Volume VII**, 1971

Theological Dictionary of the Old Testament G. Johannes Botterweck, Helmer Ringgren, Heinz-Josef Fabry, 1974 Doing for the Old Testament what Kittel Friedrich does for the New this major multivolume reference work discusses all the key Hebrew and Aramaic words of the Old Testament beginning with A and proceeding through the alphabet Stressing meaning each word study begins with narrow everyday usages and proceeds toward more theologically significant concepts

Theological Dictionary of the New Testament, Vol. VII Gerhard Kittel, 1969 *A Teacher's Commentary on First and Second Corinthians* Dan R. Owen, 2021-09-07 *A Teacher's Commentary on First and Second Corinthians* is especially designed as a practical tool for those who preach from the Corinthian letters or teach Bible studies from them The reflective questions at the end of each chapter as well as the appendices at the end of the book are designed to help the teacher in personal understanding instruction and in practical matters of the church The material on First Corinthians will help ministers with many practical church matters and encourage them to work for unity in the church during times of conflict The material on Second Corinthians will help ministers navigate relationships with people in their churches over time and at the same time remain faithful to Christ in ministry *Exploring Heavenly Places - Volume 7 - Discernment Encyclopedia for God's Spiritual Creation* Paul Cox, Barbara Parker, 2017-09-20 This is perhaps one of the most unusual books in the world Taking over twenty six years to develop it documents the spiritual realities of the heavenly places as mentioned in the Bible In a stunning departure from traditional and commonly accepted theological views the authors acknowledge what the Word of God so clearly articulates just as the physical world contains a wide variety of beings and other created things so does the spiritual world Within the pages of this book you will find over 100 entries that clearly identify multiple aspects of the Holy Trinity as well as diverse and unique spiritual beings entities and places This resource will help you learn how to discern each entry by observing how others are able to sense each spiritual reality with the five physical senses it is a tool that will train you to know what the Father is doing in the heavenly places so you can model Jesus life on earth *Theological Dictionary of the New Testament, Volume I* Gerhard Kittel, Geoffrey William Bromiley, Gerhard Friedrich, 1964-03-18 Substantial articles on 2000 Greek words that are theologically significant in the New Testament Traces usage in classical Greek literature the Septuagint intertestamental texts and the New Testament **Divorce and Remarriage** Tom Roberts, 2018-03-22 From the birth of Christianity and with the Christian churches separation from Judaism a tragic misunderstanding of marriage and divorce has occurred Not only have we lost the understanding of biblical marriage counsel and wisdom we have also lost the process of marriage and its biblical allowances for separation of man and wife under

certain conditions Christianity often fails to understand the biblical practice of marriage as well as divorce and remarriage Our Lord employed rabbinic teaching to uplift the status of women in his temple discourses with Jewish sects such as the Sadducees and many groups of Pharisees Unless we understand the Semitic discussion within those groups and properly translate Our Lord s response to these questions his teaching is held in tension with that of the epistles of Paul Jesus and Paul are dealing with different case studies together with different communities of faiths which affects how we should interpret the general message contained in the text These misinterpretations of this vital information have needlessly ruined the lives of many innocent victims It is long overdue for the Christian Church to reevaluate her response to this growing problem There is a blessing for those who will receive this teaching *Changing World Religions, Cults & Occult* ,

Theological Dictionary of the New Testament. Volume VIII ,1972 **SAINTS not sinners** Kevin Don Levellie,2015-07-15 Christians are SAINTS They are not sinners in the present tense saved by grace Sinners is what they used to be The Bible nowhere teaches that a Christian has a sin nature or can be labeled a sinner This is established through examination of the three terms sinners Saints and flesh from a linguistic view as well as from their context in scripture Additionally there is a comprehensive search of the scriptures on the nature of the Saint This will empower every Christian to live what he knows

Substantial articles on 2000 Greek words that are theologically significant in the New Testament Traces usage in classical Greek literature the Septuagint intertestamental texts and the New Testament **The Psychotheology of Sin and Salvation** Paul V. Axton,2015-10-22 Through the employment of the work of Slavoj i ek and his engagement with the Apostle Paul Axton argues that Paul in Romans 6 8 understands sin as a lie grounding the subject outside of Christ and salvation is an exposure and displacement of this lie The theological significance of i ek along with Sigmund Freud and Jacques Lacan is his demonstration of the pervasive and systemic nature of this lie and its description as he finds it in Romans 7 The specific overlap of the two disciplines of psychology and theology is found in the psychoanalytic understanding that the human Subject or the psyche is structured in three registers the symbolic the imaginary and the real These three registers function like a lie analogous to the Pauline categories of law ego and the body of death which constitute Paul s dynamic of sin s deception Axton argues that if sin is understood as a lie grounding the Subject the exposure of the lie or the dispelling of any notion of mystery connected to sin is integral to salvation and the reconstructing of the Subject in Christ While the lie of sin is mediated by the law new life in the Spirit is not through the law but is a principle unto itself which though it accounts for the law is beyond the law Theological Dictionary of the New Testament, Volume VI Gerhard Kittel,Geoffrey William

Reclaiming the Bible from the Enlightened Doug McNaught, 2007-11 Should Christians concede ground as far as the Bible is concerned Do the enlightened experts have a mortgage on the truth or can Christians simply believe the Bible in confidence Reclaiming the Bible from the Enlightened gives each Christian confidence to believe and obey the Bible knowing that they are remaining true to their own God and Saviour We don't have to give ground to unbelievers or feel that our minds are inferior Your Glory Philip Powers, 2020-12-15 Like the blind men who touched different parts of the elephant and thought they knew the whole we touch just a piece of God's glory and think we know what it is But we can't agree with each other so we must not know Or we try to wrap it up in one big idea God is great full of splendour But does that help Moses asked God Show me your glory And God shouts to be known Yet just like the boy in The Emperor's New Clothes a voice inside me cries out I don't see it There must be more Do you see and understand God's glory If we did we would be terrified undone never the same And I long for you to know it that way too This study examines every use of the key words used for glory in the Old Testament and the New We will see the lie about glory that changed everything Yet the truth about glory is both dangerous and good It binds us to God in an indivisible eternal bond It is our identity and purpose for being It gives to us a magnificent burden that is just the beginning of seeing and knowing glory **Neotestamentica**, 2005 Vols for 1967 1968 1971 1983 constitute Proceedings of the meeting of Die Nuwe Testamentiese Werkgemeenskap van Suid Afrika
