in Post-apartheid Universities** Dionne van Reenen, J.C. van der Merwe, 2016-07-01 Two decades after the democratic transition South African universities are in turmoil Whilst the old is slowly becoming unhinged reimagining the new is protracted and contested The challenges ahead including a funding crunch are formidable and bear the imprint of South African postcolonial specificities and global transformations in higher education At this moment critical and engaged socio historical scholarship is indispensable Transformation and Legitimation in Post apartheid Universities Reading discourses from Reitz is such a work Revisiting the notorious Reitz incident of 2008 when a satirical video made by students from the University of the Free State UFS to register their resistance to the racial integration of black students into historically white residences became public the text offers an analysis of the broader cultural and socio political context that constituted the conditions of possibility for the incident and its aftermath Attention is shifted from the principal actors in the original drama a handful of students and workers to a critical interrogation of the broader structures positions discourses and practices that fed into the Reitz incident reaching into the present with violent and racially charged student and worker protests in 2016 Van der Merwe and Van Reenen deliver a theoretically rich analysis of the anatomy of current contestations about race and transformation in higher education in South Africa the resultant legitimation crisis facing the UFS and South African universities more generally as well as ways to restore institutional legitimacy and reputation focusing on instituting deeper more durable change that unlocks the promise of democracy Dr Irma du Plessis University of Pretoria **Underground Gas Storage** D. J. Evans, R. A. Chadwick, 2009 The UK became a net importer of natural gas in 2004 and by 2020 will import up to 90% of its requirements leaving it vulnerable to increasing energy bills and risk of disruption to supply New pipelines to Europe and improvements to interconnectors will meet some demand but Government recognises the need for increased

gas storage capacity best met by the construction of underground storage facilities Energy security has also raised the likelihood of a new generation of coal fired power stations which to be environmentally viable will require clean coal technologies with near zero greenhouse gas emissions A key element of this strategy will be underground CO₂ storage This volume reviews the technologies and issues involved in the underground storage of natural gas and CO₂ with examples from the UK and overseas The potential for underground storage of other gases such as hydrogen or compressed air linked to renewable sources is also reviewed
