Thesiger In Arabia The Marsh Arabs And Arabian Sands:

The Marsh Arabs Wilfred Thesiger, 1964 Life and adventures of a British traveler during a seven year stay 1951-58 among primitive tribes along the central marshes of Iraq

The Marsh Arabs Wilfred Thesiger, 2008-01-02 Five thousand years of history were here and the pattern was still unchanged During the years he spent among the Marsh Arabs of southern Iraq Wilfred Thesiger came to understand, admire and share a way of life that had endured for many centuries Travelling from village to village by canoe he won acceptance by dispensing medicines and treating the sick In this account of his time there he pays tribute to the hospitality, loyalty, courage and endurance of the people describes their impressive reed houses, the waterways and lakes teeming with wildlife, the herding of buffalo and hunting of wild boar, moments of tragedy and moments of pure comedy all in vivid, engaging detail Untouched by the modern world until recently, these independent people, their way of life and their surroundings suffered widespread destruction under the regime of Saddam Hussein Wilfred Thesiger's magnificent account of his time spent among them is a moving testament to their now threatened culture and the landscape they inhabit

Thesiger in Arabia Wilfred Thesiger, 2005 Arabian sands is the story of five years of travel with the nomad Arabs in the unknown deserts of Southern Arabia The Marsh Arabs is the life and adventures of a British traveler during a seven year stay 1951-58 among primitive tribes along the central marshes of Iraq

Across the Empty Quarter Wilfred Thesiger, 2007 Restless, gripped by an overwhelming wish to make a name for himself in a world ever more hemmed in by progress and civilization Thesiger, 1910-2003 embarked on his amazing journeys across Saudi Arabia's Empty Quarter to test himself and to show what could still be done The result was a monument both to his resilience and to the Bedu who guided him and who emerge as the book's real heroes Great Journeys allows readers to travel both around the planet and back through the centuries but also back into ideas and worlds, frightening, ruthless and cruel in different ways from our own Few reading experiences can begin to match that of engaging with writers who saw astounding things Great civilisations, walls of ice, violent and implacable jungles, deserts and mountains, multitudes of birds and flowers new to science Reading these books is to see the world afresh, to rediscover a time when many cultures were quite strange to each other where legends and stories were treated as facts and in which so much was still to be discovered
