*Speaking With One Voice* Chantal Benoit-Barné,Thomas Martine,2021-09-23 This book explores the dynamics and challenges that underlie the ability of organizations to speak with one voice Contributions by experienced and emerging scholars shed light on the nature and regulation of the communication processes whereby the many and diverse voices of a collective can unite act and speak as a distinct entity thus contributing

to its organizing By focusing on communicational events whether in the context of for profit and non profit organizations political protests or social movements chapters guide the reader through the diverse manifestations and concrete ways of dealing with the imperative for organizations of all kinds to speak with one voice In doing so the book creates bridges between different perspectives with regard to the notion of voice and its significance for the study of organizing between fields of study and between theory and empirical research aimed at investigating organizing beyond the boundaries of the formal organization Offering a thorough and comprehensive investigation of the dynamics between multivocality and univocality in the organizing of various collectives this book will be an important resource for scholars and students of organizational communication management studies media studies and rhetorical studies

**Young People's Voices in Physical Education and Youth Sport** Mary O'Sullivan, Ann MacPhail, 2010-07-12 How do children and young people experience and understand sport and physical activity What value do they attach to physical education and physical literacy This book demonstrates how we can better understand the perspectives of young people and how teachers and coaches can respond to and engage with the voices of young people

**Voices from Nubia** Amal Mazhar, Faten I. Morsy, Mona M. Radwan, 2024-08-01 The Nubians the largest ethnic community in Egypt saw their ancestral homelands disappear beneath the waters of the Nile from the dawn of the 20th century through to 1964 The massive displacement of this population has been the subject of numerous literary works by Nubian writers who seek to save their heritage from oblivion and to preserve their Nubian collective memory Despite the renewal of socio political interest in Nubia in post 2011 Egypt the authors of Voices from Nubia all non Nubian Egyptians claim that art in general and literature in particular remain the domain in which the problematics of what has been called the Nubian Question can be primarily vocalized Only through a thorough reading and analysis of the literary output of Egyptian Nubians can the complexities of Nubia its people and culture can find full expression The rich literary heritage of contemporary Nubian literature allows for a multiplicity of critiques that makes possible a reading of this literature that crosses the borderlines between literature history geography politics gender and ethnicity The diversity of themes and tropes in Voices from Nubia reflects a hallmark of Nubian literary output which is generally marked by a common feeling of solidarity around the Nubian cause The array of critical studies included in the volume s eight chapters covers a multiplicity of approaches cultural postcolonial ecofeminist and critical race theory Voices from Nubia constitutes an attempt to go beyond the dichotomy between the activist Nubian writer who views the Nubian Question as a human rights issue and Arab Egyptian nationalists who consider the discussion of Nubians as a distinct ethnic group or minority a threat to societal cohesion and national security The editors conclude the book with interviews with three Egyptian Nubian writers belonging to different generations and expressing different positions with regards to the Nubian Question It is thus hoped that this book will introduce the English speaking reader to the rich tradition of contemporary Nubian literature from Egypt written in Arabic On the other hand the book also forces the Egyptian Arab reader to question

some of the most cherished assumptions and ingrained ideas about the nature of culture history and identity As such *Voices from Nubia* has far reaching implications for how we think about the diverse nature of our societies and nations *Hearing Voices* Simon McCarthy-Jones, 2012-04-05 A comprehensive exploration of the history phenomenology meanings and causes of hearing voices that others cannot hear auditory verbal hallucinations **Voices** Juan Fernando Botero-Garcia, Kathryn Vincent, 2011-07-12 *Voices* Postgraduate Perspectives on Inter disciplinarity was created out of a compilation of papers presented at the University of Aberdeen s annual College of arts and Social Sciences Postgraduate Conference more widely known as Moving Forward This conference reached its sixth year in 2009 Both the conference and proposed collection incorporate the colleges of Divinity History and Philosophy Education Language and Literature Law Social Sciences Music and Business Moving Forward is an annual event sponsored by the College of Arts and Social Sciences University of Aberdeen and the Roberts Fund Given the variety of papers received for and the number of disciplines involved in this project it was deemed that a theme of voice would be particularly appropriate This theme attempts to incorporate the interdisciplinary approach taken both within the selection of papers and within the papers themselves Voice is approached in a variety of manners not only referring to the sound produced from the human vocal cords or the literary tool of an author but also through the works of a musical artist or by using unique research methods to understand the perspectives of those lacking a public voice This work seeks to demonstrate an entire range of what voices may do and how they are experienced

Finding Your Voice in Radio, Audio, and Podcast Production Rob Quicke, 2023-12-19 This book provides a unique identity centered approach to radio audio and podcast production which encourages readers to build their confidence and create audio content that matters to them Written for those just starting out in audio production and focusing on the process of their self development readers will learn how to use sound to express themselves in a variety of ways and to create powerful stories in the process all with the tools already available to them At the centre of this approach is the author s R E A L method referring to the creation of audio that is relatable engaging authentic and liberating Students will learn to apply this concept to each step of the production process from planning and writing through to interviewing broadcasting and responding to feedback By the end of this book readers will have developed a working knowledge of podcast audio and radio production alongside their own means of self expression Supported by exercises and interviews with audio practitioners throughout *Finding Your Voice in Radio Audio and Podcast Production* is a key resource for anyone approaching radio audio or podcasting for the first time A supporting companion website with Instructor and Student Resources is available at [www.robquicke.com](http://www.robquicke.com) *Troubling (Public) Theologies* Jione Havea, 2023-02-06 Theologies no matter their designations are public measures they disclose as well as gauge the publics near and far on which they stand sit lie or fall Because publics shift and mingle theologies require reimagining relocating and embracing fresh insights and energies The insights and energies embraced in this work are in three clusters spaces bodies and technologies The spotlighted spaces are in Africa Asia Black

