

VLADIMIR NABOKOV

A Tribute

Edited by Peter Quennell

Vladimir Nabokov A Tribute His Life His Work His World

Gerard Vries, Donald Barton Johnson

Vladimir Nabokov A Tribute His Life His Work His World:

Vladimir Nabokov, His Life, His Work, His World Peter Quennell,1980 **Vladimir Nabokov : a Tribute : His Life, His Work, His World** p. editor Quennell,1979 **Vladimir Nabokov** David Rampton,1993-07-13 Vladimir Nabokov considers the novelist's aesthetic precepts and practice and the distinctive character of his work and the book also gives consideration of his fiction in the larger context of the modernist and postmodernist enterprise It analyses the importance of the novels challenges to all sorts of aesthetic and moral presumptions including some of Nabokov's own Readers are thus encouraged to draw their own conclusions about the issues raised in Nabokov's work The Humour of Vladimir Nabokov Paul Benedict Grant,2024-09-30 The first in depth study of Vladimir Nabokov's humour investigating its physical aspects such as farce slapstick sexual and scatological humour Offers the first in depth study of Nabokov's humour Presents a revisionist reading of Nabokov Examines the metaphysical aspects of Nabokov's humour Examines the sexual and scatological aspects of Nabokov's humour Applies humour theory e.g. those of Hobbes Bergson Freud to Nabokov's texts Compares Nabokov's humour to that of his Russian predecessors e.g. Pushkin Gogol Chekhov and to literary humourists such as Rabelais Swift Joyce Many critics classify Vladimir Nabokov as a highbrow humourist a refined wordsmith overly fond of playful puzzles and private in jokes whose art appeals primarily to an intellectually sophisticated readership This study presents a more balanced portrait placing equal emphasis on the broader earthier humour that is such a marked feature of Nabokov's writing which draws on the human body and all things physical for its laughs sex and scatology farce and slapstick Moving between the metaphysical and the physical the cosmic and the comic mind and matter it presents Nabokov as a writer at home in both high and low forms of humour a comedian who is capable of producing as many belly laughs as brainteasers and of appealing to a much wider readership than is commonly supposed *Vladimir Nabokov and the Art of Painting* Gerard de Vries,Donald Barton Johnson,2006 Studie van de verwijzingen naar beeldende kunst in het werk van de Russisch Amerikaanse schrijver 1899 1977 **Reading Vladimir Nabokov: 'Lolita'** John Lennard,2008-01-01 An illuminating study of Vladimir Nabokov's controversial novel with special attention to its film versions From its first publication in 1955 Nabokov's *Lolita* has been denounced as immoral filth hailed as a moral masterpiece and both praised and damned Vladimir Nabokov Alan Levy,2015-09-29 The Velvet Butterfly is the third in a series of introductions to some of our major literary figures by the noted cultural journalist and foreign correspondent Alan Levy *The Biography Book* Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A.E.'s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and

recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals

Nabokov and the Art of Painting Gerard Vries, Donald Barton Johnson, 2025-10-01 Vladimir Nabokov was one of the greatest novelists of the previous century and his mastery of English and Russian prose is unequalled Nabokov had originally trained to become a painter and shared Marc Chagall's tutor in Paris In *Nabokov and the Art of Painting* the authors demonstrate how the art of painting is interwoven with the narratives His novels which refer to over a hundred paintings show a brilliance of colours and light and dark are in a permanent dialogue with each other Following the introduction describing the many associations Nabokov made between the literary and visual arts several of his novels are discussed in detail *Laughter in the Dark* *The Real Life of Sebastian Knight* *Invitation of a Small Creature* *Lolita* *Pale Fire* and *Invitation of a Small Creature* Separate chapters are devoted to Leonardo da Vinci and Hieronymus Bosch as Nabokov had a special appreciation for both painters The authors show how the pictorial gave an extra depth to the great themes of love and loss in Nabokov's work

Russian Postmodernist Fiction

Mark Lipovetsky, Eliot Borenstein, 2016-09-16 This text offers a critical study of postmodernism in Russian literature It takes some of the central issues of the critical debate to develop a conception of postmodern poetics as a dialogue with chaos and places Russian literature in the context of an enriched postmodernism

