Murphy, 2012-08 Systematic theology for laymen in the form of a catechism is the format of this book It is a search for divine truth and theological integrity More importantly it is an explanation of the Christian faith John Calvin said When Divine Truth is avowedly attacked we must not tolerate the adulteration of one single iota of it It is certainly not a trivial matter to see God's light extinguished by the devil's darkness and besides this matter is of greater moment than many suppose Nor is it true as they allege that he who does not acquiesce in the errors of others shows deadly hate by dissenting from them Calvin's principle argument is as true today as it has been throughout the history of the church Calvin was far more ambitious than we might anticipate in the church today Theological integrity is as important today as it was five centuries ago Theological integrity may be summarized by a belief system that works out consistently based on the Word of God If your creedal statement is the result of your understanding of the full counsel of God then your theological integrity will be demonstrated in human experience It was theological integrity that brought Jesus to the point of a deadly confrontation with the right winged conservative religious leaders of his day This book is a summary of Christian doctrine based on the doctrine of the full counsel of God **Saint Mary's Press Glossary of Theological Terms** John T.