America the Caribbean and Pasifika beyond the eyes of mainline theologies the privileged bodies have survived with scars from empire and missionary positionings and the welcomed technologies include Dalit indigenous art poetry cyborg and the novel This collection is troubling in several ways first reimagining and relocating are troubling acts upon their subject matter here public theologies On that note what theology is not public Second this work takes theologies in general and not just the theologies that carry the public designation to be public theologies Third this work takes theologies in general to be inherently troubling In other words theologies that are not troubling are not public enough

Values and Ethics in Mental Health Alastair Morgan, Anne Felton, Bill Fulford, 2015-11-02 Mental health is the one area of health care where people are often treated against their will with the justification that it is in their own interest This raises significant ethical questions and value dilemmas questions of autonomy human rights power and treatment An understanding of how values matter is of vital importance across all disciplines working within the mental health field This book provides a comprehensive and exploratory text for practitioners students and all those interested in developing a knowledge of both ethics and the wider framework of values based practice It is unique in being fully co written by authors representing both service user and service provider perspectives This exciting new text will enable the mental health practitioner to work more co productively with service users within a humane and just approach to care With an emphasis on rights based compassionate care throughout this book Tackles the issues of how mental health is understood through key theoretical debates about mental distress values and labelling Encourages readers to think critically about their understanding of key issues such as recovery autonomy power knowledge diagnoses and empathy Draws on a wide range of case examples and exercises to help readers deepen their knowledge of values based practice and ethics in mental health

stranded by the Second World War Another flees multiple revolutions to live the rest of his life in Rio de Janeiro Two others public about their sexuality at home choose self exile In Lost and Found Voices Luc Beaudoin offers a critical engagement with these four displaced authors Witold Gombrowicz Valerii Pereleshin Abdellah Ta a and Slava Mogutin Not quite fitting into their respective diasporas and sharing an urge to express their queer desires it is in their published works of literature film and photography that these writers locate their shifting identities and emergent queer voices Their artistry is the basis from which Beaudoin traces their expressions of desire in language culture and community offering a contextual queer reading that navigates their linguistic cultural artistic and sexual self translations and self portrayals Their choices are determinative Gombrowicz masked his attraction to men in his works keeping the truth hidden in an intimate diary Pereleshin explored his lust in Brazilian Portuguese after being shunned by the Russian diaspora Ta a writes in French to destabilize both the language and his status as an immigrant in France Mogutin becomes a hardcore gay rebel in word and image to rattle assumptions about gay life Bringing authors generally not familiar to an English speaking readership into one volume and including Beaudoin s own experience of living between languages Lost and Found Voices provides provocative insights into what it means to be gay in both the past and the present **Envisioning a Critical Race Praxis in K-12**

**Education Through Counter-Storytelling** Tyson E.J. Marsh,Natasha N. Croom,2016-08-01 While critical race theory is a framework employed by activists and scholars within and outside the confines of education there are limited resources for leadership practitioners that provide insight into critical race theory and the possibilities of implementing a critical race praxis approach to leadership With a continued top down approach to educational policy and practice it is imperative that educational leaders understand how critical race theory and praxis can assist them in utilizing their agency and roles as leaders to identify and challenge institutional and systemic racism and other forms manifestations of oppression Stovall 2004 In the tradition of critical race theory we are charged with the task of operationalizing theory into practice in the struggle for and commitment to social justice Though educational leaders and leadership programs have been all but absent in this process given their influence and power educational leaders need to be engaged in this endeavor The objective of this edited volume is to draw upon critical race counter stories and praxis for the purpose of providing leaders in training and practicing K 12 leaders with tangible narratives that demonstrate how racism and its intersectionality with other forms of oppression

manifest within K 12 schooling An additional aim of this book is to provide leaders with a working knowledge of the central tenets of critical race theory and the tools that are required in recognizing how they might be complicit in the reproduction of institutional and systemic racism and other forms of oppression More precisely this edited volume intends to draw upon and center the lived experiences and voices of contributors that have experienced racism in K 12 schooling Through the use of critical race methodology and counter storytelling Sol rzano Yosso 2002 contributors will share and interrogate their experiences while offering current and future educational leaders insight in recognizing how racism functions within institutions and how they can address it The intended goal of this edited volume is to translate critical race theory into practice while emphasizing the need for educational leaders to develop a critical race praxis and anti racist approach to leadership

*The Double Voice of Her Desire* ,2019-05-21 To the attentive listener women s texts speak with a double voice Women are quite capable of telling a conventional story reflecting the expectations of the dominant culture However at the same time they tell their own muted story Such stories are fragments of resistance and anyone who has experience of living on the margins can track them down Such was the view of Fokkelien van Dijk Hemmes 1943 1994 This is a comprehensive collection of the late scholar s groundbreaking work in feminist biblical interpretation in English translation The essays document Van Dijk Hemmes development and show how her work relates to contemporary developments in feminist thinking There is a Foreword by Mieke Bal an in memoriam by Athalya Brenner and an overview of van Dijk Hemmes extensive output of books and articles completes the volume Fokkelien van Dijk Hemmes taught Women s Studies and Old Testament at the University of Utrecht Her pioneering work of feminist interpretation tragically cut short was highly influential both inside and outside the Netherlands Translated by David E Orton
