Porcupine County Henry Kisor, 2015-03-07 PORCUPINE COUNTY gathers together in an omnibus edition the first three novels in the much praised Steve Martinez series set in the wilderness of Upper Michigan The first is about murder by bear the second about homicide and drugs deep in an underground copper mine and the third concerns a grisly and deadly game played with human bodies He really hooks us with his whimsy free descriptions of life from wedding dances and town hall debates to the dead end future seen in the eyes of a high school dropout in this beautiful but economically depressed region wrote Marilyn Stasio about SEASON'S REVENGE in her New York Times Book Review mystery column Steve Martinez is an intriguingly flawed protagonist and the claustrophobic everybody knows all my secrets paranoia of rural small town life is unerringly portrayed Wes Lukowsky said of A VENTURE INTO MURDER in Booklist Roger Ebert the Pulitzer Prize winning film critic wrote of CACHE OF CORPSES Add Henry Kisor's deputy sheriff Steve Martinez to

the list with Lew Archer and Travis McGee Kisor's riveting plot weaves together computer gamesmanship gruesome forensics local politics wary romance and inherited Indian instincts into a terrifically readable thriller Couldn't put it down

Season's Revenge Henry Kisor, 2016-09-09 Season's Revenge the first in the Upper Peninsula of Michigan mystery series featuring Steve Martinez begins during the weeks before Christmas Big events are stirring for Lakota born deputy sheriff Steve Martinez The normally sleepy town of Porcupine City on the southern shore of Lake Superior is uncharacteristically alive with activity after the body of one of its most respected and powerful residents Paul Passoja turns up at a forest campsite the victim of what appears to be a bear attack From the moment he arrives on the scene things just don't add up for Steve Why would Passoja a

skilled camper and hunter be careless enough to scatter bacon grease near his tent Led by curiosity Steve begins an unofficial investigation of the mishap only to discover that the random animal attack might not be so random after all It seems that quite a few people in town had reason to do in Passoja but the evidence points to no one in particular The more Steve investigates the deeper he sinks into a mystery as old as the town itself The seemingly peaceful forest haven was once a hotbed of treachery and ill will only ripens with age As he gets closer to the murderer Steve learns the hard way that whoever killed Paul Passoja is more than willing to kill again But Steve s Native American ancestors never were ones to fold and neither is he Season s Revenge was a 2003 BookSense 76 pick by independent booksellers around the country
