This Thing Called Music Essays In Honor Of Bruno Nettl:

This Thing Called Music Victoria Lindsay Levine, Philip V. Bohlman, 2015-05-21 The most fundamental subject of music scholarship provides the common focus of this volume of essays music itself For the distinguished scholars from the field of musicology and related areas of the humanities and social sciences the search for music itself in its vastly complex and diverse forms throughout the world characterizes the lifetime of reflection and writing by Bruno Nettl the leading ethnomusicologist of the past generation This Thing Called Music Essays in Honor of Bruno Nettl salutes not only a great scholar and beloved teacher but also a thinker whose search for the meaning and ontology of music has exerted a global influence Editors Victoria Lindsay Levine and Philip V Bohlman have gathered essays that represent the many dimensions of musical meaning addressing some of the most critically important areas of music scholarship today The social formations of musical communities play counterpoint to analytical studies investigations into musical change and survival connect ethnography to history offering a collection of essays that can serve as an invaluable resource for the intellectual history of ethnomusicology Each chapter explores music and its meanings in specific geographic areas North and South America Europe Asia and the Middle East crossing the boundaries of genre repertory and style to provide insight into the aesthetic zones of contact between and among the folk classical and popular musics of the world Readers from all disciplines of music scholarship will find in this collection a proper companion in an era of globalization when the connections that draw musicians and musical practices together are more sweeping than ever Chapters offer models for detailed analysis of specific musical practices while at the same time they make possible new methods of comparative study in the twenty first century together posing a challenge crucial to all musicians and scholars in search of this thing called music *Twenty-Five Women Who Shaped the Ottoman Empire* Ruth Miller, 2025-03-26 *Twenty Five Women Who Shaped the Ottoman Empire* is a tale of how women s triumphs as well as their failures shaped a global society not despite but because of gender The Ottoman Empire was among the longest lived polities in history stretching between the thirteenth and twentieth centuries across three continents several seas and scores of cities deserts mountain ranges rivers and forests This volume provides a compendium of idiosyncratic life stories and explores how women from these eras and regions understood the shape of the world in which they lived and how they brought their consciousness of their gender to their efforts to re shape it Among the questions explored in the book are how women have negotiated and constructed the public and private spheres how to define women s speech in a world mediated by men and male dominated genres and institutions and how women experienced their bodies as sites of politically inflected reproduction death and decay The book is thus an accessibly offbeat feminist overview of the field of Ottoman History that provides students scholars general readers and non specialists with insights into the lives and work of both ordinary Ottoman women and celebrated Ottoman women women who failed despite their best efforts and women who succeeded against all odds suicides spies and murderers as well as queens scientists and poets *Music and*

Modernity Among First Peoples of North America Victoria Levine Lindsay Levine, Dylan Robinson, 2021-02-01 In this wide ranging anthology scholars offer diverse perspectives on ethnomusicology in dialogue with critical Indigenous studies This volume is a collaboration between Indigenous and settler scholars from both Canada and the United States The contributors explore the intersections between music modernity and Indigeneity in essays addressing topics that range from hip hop to powwow and television soundtracks of Native Classical and experimental music Working from the shared premise that multiple modernities exist for Indigenous peoples the authors seek to understand contemporary musical expression from Native perspectives and to decolonize the study of Native American First Nations music The essays coalesce around four main themes innovative technology identity formation and self representation political activism and translocal musical exchange Related topics include cosmopolitanism hybridity alliance studies code switching and ontologies of sound Featuring the work of both established and emerging scholars the collection demonstrates the centrality of music in communicating the complex diverse lived experience of Indigenous North Americans in the twenty first century

Manele in Romania Margaret Beissinger, Speranta Radulescu, Anca Giurchescu, 2016-08-08 This edited volume examines manele sing manea an urban Romanian song dance ethnopop genre that combines local traditional and popular music with Balkan and Middle Eastern elements The genre is performed primarily by male Romani musicians at weddings and clubs and appeals especially to Romanian and Romani youth It became immensely popular after the collapse of communism representing for many the newly liberated social conditions of the post 1989 world But manele have also engendered much controversy among the educated and professional elite who view the genre as vulgar and even alien to the Romanian national character The essays collected here examine the manea phenomenon as a vibrant form of cultural expression that engages in several levels of social meaning all informed by historical conditions politics aesthetics tradition ethnicity gender class and geography

Neapolitan Postcards Goffredo Plastino, Joseph Sciorra, 2016-06-22 Neapolitan Postcards gathers a diverse group of international scholars to investigate unexplored transnational aspects of the intimate yet globally popular canzone napoletana Performed and beloved worldwide in almost every language the style had hits such as Funicul funicul 1880 and O sole mio 1898 which sold millions of copies These hits fueled the tradition s spread across the world over the course of the twentieth century with the eventual popularity of covers by singers and musicians of all music genres and styles from popular music to opera and jazz This book is the first scholarly work that considers the specific complexities of the international Neapolitan Song scenes through case studies from Argentina England Greece and the United States employing analyses of compositions iconographical sources international films mechanical musical instruments performances and recordings devoted to the canzone napoletana