Understanding Vladimir Nabokov

Stephen Jan Parker, 1987 *Nabokov in America* Robert Roper, 2016-12-13 Born to an eminent Russian family Vladimir Nabokov came to America fleeing the Nazis and remembered his time here as the richest of his life Indeed his best work flowed from his response to this storied land With charm and insight Robert Roper fills out this period in the writer's life his friendship with Edmund Wilson his time at Cornell his role at Harvard's Museum of Comparative Zoology But Nabokov in America finds its narrative heart in his and his family's serial sojourns into the West Roper has mined fresh sources to bring detail to these journeys and traces their significant influence in Nabokov's work on two lane highways and in late 40s motels and cafés we feel *Lolita* draw near and understand Nabokov's seductive familiarity with the American mundane Nabokov in America is also a love letter to U.S. literature in Nabokov's broad embrace of it from Melville to the Beats Reading Roper we feel anew the rich learning and the Romantic mind behind some of Nabokov's most beloved books

Nabokov, History and the Texture of Time Will Norman, 2012 This book argues that the apparent evasion of history in Vladimir Nabokov's fiction conceals a profound engagement with social and therefore political temporalities While Nabokov scholarship has long assumed the same position as Nabokov himself that his works exist in a state of historical exceptionalism this study restores the content context and commentary to Nabokovian time by reading his American work alongside the violent upheavals of twentieth century ideological conflicts in Europe and the United States This approach explores how the author's characteristic temporal manipulations and distortions function as a defensive dialectic against history an attempt to salvage fiction for autonomous aesthetics Tracing Nabokov's understanding of the relationship between history and aesthetics from nineteenth century

Russia through European modernism to the postwar American academy the book offers detailed contextualized readings of Nabokov's major writings exploring the tensions fissures and failures in Nabokov's attempts to assert aesthetic control over historical time In reading his response to the rise of totalitarianism the Holocaust and Cold War Norman redresses the commonly expressed admiration for Nabokov's heroic resistance to history by suggesting the ethical aesthetic and political costs of reading and writing in its denial This book offers a rethinking of Nabokov's location in literary history the ideological impulses which inform his fiction and the importance of temporal aesthetics in negotiating the matrices of modernism

Encyclopedia of the Novel Paul Schellinger, 2014-04-08 The Encyclopedia of the Novel is the first reference book that focuses on the development of the novel throughout the world Entries on individual writers assess the place of that writer within the development of the novel form explaining why and in exactly what ways that writer is important Similarly an entry on an individual novel discusses the importance of that novel not only from analyzing the particular innovations that novel has introduced and the ways in which it has influenced the subsequent course of the genre A wide range of topic entries explore the history criticism theory production dissemination and reception of the novel A very important component of the Encyclopedia of the Novel is its long surveys of development of the novel in various regions of the world *Reference Guide to Russian Literature* Neil Cornwell, 2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public **Nabokov's Eros and the Poetics of Desire** M. Couturier, 2014-06-03 Nabokov gained international fame with *Lolita* a highly erotic and morally disturbing novel Through its comprehensive study of the amorous and sexual behaviors of Nabokov's characters this book shows how Eros both as a clown or a pervert contributes to the poetic excellence of his novels and accounts for the unfolding of the plots **Nabokov, Perversely** Eric Naiman, 2011-01-15 In an original and provocative reading of Vladimir Nabokov's work and the pleasures and perils to which its readers are subjected Eric Naiman explores the significance and consequences of Nabokov's insistence on bringing the issue of art's essential perversity to the fore Nabokov's fiction is notorious for the interpretive panic it occasions in its readers the sense that no matter how hard he or she tries the reader has not gotten Nabokov right At the same time the fictions abound with characters who might be labeled perverts and questions of sexuality lurk everywhere Naiman argues that the sexual and the interpretive are so bound together in Nabokov's stories and novels that the reader confronts the fear that there is no stable line between good reading and overreading and that reading Nabokov well is beset by the exhilaration and performance anxiety more frequently associated with questions of sexuality than of literature Nabokov's fictions pervert their readers obligingly training them to twist and turn the text in order to puzzle out its meanings so that they become not better people but closer readers assuming all the impudence and potential for shame that sexually oriented close looking entails In *Nabokov Perversely* Naiman traces the connections between sex and interpretation in *Lolita* which he reads as a

perverse work of Shakespeare scholarship Pnin Bend Sinister and Ada He examines the roots of perverse reading in The Defense and charts the enhanced attention to the connection between sex and metafiction in works translated from the Russian He also takes on books by other authors such as Reading Lolita in Tehran that misguidedly incorporate Nabokov's writing within frameworks of moral usefulness In a final extraordinary chapter Naiman reads Dostoevsky's The Double with Nabokov trained eyes making clear the power a strong writer can exert on readers

