Although forgotten until quite recently Caryll Houselander who died in 1954 was a sensitive and profound English Roman Catholic writer on Christian spirituality In this critical edition of her 1949 book *The Passion of the Infant Christ* Houselander argues that the physical world is an inscaped revelation of the mind of the Creator Every concrete object and every temporal event mirrors the eternal just as the circumstances surrounding the birth of Jesus mirror the circumstances surrounding his death and resurrection Editor Kerry Walters discusses both Houselander's life and the primary themes of *The Passion of the Infant Christ* in his introduction to this critical edition of one of Houselander's most insightful books *War's Passion* Lia Davis, 2020-10-28 After losing her parents to a brutal monster straight out of her nightmares Gwendolyn Preston picks up the shattered pieces of her life and moves to a small fishing village on the coast of Maine With her best friend in tow Gwen is sure that a fresh start can erase the horrors that haunt her But just as her life begins to feel normal again the dark and handsome Markus Sullivan turns everything upside down once more For better or worse Markus Sullivan serves as the liaison between his father Ares God of War and his brothers And the strain of his position makes it nearly impossible to keep his inner dragon in check So when he discovers that the earth bound demi gods known as The Descendants have banded together to rebel against the gods his dragon roars to life in an effort to stop them But when Markus meets Gwen granddaughter of Aphrodite and The Descendants next target his dragon isn't the only thing burning hot Though he intends to protect Gwen and win yet another victory as the Son of War passion and danger soon prove insurmountable And this time the key to defeating The Descendants just might be Gwen herself **All Else Is Folly. Peregrine Palmer Acland, 2022-08-16 In *All Else Is Folly A Tale of War and Passion* Peregrine Palmer Acland weaves a rich tapestry of human emotions against the harsh backdrop of conflict Set during World War I this poignant narrative intricately explores the intersection of love and duty illustrating how the brutality of war disrupts personal lives and alters destinies Acland's literary style is characterized by its lyrical prose and deep psychological insights reminiscent of modernist writers who delve into the complexities of the human condition capturing the essence of the era's turmoil while revealing universal truths about sacrifice and resilience Acland a soldier and writer draws from his own experiences and those of his contemporaries to craft this evocative tale His unique perspective as a participant in the war augments the narrative's authenticity imbuing it with a heartfelt urgency Acland's background in literature and his keen observations of society's foibles infuse the text with both a critical lens and a personal touch making it a compelling reflection on love amidst chaos This book is highly recommended for readers seeking a profound exploration of the human spirit in times of adversity Acland's masterful storytelling invites readers to reflect on their own values and connections ensuring that *All Else Is Folly* resonates

well beyond its historical context *Passion and Perception* Richard Stites,2010 This collection of Stitesiana includes 29 essays on Russian culture representing the bulk of 20 years of scholarship in addition to well known monographs and diverse pieces in popular magazines *The Science and Passion of Communism* Amadeo Bordiga,2020-08-10 The Science and Passion of Communism presents the battles of the brilliant Italian communist Amadeo Bordiga in the revolutionary cycle of the post WWI period through his writings against reformism and war for Soviet power and internationalism and then against fascism on one side Stalinism and the degeneration of the International on the other Equally important was his sharp critique of triumphant U S capitalism in the post WWII period and his original re presentation of Marxist critique of political economy which includes the capital nature and capital species relationships and the programme of social transformations for the revolution to come Without any form of canonization we can say that Bordiga s huge workshop is a veritable goldmine and anyone who decides to enter it will not be disappointed He will guide you through a series of instructive energizing and often highly topical excursions into the near and distant past into the present that he largely foresaw and into the future that he sketched with devouring passion *The Politics of Passion* Norman Bethune,1998-01-01 The Politics of Passion is the first comprehensive collection of the writing and art of Dr Norman Bethune A Canadian medical pioneer and a communist Bethune gained fame during the 1930s while serving in the Spanish Civil War and participating in China s struggle against Japanese invasion This book sheds light on the man the artist and the revolutionary It uncovers new historical material relating to several controversies surrounding Bethune A remarkable document obtained from the Communist International Archives in Moscow for instance discusses why Bethune was sent home in disgrace from the Spanish Civil War It refers to a mysterious Swedish woman Kajsa von Rothman who was Bethune s lover and who was believed by left wing Spanish authorities to be politically suspect This collection of Bethune s writings and art reveals that politics preoccupied him only during the last four years of his life Earlier his passionate nature found expression in medical and surgical innovation as well as in painting sketching photography writing from poetry and short stories to letters radio broadcasts and plays and public speaking The Politics of Passion reveals the many sides of Bethune s identity exploring not only the life of a revolutionary doctor but of an intense and compassionate artist *The Spiritual Path of Caryl Houselander* Joyce Kemp,2001 Caryl Houselander 1901-54 English artist spiritual writer poet social activist and mystic was a unique laywoman who took holiness out of the monastery cloister and rectory and into the offices factories farms streets and homes of ordinary people In this engagingly interactive book part narrative biography and part practical spirituality readers will be moved to see in Caryl s story from her difficult childhood through periods of searching being touched by God becoming involved with the poor and the marginalized in society living through war writing and meeting an early death through cancer something of their own life history BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *The Passion* Jeanette Winterson,2000-10-24 Set during the tumultuous years of the Napoleonic Wars The Passion intertwines the destinies

