Track Changes And White Lies:

White Lies Witi Ihimaera, 2013-06-07 A powerful prize winning novella from the much loved author of *The Whale Rider* plus a moving screenplay film stills and commentary on writing and movie making A medicine woman a giver of life is asked to hide a secret that may protect a position in society but could have fatal consequences When she is approached by the servant of a wealthy woman three very different women become players in a head on clash of beliefs deception and ultimate salvation This compelling story tackles moral dilemmas exploring the nature of identity societal attitudes to the roles of women and the tension between Western and traditional Maori medicine This book though is also about the richness of creativity illustrating the way a single story can take on different lives The original novella *Medicine Woman* has been rewritten and expanded by Witi Ihimaera to become *White Lies* It has also evolved into a screenplay by internationally acclaimed director and screenwriter Dana Rotberg which has been made into a superb film by South Pacific Pictures Thus this book offers an intriguing insight into the process of adapting work as well as offering new versions of this potent story Nga Kupu Ora Aotearoa Maori Book Awards 2013 winner of the Te Pakimaero Fiction category *Tiny White Lies* Fiona Palmer, 2020-07-28 Two families escape the rat race to holiday at a remote coastal retreat but what lies are they telling themselves and each other The new family drama by beloved Australian storyteller Fiona Palmer Ashley has recently lost her husband Daughter Emily is being bullied online Best friend Nikki is holding a huge secret And why is husband Chris receiving so many text messages lately Their teenage children are glued to technology be it PlayStation YouTube Instagram Snapchat The two women hatch a plan for three weeks both families will stay in a rustic remote coastal camp with no phone reception While the teenagers struggle to embrace this new world of self entertaining in the rugged bushland the adults are trying to maintain a certain facade Soon around the flames of the camp fire their tiny white lies might just begin to be exposed Praise for Fiona Palmer There s an honesty to Palmer s characters that transports you into the heart of their worlds Australian Women s Weekly It s a story about family female empowerment and matters of the heart Woman s Day Her books are tear jerkers and page turners Sydney Morning Herald Fiona Palmer just keeps getting better RACHAEL JOHNS Contains BONUS extracts from Fiona s Top Ten bestseller *SECRETS BETWEEN FRIENDS* and recent bestseller *THE LONG WEEKEND* **Outliving the White Lie** James Wiggins, 2024-01-30 Part history part memoir *Outliving the White Lie* A Southerner s Historical Genealogical and Personal Journey charts conflicting narratives of American and southern identity through a blend of public family and deeply personal history Author James Wiggins who was raised in rural Mississippi pairs thorough historical research with his own lived experiences *Outliving the White Lie* looks squarely at the many untruths regarding the history and legacy of race that have proliferated among white Americans from the misrepresentations of Black Confederates to the myth of a postracial America Though the US was ostensibly established to achieve freedom and shrug off an oppressive English monarchy this mythology of the United States founding belies a glaring paradox that this is a country

whose foundation depends entirely on coercion and enslavement How then could generations of decent people people who valued individual liberty and personal autonomy coexist within and alongside such a paradox Historians suggest an answer that these apparently dissonant points of view were reconciled in antebellum America by white citizens learning to live with slavery by learning to live a lie The operative lie throughout American history and the lie underpinning the institution of slavery they argue has always been the fallacy of race deliberately propagated tenets asserting skin color as the preeminent marker of identity and value Wiggins takes accepted delusions to task in this moving reconciliation of southern living
