The Book of Revelation in Christological Focus Dan Lioy, 2003 By making use of a grammatical historical form of exegesis Dan Lioy conducts a thoroughgoing textual analysis of Revelation with special attention given to the connection between its Christocentric themes and its doctrinal rationale The result is a comprehensive study that is informed by the Old

Testament the New Testament and extrabiblical material Appropriate for personal study as well as a college and seminary text this book provides an insightful engaging and scholarly treatment of the Apocalypse The Dispensational-covenantal Rift R. Todd Mangum,2007 This groundbreaking study explores how the fight between dispensationalists and covenant theologians got started and how a unique dynamic of personalities and sociological factors enflamed it Readers may be surprised to discover that even the terminology of dispensationalists and covenant theologians originated in the 1930s disputes that the vast majority of the original protagonists on both sides were Presbyterians and that soteriology rather than eschatology was the original bone of contention between them This study examines how two respective strands of fundamentalism came to identify one another as theological rivals as they each vied for position in their recently formed separatist bodies The significance of disagreements over dispensationalism is explored in the founding of the Orthodox Presbyterian and Bible Presbyterian churches And then as the debate traveled southward the response of the PCUS is examined with special attention given to the consummative report of an ad hoc committee that found dispensationalism to be out of harmony with the Westminster doctrinal standards Significant misunderstandings that impeded fruitful dialogue from the beginning are clarified particularly those that have persisted most stubbornly to the present day Perhaps most surprising of all the reader will discover that nearly all of the original points of debate between dispensationalists and covenant theologians have since been resolved as each side has honed its position in light of pertinent critiques Why has this development gone almost unnoticed This study suggests an answer and proposes that understanding how the feud began may hold the key to rapprochement today **Exposition of the Book of Revelation** Simon J. Kistemaker,Simon Kistemaker,2001 This clearly communicated evangelical commentary on Revelation confirms that Revelation is indeed a divinely constructed volume in which God shows his handiwork **Progressive Dispensationalism** Ron J. Bigalke,2005-10-27 The first book of its kind Progressive Dispensationalism presents a comprehensive and collaborative look at the arguments against and the errors within the progressive dispensationalist movement The authors begin with a history of dispensationalism and then provide detailed examinations of sixteen key issues including the hermeneutics of progressive dispensationalism the relationship between covenants and dispensations the Abrahamic Land Davidic and New Covenants cessationism and the dangers of progressive dispensationalism to premillennial theology Written by pastors professors and Ph D s from across the country Progressive Dispensationalism will serve as a valuable resource for Bible students scholars and theologians navigating these complex issues The Publishers Weekly ,1999 *Thematic Guide to Biblical Literature* Nancy M. Tischler,2007-04-30 The Bible has had a tremendous influence on world history and culture but it is largely unfamiliar to many students This book relates the Bible to a wide range of literary works commonly read by students and thus helps students understand these texts as well as the cultural and historical contexts surrounding them Included are chapters on 20 themes such as creation family and friends love and marriage the hero war and death and the afterlife Each

chapter discusses the biblical significance of the theme provides scriptural quotations and citations and explores the biblical presence of the theme in literary works often read by students Each chapter cites works for further reading and the volume closes with a selected general bibliography **Encyclopaedia of Oriental Philosophy and Religion: Christianity** Nagendra Kr Singh,A. P. Mishra,2007 *Models of Premillennialism* Sung Wook Chung,David L. Mathewson,2018-08-27 The meaning of the millennium the thousand year reign of Christ spoken of in Revelation 20 has been controversial for much of the church s history and even the main perspectives on the matter turn out to be more variegated than is often realized This book takes the oldest of those options premillennialism and offers an excellent introduction to a variety of models of premillennialism currently available including classical dispensationalism progressive dispensationalism historic premillennialism thematic premillennialism and historic premillennialism in Asian context The product of collaboration between a systematic theologian and a New Testament scholar this book provides a fascinating reference tool for anyone interested in what Scripture teaches about the last things of redemptive history the Parousia and the millennial kingdom **Chalcedon Report** ,2001 **Encountering the Book of Isaiah** Bryan E.
