Three Letter Plague A Young Mans Journey Through A Great Epidemic:

Three-Letter Plague Jonny Steinberg, 2010-11-22 At the age of 29 Sizwe Magadia is among the most handsome well educated and richest of the men in his poverty stricken village in rural Transkei Dr Hermann Reuter a son of old South West African stock wants to prove to the world that if you provide decent treatment people will come and get it no matter their circumstances Already Sizwe has watched several neighbours grow ill and die yet he remains reluctant to establish his own HIV status When Hermann establishes an antiretroviral treatment programme in Sizwe s village these figures from two different worlds collide one afraid that people will turn their backs on medical care the other fearful of the advent of a world in which respect for traditional ways has been lost and privacy has been obliterated The resulting antagonism mirrors a continent wide battle against an epidemic that has corrupted souls as much as bodies In this eye opening compassionate searing and beautifully written account Steinberg seeks to understand the AIDS crisis in South Africa As he grapples to get closer to answers that remain maddeningly just out of reach he realises that he must look within to unravel some of the enigma surrounding the greatest African disaster of our times

spectators throw them off the stage Several months before they exploded into xenophobic violence Jonny Steinberg travelled the streets of Alexandra Reiger Park and other Johannesburg townships with police patrols His mission was to discover the unwritten rules of engagement emerging between South Africa s citizens and its new police force In vivid and eloquent prose Steinberg takes us into the heart of this drama and picks apart the rules South Africans have established for the policing of their communities What emerges is a lucid and original account of a much larger matter the relationship between ordinary South Africans and the government they have elected to rule them The government and its people are like scorned lovers Steinberg argues their relationship brittle moody untrusting and ultimately very needy **AIDS, Ancestors, and Salvation**
