Edited by SUSAN MANNING and ANDREW TAYLOR

Transatlantic Literary Studies A Reader

Nobel-Augusto Perdu Honeyman

Transatlantic Literary Studies A Reader:

Transatlantic Literary Studies Susan Manning, Andrew Taylor, 2007 This reader brings together a wide range of material that engages with the theoretical and literary possibilities of the transatlantic as an arena for textual and intellectual exchange In their introduction to the volume the editors suggest ways in which the transatlantic paradigm offers renewed possibilities for literary study that for too long has been tied to the ideological and political requirements of the nation state The reader is designed to provide accessible annotated examples of theoretical frameworks that might provoke further work in the field as well as important pieces of literary criticism that demonstrate different possibilities of comparative analysis The book aims to represent and promote the conceptualisation of American culture within a broader framework of transatlantic activity

A Companion to American Literary Studies Caroline F. Levander, Robert S. Levine, 2015-08-17 A Companion to American Literary Studies addresses the most provocative questions subjects and issues animating the field Essays provide readers with the knowledge and conceptual tools for understanding American literary studies as it is practiced today and chart new directions for the future of the subject Offers up to date accounts of major new critical approaches to American literary studies Presents state of the art essays on a full range of topics central to the field Essays explore critical and institutional genealogies of the field increasingly diverse conceptions of American literary study and unprecedented material changes such as the digital revolution A unique anthology in the field and an essential resource for libraries faculty graduate students and advanced undergraduates

John Ashbery and Anglo-American Exchange Oli Hazzard, 2018-06-13 In 1966 John Ashbery wrote The English language is constantly trying to stave off invasion by the American language it lives in a state of alert which is reflected to some degree in English poetry This book shows how the work of a major post war American poet has been centrally concerned with questions of national identity and intercultural poetic exchange by reading crucial episodes in Ashbery s oeuvre in the context of an other tradition of modern English poets he himself has defined This line runs from the editor of Ashbery s recent Collected Poems Mark Ford through Lee Harwood in the late 1960s F T Prince in the 1950s to chronologically the first and therefore most important influence on his own work W H Auden Through detailed close readings of the poetry of Ashbery and these English poets original interviews and extensive archival research a new account of Ashbery s aesthetic and a significant re mapping of post war English poetry is presented The biographical slant of the book is highly significant as it reads these writers poetry and correspondence together for the first time suggesting how major poetic innovations arose from specific social contexts from the particulars of relations between poets and also from a broader climate of Anglo American exchange as registered by each poet The book s presentation of the process of poetic influence is attentive to actual exchanges between contemporaries as evidenced in correspondence as opposed to speculative relationships with dominant figures and as such represents a departure from many other studies of Ashbery s work Key themes include Englishness as a national imaginary the concept of the minor reciprocal

influence and the poetry of coteries The result is that both Ashbery himself and the landscape of post war English poetry are presented in significantly new lights

The Oxford History of Popular Print Culture Gary Kelly, Joad Raymond, Christine Bold, 2011 Planned nine volume series devoted to the exploration of popular print culture in English from the beginning of the sixteenth century to the present

The New American West in Literature and the Arts Amaia Ibarraran-Bigalondo, 2020-05-12 The story of the American West is that of a journey It is the story of a movement of a geographical and human transition of the delineation of a route that would soon become a rooted myth The story of the American West has similarly journeyed across boundaries in a two way movement sometimes feeding the idea of that myth sometimes challenging it This collection of essays relates to the notion of the traveling essence of the myth of the American West from different geographical and disciplinary standpoints The volume originates in Europe in Spain where the myth traveled was received assimilated and re presented It intends to travel back to the West in a two way cross cultural journey which will hopefully contribute to the delineation of the New always self renewing American West It includes the work of authors of both sides of the Atlantic ocean who propose a cross cultural transdisciplinary dialogue upon the idea the geography and the representation of the American West

Jean Rhys's Modernist Bearings and Experimental Aesthetics Sue Thomas, 2022-01-27 Addressing Jean Rhys's composition and positioning of her fiction this book invites and challenges us to read the tacit silent and explicit textual bearings she offers and reveals new insights about the formation scope and complexity of Rhys's experimental aesthetics Tracing the distinctive and shifting evolution of Rhys's experimental aesthetics over her career Sue Thomas explores Rhys's practices of composition in her fiction and drafts as well as her self reflective comment on her writing The author examines patterns of interrelation intertextuality intermediality and allusion both diachronic and synchronic as well as the cultural histories entwined within them Through close analysis of these this book reveals new experimental thematic generic and political reaches of Rhys's fiction and sharpens our insight into her complex writerly affiliations and lineages

Black Skin, Blue Books Daniel G. Williams, 2012-09-15 This is a ground breaking comparative study of the fascinating connections between African Americans and the Welsh beginning in the era of slavery and concluding with the experiences of African American GIs in wartime Wales

The Cambridge Companion to English Literature, 1830-1914 Joanne Shattock, 2010-01-28 A volume of essays on Victorian themes genres and authors aimed at students and lecturers