of two remarkable people Henri a simple French soldier who follows Napoleon from glory to Russian ruin and Villanelle the red haired web footed daughter of a Venetian boatman whose husband has gambled away her heart In Venice s compound of carnival chance and darkness the pair meet their singular destiny In her unique and mesmerizing voice Winterson blends reality with fantasy dream and imagination to weave a hypnotic tale with stunning effects **Passion in Times of Family**

War Irany Muniz,2023-11-07 The novel explores themes of love courage and the power of forgiveness Throughout the story Lisa and Clayton must navigate the challenges of their forbidden love while also trying to bring an end to the long standing feud between their families As they face violence and tragedy they must find the courage to stand up for what they believe in and fight for their love Ultimately the novel shows how forgiveness and empathy can overcome even the deepest of grudges and how love can triumph over hate These themes are developed through the characters actions and interactions as well as through the plot and setting of the story **Public Passion** Rebecca Kingston,2011-09-13 Taking a broad historical

perspective Public Passion traces the role of emotion in political thought from its prominence in classical sources through its resuscitation by Montesquieu to the present moment Combining intellectual history philosophy and political theory Rebecca Kingston develops a sophisticated account of collective emotion that demonstrates how popular sentiment is compatible with debate pluralism and individual agency and shows how emotion shapes the tone of interactions among citizens She also analyzes the ways in which emotions are shared and transmitted among citizens of a particular regime paying particular attention to the connection between political institutions and the psychological dispositions that they foster Public Passion presents illuminating new ways to appreciate the forms of popular will and reveals that emotional understanding by citizens may in fact be the very basis through which a commitment to principles of justice can be sustained **The Passion of Max**

Von Oppenheim Lionel Gossman,2013 Born into a prominent German Jewish banking family Baron Max von Oppenheim 1860 1946 was a keen amateur archaeologist and ethnologist His discovery and excavation of Tell Halaf in Syria marked an important contribution to knowledge of the ancient Middle East while his massive study of the Bedouins is still consulted by scholars today He was also an ardent German patriot eager to support his country s pursuit of its place in the sun Excluded by his part Jewish ancestry from the regular diplomatic service Oppenheim earned a reputation as the Kaiser s spy because of his intriguing against the British in Cairo as well as his plan at the start of the First World War to incite Muslims under British French and Russian rule to a jihad against the colonial powers After 1933 despite being half Jewish according to the Nuremberg Laws Oppenheim was not persecuted by the Nazis In fact he placed his knowledge of the Middle East and his connections with Muslim leaders at the service of the regime Ranging widely over many fields from war studies to archaeology and banking history The Passion of Max von Oppenheim tells the gripping and at times unsettling story of one part Jewish man s passion for his country in the face of persistent and in his later years genocidal anti-Semitism Passion and Ambivalence Nathaniel Berman,2011-12-23 Tracing our current preoccupation with nationalist ethnic and religious

conflict to the cultural Modernist revolutions of the early twentieth century this volume draws on cultural studies postcolonial theory and psychoanalysis to offer a radical reinterpretation of contemporary international law s origins
