There Is Eternal Life For Animals:

There is Eternal Life for Animals Niki Behrikis Shanahan, 2002 A book proving through Bible scriptures that God is providing eternal life for animals I have just finished reading the book and feel that it was well done May the Lord bless you Rev Dr Jack Van Impe World Renowned Theologian Jack Van Impe Ministries International Troy Michigan There Is Eternal Life for Animals focuses on so many Scriptures which plainly deal with and include animals showing that God does have a plan for animals and just as Noah was commanded by God to provide for the saving of the animals from the flood so Christians can expect Christ's much greater redemption to include all the incredibly diverse animals which the Lord has created Rev Dr Peter Hammond Founder Director of Frontline Fellowship Cape Town South Africa Table of Contents Chapter 1 Introduction Chapter 2 God's Relationship With The Animals Chapter 3 How Much Do The Animals Know Chapter 4 Animals In Heaven Chapter 5 Animals Have Souls And Spirits Chapter 6 Restoration Restitution And Eternal Life Chapter 7 Eye Witnesses Of Animals And Pets In Heaven Chapter 8 Noah A Foreshadowing Of Jesus Chapter 9 Misinterpretations Chapter 10 Praying For Animals Chapter 11 Personal Experience Chapter 12 Eternal Life For People Animals in Heaven Arch Stanton, 2004 Animals have been with us since the state of existence or being The bible tells us God created the animal kingdom for his pleasure When God created the heaven and earth and all life that exist he obviously saw a need for animals or they would not be here Why God created them in the shapes and forms as they were we do not know the choice was his and as I mentioned He chose to do so in a way that pleases him Animals have a mind that gives them the ability to think and have feelings Animals have a certain intelligence we do not possess such as an internal guidance system Both dogs and cats have this ability and I would imagine there are other animals as well God created everything with a purpose and a need the animals kingdom is one such example Many people believe God's purpose for animals is to serve humankind and upon death they are to perish with no possible chance for eternal life However does the bible teach this In the first chapter of the book of Genesis the bible tells us God considered the animals a creation that was very good he was pleased with them Many people consider the life of an animal as having a very small worth To them an animal just lives and dies Many people have the attitude of so what The bible tells us God doesn't care for an attitude such as this because he values the life of his animals very much Throughout the entire bible the information found pertaining to the animal kingdom is very precise The bible tells us the animals are to be forever God had this intention when he created them and this application of thought remains today and forever The bible never mentions mankind alone is to receive eternal life How different would our lives be without animals There would be no pets for those who are lonely and without family There would be no zoos for family outings There would be no circus acts with animals There would be no dog as a best friend There would be no Seeing Eye dogs There would be no animals to alert their owners of an ever present danger during the night such as fires burglars etc I believe we simply overlook the fact there is a purpose for all of God's creatures The purpose for this book is to reveal the truth in what the bible tells about the animal

kingdom We need to know God's purpose for them The bible explains in detail God's plan for his animals even after death God wants us to know about them or he would never have emphasized their importance in his word Many people are reluctant to discuss the animal kingdom from a biblical point of view I find this strange to say the least God has included them in his written word but many ministers will say very little if anything about them The scriptures in this book are from the King James Bible What the bible tells us is 100% accurate and lest we never forget God simply made no mistakes in his word The bible is never contradictory We will read scriptures that clearly explain that animals will be in heaven and why God wants them to be there with us If we had the power to give our pet's eternal life would we want the life of our animals to be temporal If God loves his animals more than we could ever love them shouldn't this type of love indicate his love for them is tremendous Since we know God can give animal's eternal life could be there any single reason to give them life that would be only temporary First we should know the bible is not dull dismal or neutral The bible is not an area between two extremes having mingled characteristics of both of them a situation in which there are no clear cut distinctions The interpretations of scriptures have been defined several ways over the years and this has caused confusion in many churches We will read scriptures about the animal kingdom that many of you may not know are in the bible We will read scriptures that are clearly stated to mean one thing and one thing only and that is Animals are to be in heaven By **THE CASE FOR EVERLASTING LIFE** Jimmie Chapman, 2018-05-21 Is death the end of the road for us as many people believe Or do we continue to live in a state of existence where we are aware and perceptive of our surroundings Christianity is the only religion that promises mankind hope for everlasting life where the soul and body live on in a glorified state with the Creator and under his loving care The Holy Bible reveals some wonderfully intriguing and little known facts about life Author Dr Jimmie Chapman builds a convincing case for everlasting life in this book He gives biblical proof of the preexisting life clearly states our purpose for the present life and with equal clarity he defines our destiny in the afterlife This book is filled with scriptural support and would make an excellent resource for a Bible study on everlasting life The Two Kinds of Life E. W. Kenyon, 2025-07-15 The Two Kinds of Life Discover the Lost Truth that Jesus Came to Give Us explains how to receive eternal life through Christ *The Greatest Animal Lover* Bo Brink, 2019-11-13 The power speed flight beauty and tenderness of animals fascinate us We cherish them but our appreciation pales in comparison with the love and admiration of their Creator In *The Greatest Animal Lover* we explore the following questions How much does God love animals How can we know How does His love for animals help us understand our fascination with them The Laws of Life, 1887 **Love for Animals and how it Developed in Great Britain** Dix Harwood, 1928 The Unitarian Jabez Thomas Sunderland, Brooke Herford, Frederick B. Mott, 1894 **Our Dumb Animals** George Thorndike Angell, 1922 *Eastern Orthodox Christianity and Animal Suffering* Christine Nellist, 2018-10-25 This book is the first academic work in Eastern Orthodox theological literature on the subject of animal suffering and human soteriology It represents a natural progression of the contemporary Eastern Orthodox academic

debate on the environment and will be of interest not only to academic scholars in theology religion philosophy and ethics but also to the wider Christian and secular communities Using Biblical and Patristic teachings together with new social science research and contemporary science it presents arguments that animal suffering is against God s Will and that the abuse or misuse of animals or indifference to animal suffering will result in negative consequences for human salvation The book posits a revisionist interpretation of the Noahic narrative when addressing the challenging question of why God allows the dispensation of animals as food and offers compelling arguments on why the contemporary animal food production industries and animal testing model should be rejected
