How to Set Up and Manage a Corporate Learning Centre Samuel A.

Malone,2016-04-29 Few corporate initiatives of the last ten years have been more influential in the development of a learning

culture at work than the corporate learning centre The first edition of Sam Malone s book quickly established itself as the

definitive concise guide to best practice The second edition reflects the lessons learned since that time along with the

developments in learning technology Setting up and sustaining a successful centre involves strategic skills such as planning

and championing technical skills including budgeting marketing and evaluation and the people skills of communicating

influencing and managing change There are chapters in the book for all the stakeholders involved including the learners

themselves How to Set Up and Manage a Corporate Learning Centre offers definitive advice on all of these areas Sam

Malone demystifies what is a difficult expensive and long term project for any organization Introduction to Programming
