International Social Work and Forced Migration Ralf Roßkopf, Katharina Heilmann, 2021-02-15 The book focuses on Social Work with refugees in African Middle East and European countries Published as a follow up to the International Social Work Week in Würzburg Germany with professionals and experts from all over the globe this book intends to share insights into country specific developments challenges and potentials of Social Work in forced migration contexts The objectives are to map Social Work in this field of action across several countries to bring into sharper focus an International Social Work in forced migration contexts as well as to contribute in connecting Social Work scholars and experts around the globe

Handbook of International Social Work Lynne M. Healy, Rosemary J. Link, 2012 Global knowledge is increasingly essential for all aspects of social work Today's professionals respond to concerns including permeable borders the upheavals of war displaced workers natural disasters international adoption and human trafficking Everywhere social workers work with service users and colleagues from diverse cultures and countries Globally relevant concepts such as human rights development and inclusion offer new perspectives to enhance policy and practice and facilitate the international exchange of ideas This handbook is the first major reference text to provide a solid foundation of knowledge for students and researchers alike The extensive collection of 73 chapters confirms the integral and necessary nature of international social work knowledge to all areas of practice policy and research Chapters systematically map the key issues organizations competencies training and research needs and ethical guidelines central to international social work practice today emphasizing the linkages among social work development and human rights practice In depth country case studies and policy examples encourage readers to understand how their practice in social work touches on international issues regardless of whether the work is done at home or abroad Representing all regions of the world a wide range of contributors that are leaders in their fields have put together an exhaustive collection that represents the state of play of international social work today

Irregular Migration and Invisible Welfare M. Ambrosini, 2016-04-30 Focusing on care workers for the elderly this book examines the paradoxical position of irregular migrants in European society who are often labelled as illegal residents but who in fact provide much needed essential support to welfare systems

Intersectionality in Social Work Surya Nayak, Rachel Robbins, 2018-09-03 This ground breaking book is an innovative passionate and provocative exploration of intersectionality The sustained emphasis on activism and practice reasserts the potency of intersectionality borne out of Black feminism The rare and pioneering international reach of this book crosses four continents In this book context matters there is no intersectionality without context Resting on the premise that we cannot work for the liberation of individuals communities and societies without intersectionality this book asks How does intersectionality challenge the structures and discourses of social work education management and organisation What is the revolutionary potential of intersectionality Intersectional in its method and content the blend of practice activism research and theory troubles

geopolitical and disciplinary boundaries The range of topics include Islamophobia immigration feminist movements social work education violence against women and girls gender sexuality race disability age religion nationality citizenship policy and legal frameworks This book will appeal to activists for social justice social work practitioners researchers lecturers students and those working in the field of Black feminist thinking The focus on the activism of intersectionality provides a clear pathway into Black feminist thinking and its application to social work internationally and to emancipatory collective political activism worldwide

Social Work in Ireland Alastair Christie, Brid Featherstone, Suzanne Quin, Trish Walsh, 2020-05-31 During a period of great economic and political change and uncertainty this book offers a timely evaluation of social work in Ireland Social Work in Ireland Changes and Continuities has brought together a range of academics and professionals to provide a comprehensive analysis of social work in the Republic of Ireland It addresses key questions such as How is social work in Ireland responding to rapidly changing social cultural and economic circumstances How will the new relationships between the state NGO private sectors impact on the provision of social services and How does and will social work respond to the needs of specific service user groups In addressing these questions the book explores key areas of practice including child welfare domestic violence mental health working with migrants and minority ethnic groups substance misuse probation services and work with older people and people with a disability This book is an essential read for students of social work and social care in Ireland and will also be of great interest to qualified practitioners in both the social work field and other social care professions

Contemporary Feminisms in Social Work Practice Sarah Wendt, Nicole Moulding, 2016-01-29 Contemporary Feminisms in Social Work Practice explores feminism as core to social work knowledge practice and ethics It demonstrates how gender neutral perspectives and practices obscure gender discourses and power relations It also shows feminist social work practice can transform areas of social work not specifically concerned with gender through its emphasis on relationships and power Within and outside feminism there is a growing assumption that equality has been won and is readily available to all women However women continue to dominate the ranks of the poor in developed and developing countries around the world male perpetrated violence against women and children has not reduced women outnumber men by up to three to one in the diagnosis of common mental health problems and women continue to be severely underrepresented in every realm of power decision making and wealth This worrying context draws attention to the ways gender relations structure most of the problems faced by the women men and children in the day to day worlds in which social work operates Drawing together key contemporary thinking about feminism and its place in social work this international collection looks at both core curriculum areas taught in social work programs and a wide range of practice fields that involve key challenges and opportunities for future feminist social work This book is suitable for all social work students and academics It examines the nuanced nature of power relationships in the everyday and areas such as working with cross cultural communities mental health interpersonal violence and abuse homelessness child protection
