Stella, the giraffe, came to a new jungle for a vacation. She was different than all the other animals. She had a long neck. Nobody in the jungle had ever seen such a long neck. Stella felt very different and weird, so she never stepped out to play. She started feeling lonely.

Then she met Aster, the lovely sparrow. Aster knew everyone in the jungle. She was friendly and polite. When she saw Stella sitting alone at the pond, she went to her and asked her why she was sitting all alone.

When Stella told her the reason, Aster laughed and said, "We are all different. That does not mean that we are weird. Difference makes us unique!" From that day, Stella and Aster became the best of friends.
