Change and Transformation Thomas P. Power,2013-08-21 The integrative theme of this collection of essays is change and transformation explored in the context of diverse expressions within the context of Anglican Church history It addresses some central themes notably the sacraments liturgy biblical interpretation theological education the relationship of church and state governance and authority and Christian education The volume

traces Anglican Church history chronologically It includes a comparative study of penance in the thought of John Wyclif and Thomas Cranmer The book also treats the dispersal of authority evident in the development of the Book of Common Prayer and the King James Bible consensus in eucharistic theology in the seventeenth century and developments in biblical interpretation in the early eighteenth century This book also discusses a vision for the Christian education of children change in theological education in the 1830s the metanarrative of continuity developed by High Church historians in the late nineteenth century increasing self government in the Church at the outset of the twentieth century and models of governance at the outset of the twenty first While this collection highlights aspects of change and transformation as an integrative theme it is not its premise that change was normative or pervasive perpetual or constant within Anglicanism Nevertheless these essays raise some new lines of inquiry make some suggestive interpretations or propose revision of accepted views

Simut,2012-02-14 This specialist work in historical theology deals with the doctrine of salvation in the early theology of Richard Hooker 1554 1600 from the perspective of the concept of faith and with Hooker s connections to the early English Reformers W Tyndale J Frith R Barnes T Cranmer J Bradford and J Foxe in crucial teachings such as justification sanctification glorification election reprobation the sovereignty of God and salvation of Catholics The study proves that Hooker s theology is firstly Protestant to counter the views which picture it as Catholic and secondly Calvinist

Reformation Reputations David J. Crankshaw,George W. C. Gross,2020-11-10 This book highlights the pivotal roles of individuals in England s complex sixteenth century reformations While many historians study broad themes such as religious moderation this volume is centred on the perspective that great changes are instigated not by themes or isms but rather by people a point recently underlined in the 2017 quincentenary commemorations of Martin Luther s protest in Germany That sovereigns from Henry VIII to Elizabeth I largely drove religious policy in Tudor England is well known Instead the essays collected in this volume inspired by the quincentenary and based upon original research take a novel approach emphasizing the agency of some of their most interesting subjects Protestant and Roman Catholic clerical and lay men and women With an introduction that establishes why the commemorative impulse was so powerful in this period and explores how reputations were constructed perpetuated and manipulated the authors of the nine succeeding chapters examine the reputations of three archbishops of Canterbury Thomas Cranmer Matthew Parker and John Whitgift three pioneering bishops wives Elizabeth Coverdale Margaret Cranmer and Anne Hooper two Roman Catholic martyrs John Fisher and Thomas More one evangelical martyr other than Cranmer Anne Askew two Jesuits John Gerard and Robert Persons and one author whose confessional identity remains contested Anthony Munday Partly biographical though mainly historiographical these essays offer refreshing new perspectives on why the selected figures are famed or should be famed and discuss what their reformation reputations tell us today

Christian Theologies of the Sacraments Justin S. Holcomb,David A. Johnson,2017-07-25 Delves into the ancient debate regarding

the nature and purpose of the seven sacraments What are the sacraments For centuries this question has elicited a lively discussion and among theologians and a variety of answers that do anything but outline a unified belief concerning these fundamental ritual structures In this extremely cohesive and well crafted volume a group of renowned scholars map the theologies of sacraments offered by key Christian figures from the Early Church through the twenty first century Together they provide a guide to the variety of views about sacraments found throughout Christianity showcasing the variety of approaches to understanding the sacraments across the Catholic Protestant and Orthodox faith traditions Chapters explore the theologies of thinkers from Basil to Aquinas Martin Luther to Gustavo Guti rrez Rather than attempting to distill their voices into a single view the book addresses many of the questions that theologians have tackled over the two thousand year history of Christianity In doing so it paves the way for developing theologies of sacraments for present and future contexts The text places each theology of the sacraments into its proper sociohistorical context illuminating how the church has used the sacraments to define itself and its congregations over time The definitive resource on theologies of the sacraments this volume is a must read for students theologians and spiritually interested readers alike Confessionalisation and Erudition in Early Modern Europe Nicholas Hardy,Dmitri Levitin,2019-12-26 Confessionalisation and Erudition in Early Modern Europe examines the consequences of the sixteenth century Reformation for the study of ancient texts and of the past in general The volume offers the most comprehensive account thus far of the relationship between religious identity formation and the history of knowledge in early modern Europe *Reformation Readings of Paul* Michael Allen,Jonathan A.