The Unresolvable Plot Elizabeth Dipple, 2019-10-01 Originally published in 1988 the last few decades had seen the appearance of some brilliant and complex new kinds of fiction The ambitious experiments of writers such as Greene Garcia M rquez Borges Nabokov Calvino Beckett Eco Spark Hoban Murdoch Bellow Ozick and Lessing among others had all proved the vitality of contemporary fiction in discovering exciting new forms and styles Yet because of the difficulty of many of the texts contemporary fiction as a genre had acquired an undeservedly unpopular reputation among students and other readers In a very real way the reader had become nervous rather than confident in the face of a literature that in fact is more aware of and generous to that reader than earlier and more apparently accessible literature ever managed to be And the new fiction's seeming remoteness from the reader is exaggerated in a sense by the critical academic response at the time which tended to obscure the texts themselves behind the many aesthetic and cultural theories which had sprung up in the study of fictionalizing or narrativity in general Elizabeth Dipple is anxious to dispel readers' fears about these texts She has chosen an international list of major writers of the time and presents a detailed discussion of each Beginning each chapter with a brief explanation of the context in which each fictionist is to be examined she then concentrates on an analysis of key texts aiming always to look beyond jargon and theory back to the sources themselves Professor Dipple's purpose was to convey to the reader some of her own admiration and enthusiasm for contemporary fiction and to persuade him or her to take a fresh look at a group of writers who were producing what she felt would surely be seen by future generations as among the most sophisticated and accomplished fiction of our time

Taking Stock - Twenty-Five Years of Comparative Literary Research , 2019-10-29 Read an interview with Norbert Bachleitner In this 200th volume of Internationale Forschungen zur Allgemeinen und Vergleichenden Literaturwissenschaft the editors Norbert Bachleitner Achim H H lter and John A McCarthy take stock of the discipline It focuses on recurrent questions in the field of Comparative Literature What is literature What is meant by comparative Or by world What constitute transgressions or refractions What ultimately does being at home in the world imply When we combine the answers to these individual questions we might ultimately reach an intriguing proposition Comparative Literature contributes to a sense of being at home in a world that is heterogeneous and fractured rather than affirming a monolithic canon marked by territory and homogeneity The volume unites essays on world literature literature in the context of the history of ideas comparative women and gender studies aesthetics and textual analysis and literary translation and tradition

Nabokov's Canon Marijeta Bozovic, 2016-05-31 Nabokov's translation of Pushkin's Eugene Onegin 1964 and its

accompanying Commentary along with *Invitation of a Bearded Man* 1969 his densely allusive late English language novel have appeared nearly inscrutable to many interpreters of his work If not outright failures they are often considered relatively unsuccessful curiosities In Bozovic's insightful study these key texts reveal Nabokov's ambitions to reimagine a canon of nineteenth and twentieth century Western masterpieces with Russian literature as a central rather than marginal strain Nabokov's scholarly work translations and lectures on literature bear resemblance to New Critical canon reformations however Nabokov's canon is pointedly translingual and transnational and serves to legitimize his own literary practice The new angles and theoretical framework offered by Nabokov's Canon help us to understand why Nabokov's provocative monuments remain powerful source texts for several generations of diverse international writers as well as richly productive material for visual cinematic musical and other artistic adaptations

When somebody should go to the book stores, search start by shop, shelf by shelf, it is in reality problematic. This is why we allow the book compilations in this website. It will very ease you to see guide **Vladimir Nabokov A Tribute His Life His Work His World** as you such as.

By searching the title, publisher, or authors of guide you in fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best area within net connections. Vladimir Nabokov A Tribute His Life His Work His World Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Vladimir Nabokov A Tribute His Life His Work His World PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals

fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Vladimir Nabokov A Tribute His Life His Work His World PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Vladimir Nabokov A Tribute His Life His Work His World free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Vladimir Nabokov A Tribute His Life His Work His World Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Vladimir Nabokov A Tribute His Life His Work His World is one of the best book in our library for free trial. We provide copy of Vladimir Nabokov A Tribute His Life His Work His World in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Vladimir Nabokov A Tribute His Life His Work His World. Where to download Vladimir Nabokov A Tribute His Life His Work His World online for free? Are you looking for Vladimir Nabokov A Tribute His Life His Work His World PDF? This is

definitely going to save you time and cash in something you should think about.
