When Sarah Palin Came to Town Tony "Toe" Newman, 2011 In 2002 Toe was a political cartoonist living and working in Alaska's capital city when a little known small town mayor named Sarah Palin began a run for statewide office The satirical cartoons that would follow over the next several years would garner national attention and become a reader favorite Here along with those original cartoons are many previously unpublished drawings along with reflections on how Alaskans reacted to Sarah Palin's and their own newfound celebrity *Bloomberg Businessweek*, 2010-04 **Sarah Palin**

Biographiq, 2008-09-01 *Sarah Palin The Alaskan Barracuda* is a biography of Sarah Palin the governor of Alaska who previously served two terms on the Wasilla Alaska City Council from 1992 to 1996 then won two terms as mayor of Wasilla from 1996 to 2002 After an unsuccessful campaign for lieutenant governor of Alaska in 2002 she chaired the Alaska Oil and Gas Conservation Commission from 2003 to 2004 while also serving as Ethics Supervisor of the commission In November 2006 Palin was elected Governor of Alaska becoming the first woman and youngest person to hold that office She defeated incumbent Republican Governor Frank Murkowski in the Republican primary and former Democratic Governor Tony Knowles in the general election On August 29 2008 Republican Presidential candidate Senator John McCain announced that he had chosen Palin as his running mate She was nominated at the 2008 Republican National Convention in Saint Paul Minnesota Palin is the second woman to run for vice president on a major party ticket and the first Republican woman to do so the first such Democrat was Geraldine Ferraro in 1984 Palin has described the Republican Party platform as the right agenda for America adding individual freedom and independence is extremely important to me and that's why I'm a Republican Palin is seen as a powerful candidate to run with John McCain because of her experience as a Governor small town Mayor mother of five and a politician who has taken on her own party *Sarah Palin The Alaskan Barracuda* is a highly recommended biography for those interested in learning more about the life and political career of maverick politician Sarah Palin **Our Sarah**

Chuck Heath, 2012-09-25 We may think we know Sarah Palin from all the coverage she has received in the political arena but one side depictions but media coverage is limited and Sarah would even say biased OUR SARAH is also a bit biased since it's written by Sarah's dad and brother with contributions from many friends and colleagues these are the people who know her and love her best Combining the appeal of Sarah Palin's bestselling book *Going Rogue* with the flavor of the hugely successful TV show *Sarah Palin's Alaska* here are intimate stories from Sarah's life along with a celebration of growing up in and sharing all that Alaska means to Sarah and her family Sarah's dad and brother share great family stories of life in the last frontier from hiking camping fishing hunting and gold mining to marathon running teaching and community service first in small ways and then on a national stage Structured around themes of family faith independence resilience character risk taking and adventure here is a full and loving portrait of where Sarah Palin came from and what made her the person she is today *Sarah Palin* Joseph H. Hilley, 2008 Alaska Governor Sarah Palin's nomination as vice presidential candidate by John

McCain not only changed the landscape of the current election but also marked a shift in leadership style across our country. Exploring themes from her career in politics, her life as a hockey mom, and her strongly held Christian Faith, the author discusses the leadership principles that made Palin successful.
