## **Those Who Walk In Darkness:**

*The Letters of John* Colin G. Kruse, 2000 Though the Letters of John appear to be among the simplest books in the New Testament beneath their superficial simplicity lies a minefield of complexities that have generated difficult debates among Christians over the centuries This commentary by Colin Kruse provides an excellent exposition of John's letters for teachers and pastors working at all levels of Christian ministry at the same time it offers students and general readers clear insight into the meaning of these Scriptures for the contemporary Christian life How to Preach the Miracles John E. Sumwalt, 2007 With contemporary stories and insight into ancient texts John Sumwalt invites readers into the mystery of God's active palpable presence in the world When we decide to live in God's presence we are in position to see hear believe and experience the miraculous in our daily lives Bishop Rueben P Job Author of *Living Fully Dying Well* Former editor *The Upper Room* Since modern culture explains the world through scientific rationalism there are many people in our pews who are skeptical about miracles No matter how credible the source our society tends to view those who speak of miracles as purveyors of superstition and magical thinking That presents a significant problem when discussing the resurrection and the other miracles recorded in scripture so what can the preacher do John Sumwalt says the answer is to begin like Jesus did by telling stories of the mysterious saving presence of God This is the realm in which Jesus did his miracle work a dimension of reality that is readily accessible to all who are hungry for it Tell the miracle stories from the Bible along with those that are happening in our own time In this fascinating volume Sumwalt brings a storyteller's perspective to nine miracle passages in Cycle A of the Revised Common Lectionary His rich biblical commentary is filled with numerous illustrations and tellable sermon stories including over 30 contemporary accounts of miracles In this beautifully written book John Sumwalt shows you how to preach the miracle stories in ways that reach modern congregations Full of warm and engaging stories it reaches straight for the heart This is a wonderful book that will connect you and your congregation to the scriptures in fresh ways It's certain to warm the heart of anyone who reads it I look forward to using it over and over again as a source for my sermons Deacon Eddie Ensley Author of *Prayer That Relieves Stress and Worry* John E Sumwalt is the lead pastor of Wauwatosa Avenue United Methodist Church in suburban Milwaukee A noted storyteller and seminar leader he is the author of nine christian books including the acclaimed *Visions* series CSS John and his wife Jo Perry Sumwalt served for three years as co editors of the online service StoryShare [www.sermonsuite.com](http://www.sermonsuite.com) **Christian Advocate and Journal and Zion's Herald**, 1899 *Christian Fellowship, Worship and Worldliness* William J. Kostenberger, 2015-04-28 A Theology of John's Gospel and Letters introduces the first volume in the BTNT series Building on many years of research and study in Johannine literature Andreas Kostenberger not

only furnishes an exhaustive theology of John's Gospel and letters but also provides a detailed study of major themes and relates them to the Synoptic Gospels and other New Testament books. Readers will gain an in-depth and holistic grasp of Johannine theology in the larger context of the Bible. D. A. Carson, Trinity Evangelical Divinity School, says about K. Stenberger's volume that for the comprehensiveness of its coverage in the field of Johannine theology, Gospel and Letters, there is nothing to compare to this work. I. Howard Marshall, University of Aberdeen, writes: "This book is a first in many ways: the first volume that sets the pattern for the quality and style of the new Biblical Theology of the New Testament series published by Zondervan; the first major volume to be devoted specifically to the theology of John's Gospel and Letters at a high academic level; and the first volume to do so on the basis that here we have an interpretation of John's theology composed by an eyewitness of the life and passion of Jesus." The Biblical Theology of the New Testament Series. The Biblical Theology of the New Testament, BTNT series, provides upper college and seminary level textbooks for students of New Testament theology interpretation and exegesis. Pastors and discerning theology readers alike will also benefit from this series. Written at the highest level of academic excellence by recognized experts in the field, the BTNT series not only offers a comprehensive exploration of the theology of every book of the New Testament, including introductory issues and major themes, but also shows how each book relates to the broad picture of New Testament theology. Bible Teacher's Commentary, Larry Richards, Lawrence O. Richards, 2002. In this outstanding Christian Education resource, the entire Bible, Genesis 1 to Revelation 22, is divided into teachable units. There are many links to life ideas to help teach each unit to any age group.

