and for us they are very uplifting They seem to address all the things that are happening in our everyday lives And out of the darkness of times today they are a bright spot in our day Jim and Melissa We are amazed at how this sweet kind soul has opened our eyes through word to God s presence not only on a good day but difficult days as well Rich and Lori Praise God for Miss Millie s devotion to Christ These Holy Spirit inspired writings with concise detailed connections from everyday experiences help us realize that our God is in every moment Such a blessing Pastor Jeannine I love these devotions because I can read and understand them easily and I can relate so many of them to situations in my own life as well as others I anticipate reading the next one and the next one A daily blessing Kevin Oh how lucky I am And a reminder of how humble I need to be Daily inspirations with a lesson and guidance from the scriptures of our Lord Walks with Millie and Mitzi smiles abound Everyday messages that speak to splendor of life or a description of nature s creations that are around us A counsel for us to have empathy to hardships and sorrows that others may face Pausing in my daily tasks for in each message I may find comfort and some joy a need to grin or a need to pray for others or even a reflection I find I need to take on myself And how fortunate I am receiving multiple blessings in each message as I receive a thought in my own journey with the Lord and a daily walk with her my mom

The Shaman Circle Danny Self,2022-02-03 Michael Crichton meets Stephen King in the Shaman Circle Middlesex Hospital like most small hospitals is struggling to stay afloat on a sea of uncertain revenues but the new long term ventilator facility just completed will command 40 000 a month for every patient It promises to lift the hospital out of the whirlpool of debt in which it finds itself There is just one problem the ground it s built on was a barren circle of land feared and at the same time considered sacred by the local Indian tribes Dave Hollings is the night shift respiratory supervisor at Middlesex Rumors surrounding the construction of the new facility raise his concern for his coma patient s well being and safety particularly the eight year old orphaned girl who is in a persistent vegetative state As soon as the new facility opens nurses begin seeing hideous faces on cardiac monitors therapists begin finding unexplained changes to ventilator settings intravenous solutions start turning into green goop And throughout the facility moving from room to room are bright green flashes and semitransparent apparitions It is just an unacceptable untenable and unworkable environment Forced to work in the facility night after night Dave comes to the conclusion that whatever supernatural force is haunting the facility is not hurting the patients but helping them He comes to believe that it s instrumental in their emergence from their comas Dave changes his demand that facility be closed and convinces the chief administrator to keep it open But when he returns to work he discovers that despite the administrator s promise all the patients have been transferred into the main hospital facility He

has no idea that the administrator's father-in-law, a powerful mob boss who is on the hospital board, built the facility and embezzled a million dollars during its construction. Dave desperately tries to sneak the young girl back into the facility for one more night to complete her recovery while at the same time one member of the mob is preparing to burn it to the ground.