Linebaugh,2015-09-24 In light of recent interest in whether the Protestant Reformers interpreted Paul correctly this edited volume enables a more careful reading of the Reformers themselves Each chapter pairs a Reformer with a Pauline text and brings together historical theologians and biblical scholars to examine these Reformation era readings of Paul s letters

The End of Satisfaction Heather Hirschfeld,2014-04-17 In *The End of Satisfaction* Heather Hirschfeld recovers the historical specificity and the conceptual vigor of the term satisfaction during the sixteenth and early seventeenth centuries Focusing on the term s significance as an organizing principle of Christian repentance she examines the ways in which Shakespeare and his contemporaries dramatized the consequences of its re or de valuation in the process of Reformation doctrinal change The Protestant theology of repentance Hirschfeld suggests underwrote a variety of theatrical plots to set things right in a world shorn of the prospect of making enough satisfacere Hirschfeld s semantic history traces today s use of satisfaction as an unexamined measure of inward gratification rather than a finely nuanced standard of relational exchange to the pressures on legal economic and marital discourses wrought by the Protestant rejection of the Catholic sacrament of penance contrition confession satisfaction and represented imaginatively on the stage In so doing it offers fresh readings of the penitential economies of canonical plays including *Dr Faustus* *The Revenger s Tragedy* *The Merchant of Venice* and *Othello* considers the doctrinal and generic importance of lesser known plays including *Enough Is as Good as a Feast* and

Love's Pilgrimage and opens new avenues into the study of literature and repentance in early modern England **Newman and Justification** T. L. Holtzen, 2024 Newman and Justification examines John Henry Newman's via media doctrine of the justifying presence in his Lectures on Justification T. L. Holtzen contends that Newman put forth his via media doctrine of the justifying presence by employing a trinitarian grammar of divine inhabitation in which the Holy Spirit is the formal cause of justification as a solution to the Reformation debate over justification Newman sets his via media of justification between the extremes of justification by mere imputation in popular Protestantism and that of justification by works righteousness in English Arminianism and Romanism The word justification means both being declared and being made righteous because the eternal Word is spoken into the soul by the Holy Spirit in justification Newman identifies this with the gift of righteousness Romans 5:17 and calls it the doctrine of the justifying presence The justifying presence is an imparted righteousness in distinction from both the Protestant notion of imputed and Roman Catholic idea of inherent righteousness The justifying presence comes through the sacraments creates faith in the human soul and begins a renewal in good works all of which in different ways justify The divine inhabitation of the Holy Spirit in the soul is the formal cause of justification by causing a duplex iustitia of both Christ's imputed righteousness and by beginning an actual righteousness in renewal Newman's via media doctrine of the justifying presence has great ecumenical promise because it shows how the trinitarian grammar of justification necessarily causes renewal through divine inhabitation *Reformation Anglican Worship (The Reformation Anglicanism Essential Library, Volume 4)* Michael Jensen, 2021-05-05 Uncover the Deep Roots of the Reformation in Anglican Worship Conceived under the conviction that the future of the global Anglican Communion hinges on a clear well-defined and theologically rich vision the Reformation Anglicanism Essential Library was created to serve as a go-to resource aimed at helping clergy and educated laity grasp the coherence of the Reformation Anglican tradition In this addition to the Reformation Anglicanism Essential Library Anglican scholar Michael P. Crossnoe,Daniel J. Handschy,Donna R. Hawk-Reinhard,2022-03-02 A Eucharist shaped Church Prayer Theology Mission is a historical theological survey of major movements and thinkers that have shaped sacramental theology and liturgical worship within the Anglican Episcopal tradition The contributors attend closely to the interplay between Christian thinking praying and living in order to distil lessons for liturgical revision and worship renewal Each chapter explores a major thinker or movement and explores how the theological liturgical ecclesiological and missiological commitments of the thinker or movement interacted and shaped the thinker s or movement s overall thought This serves a two fold purpose 1 Much scholarship about Anglican eucharistic theology treats some aspect of that theology in isolation presence sacrifice etc from other aspects and from the context in which the theology was developed This approach shows how these various aspects and contexts in fact have mutual explanatory power 2 The interaction of these various aspects of eucharistic theology provide a framework for those involved in liturgical revision to think through the commitments communicated by the proposed revisions