*pt. 1. The Epistles of St. Paul. pt. 2. The Epistle to the Hebrews, the Catholic Epistles, and the Revelation*, 1875. **The Damnable Heresy of Salvation by Dead Faith (Expanded Edition)**, Edward Hendrie, 2021-06-19. Good works follow salvation; they do not earn salvation. Good works do not save us. The works of faith are those works ordained and performed by God through the believer. They are the result of faith. It is that perfect faith that justifies the believer. For by grace are ye saved through faith, and that not of yourselves; it is the gift of God. Not of works, lest any man should boast. For we are his workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them. Ephesians 2:8-10. In Romans, chapters 6 and 8, Paul explains faith without good works cannot save. Paul says that God's elect walk not after the flesh but after the Spirit. Romans 8:1. He states that those who do not walk in the Spirit but instead walk in the flesh shall not inherit the kingdom of God. Galatians 5:15-25. John explains: If we say that we have fellowship with him and walk in darkness, we lie and do not the truth. But if we walk in the light as he is in the light, we have fellowship one with another, and the blood of Jesus Christ, his Son, cleanseth us from all sin. 1 John 1:6-7. James asks a rhetorical question: What doth it profit my brethren, though a man say he hath faith, and have not works, can faith save him? James 2:14. James succinctly explains that faith without works is dead. James 2:20. The pronouncement in James that true faith bears the fruit of good

works is a theme found in the gospel But some perniciously preach that God saves a person by faith that has no good works That is one of the damnable heresies about which Peter warned See 2 Peter 2 1 22 Isaiah-Malachai Matthew Henry,1758

[With the Text.] ,1857 **Absolute Truth for a Relative World** Dennis Dinger,2010-11-24 It is difficult these days to hear or read and decide what is true and what is false It seems like there are a lot of lies and deceptions floating about Some are lies Mostly rather people are telling the truth as they perceive it relative truth So as Pilate asked Jesus What is truth Where does one go in the 21st Century to discern truth from falsehood The

answer is to the Bible God speaks in absolutes always has always will The answers to most of mankind s questions can be found in the Word of God This book is a study of truth as it appears in the Bible It behooves mankind especially Christians to familiarize themselves with the Word of God Otherwise they can be blown about tossed and scattered like fall s leaves dancing to every little breeze We all want to be well grounded solid individuals Knowing God and the truths of His Word can produce that result This book should provide many answers especially the one to Pilate s question *Paradoxes, Mysteries, Riddles, Enigmas, and Comfort for Christians* Gerald C. Primm, 2002-05 Several years ago I republished the rare Spurgeon book *The Mourner s Comforter* The printing sold out in a very short time I have plans to reprint that book again soon The success of that book has had much to do with my undertaking this new reprint of some of Spurgeon s sermons on comfort and encouragement It is especially suitable for persons who struggle with depression Spurgeon was considered by many in his day as the greatest living preacher of the gospel Since his death in 1892 his works have been reprinted by many publishers His primary work was a sixty three volume set of more than 3 000 sermons Pilgrim Publications has reprinted the complete set of sermons with a separate index of the Scripture texts and sermon titles making it relatively easy to find material on almost any subject These sermons have also been recorded on a CD ROM disk by the Ages Digital Library It has been one of the great pleasures of my life to select arrange and edit the material in this book The editing has been confined primarily to spelling example labour to labor etc Some additions have been made such as adding the first names of persons not as familiar to the public today Some time references have been eliminated For instance statements such as I spoke to you on Thursday last week have been removed as being irrelevant to the message In some cases I have substituted a new word for one that is not familiarly used today Ship or boat was substituted for barque etc However sentence structure has been left as originally written and care has been taken not to change the meaning of any statements or doctrines expounded by Mr Spurgeon Gerald C Primm editor
