The Lesser Jihads Phil Gurski,2017-08-25 The Lesser Jihads examines conflict through the lens of Islamist terrorist groups It outlines how terrorists see war as well as what historical and current events and ideas they use not only to justify violence but also encourage others to participate Following a brief examination of recent wars in which Islamist terrorist groups played a significant role Afghanistan Somalia Bosnia Iraq and Syria the text describes ongoing conflict in 22 countries across Asia Africa and Europe It shows how Jihadists use their propaganda to continue what they see as their obligation to fight to protect Islam and how extremist messaging interprets these conflicts It identifies and explains the connectivity of these conflicts framing them into a global world view In light of the ongoing war in Syria the text provides a timely warning that other wars may grow in lethality and scope arguing that there is enough Muslim suffering and perceived international aggression against Islam to feed future conflict Bringing together in one volume different conflicts where terrorist groups are active worldwide it introduces the world and thinking of Jihadists while highlighting a number of seldom reported cases

An Island's Eleven Nicholas Brookes,2022-12-12 From Sathasivam to Sangakkara Murali to Malinga Sri Lanka can lay claim to some of the world s most remarkable cricketers larger than life characters who thumbed convention and played the game their own way More so than anywhere else in the world Sri Lankan cricket has an identity This is the land of pint sized swashbuckling batsman on the fly innovators and contorted cryptic spinners On the field of play Victorian ideals of the past collide with madcap tropical hedonism to create something dizzying Cricket is Sri Lanka and Sri Lanka is cricket We all know the story of the 96 World Cup how a team of unfancied amateurs rose from obscurity to the top the world doing so with such swagger that they changed the way the game was played Yet the lore of Sri Lankan cricket stretches back much further In the early days matches between colonists and locals imbued cricket with a nationalistic drive Ashes bound ships stopping over in Colombo brought the world s biggest stars from Bligh and Bradman to Grace and Grimmet More recently Sri Lanka has had to face the triumphs and tragedies that come when cash flows freely into the gentleman s game An Island s Eleven tells this story for the first time focusing on the characters and moments that have shaped the game forever **Library**
