Think The Life Of The Mind And The Love Of God:

Think John Piper, 2013-04-23 This is a book to help Christians to think about thinking Focusing on the life of the mind helps us to know God better love him more and care for the world Along with an emphasis on emotions and the experience of God we also need to practise careful thinking about God Piper contends that thinking is indispensable on the path to passion for God So how are we to maintain a healthy balance of mind and heart thinking and feeling Piper urges us to think for the glory of God He demonstrates from Scripture that glorifying God with our minds and hearts is not either or but both and Thinking carefully about God fuels passion and affections for God Likewise Christ exalting emotion leads to disciplined thinking Readers will be reminded that the mind serves to know the truth that fuels the fires of the heart **Think** John Piper, 2010 A pastor challenges the church to think hard for the glory of God John Piper demonstrates from Scripture that we don't need to choose between glorifying God with our heart or with our mind **Thinking. Loving. Doing. (Contributions by: R. Albert Mohler Jr., R. C. Sproul, Rick Warren, Francis Chan, John Piper, Thabiti Anyabwile)** John Piper, David Mathis, 2011-09-08 The Christian life is more than thinking but not less And it's more than feeling but not less It's more than doing as well but never less Healthy followers of Jesus engage their minds hearts and hands in glorifying him This volume built on the 2010 Desiring God National Conference and John Piper's recent book *Think The Life of the Mind and the Love of God* argues that thinking and the affections of the heart are inseparable Our emotions fuel our thoughts for God Likewise hard thinking about God leads to deeper joy in our relationship with him And both in turn help us focus outward as we express a greater love for others Contributions by Rick Warren Francis Chan John Piper R Albert Mohler Jr R C Sproul and Thabiti Anyabwile bring a wealth of perspective and experience in calling for readers to love God and others with heart and mind and hands *Just Think* Nancy J. Smith, 2021-12-17 Our intellectual context is very complicated There are competing pedagogues divergent epistemological agendas and flawed participants The mind is a warzone The Old Testament depicts a battlefield between the sinful mind and God's revelation Today many Christians minimize the intellect and do not recognize how sin impacts thinking Many do not know how to love God with the mind Many suffer from anti intellectual inertia They think like consumers shopping for knowledge learning formats and instructors that conform to their buying preferences They prefer junk food for their minds They often fulfill the role assigned to them by the world intellectual simplicity private religiosity and subjective spirituality By comprehensively examining Old Testament teaching concerning the mind this book promotes a spirituality that puts thinking in its proper place It explains what God requires intellectually of his vice regents It shows that our world is a labyrinth but that God's revelation is our reliable guide This book motivates readers to strive for mental piety wisdom and intellectual development for the glory of God and the fulfillment of our mandate on earth Readers will learn from their ancient brethren how to better steward their minds
