Treasures Philippi Gems Epistle Philippians:

Treasures from Philippi John Zehring, 2015-12-05 TREASURES FROM PHILIPPI takes one of the shortest books of the bible Paul's Epistle to the Philippians and mines from it fourteen gems that apply to your daily life today as they did to the Philippians It is not quite the same as a bible study nor is it a sketch about Paul or the church he founded Rather it is a devotional springboard for you to enrich your faith deepen your relationships with others discover new heights to your faith and leap further into your closer walk with God Paul will lead you there but even more he will share one of the greatest secrets known to humankind how to be content Perhaps the aim of all our longings in life is to find contentment We hope that someday we will achieve it Paul tells how you can do that now Your life will be enriched by these gems **The Once and Future Bible** Gregory C. Jenks, 2011-01-10 This book offers a way to engage with the Bible as a set of sacred texts that can serve as a song sheet for believers in exile those people Bishop John Shelby Spong calls the church alumni association This includes those internally displaced persons of faith who have not yet become spiritual refugees but who feel the pressure to conform to traditional expressions of faith that no longer serve as springs of living water for the journey of life These ancient texts come from another world and another time but they can serve as maps for the journey of life They can best do this when the sacred wisdom of the Bible is accepted as permission to voice the new questions we face today in the confidence that authentic faith has always required such boldness Religious progressives are people who live the questions not dodge them Our task is not to guard a set of traditional answers but to live life boldly taking risks for God's sake and our own One of the hallmarks of this book is that the problems posed by the Bible are acknowledged In particular the contributions of recent critical scholarship are embraced rather than being ignored or neutralized by pious ambivalence The intended reader of this book is not a traditional believer secure in her assumptions about God and salvation but someone struggling to live with integrity in a time when traditional religion seems increasingly irrelevant The goal is not to persuade the reader that the Bible is credible but more modestly to offer an account of the Bible that may encourage religious progressives to reclaim the Bible as a valued part of our spiritual baggage **The Living Church** , 1993-07 **An Invitation to Explore the Bible** Graham Diggins, 2017-03-01 This work has been written to strengthen and enlarge the faith of Christians by teaching them the truth while exposing the traditions of the elders that have grown up in Reformed Reformed Baptist Protestant and Baptist Church circles It has tackled many issues some of which have been raised inside the church and some that have come from basically an antagonistic nonneutral and atheistic humanity [A Dictionary of the English Language](#) Samuel Johnson, 1799 **The Imperial Family Bible** , 1848 [The Lutheran](#) George Washington Sandt, 1931 [A Dictionnary of the English Language, in which the Words are Deduced from Their Originals and Illustrated in Their Signification by Exemples from the Best Writers](#) Johnson, 1799 **Philippi: How Christianity Began in Europe** Eduard Verhoef, 2013-06-06 The book provides a introduction to Paul's Letter to the Philippians as well as to the history development and foundation of the Church in Philippi

Verhoef expertly guides students through the key issues of interpretation surrounding Paul's writings to the Philippians before covering the key events of the Church at Philippi with careful reference to the archaeological remains present at Philippi today. What emerges is a careful guide to one of the most important canonical epistles and one of the most important cities in early Christianity. Verhoef draws students and scholars attention to key artefacts illuminating aspects of the Early Church at Philippi and the work of Paul. This volume will be indispensable for those teaching and studying Paul's Letter to the Philippians and Early Christianity. *The Epistle to the Philippians* Mark Allfree, 2014-07-16. An exposition of the apostle Paul's epistle to the Philippians. Special emphasis on the work of the Lord Jesus Christ as the suffering Servant.
