

Volkswagen MFD radio-navigation system.

Quick reference guide.

For initial information

Dear Driver

The Volkswagen Radio-Navigation system provides you with a simple and standardised operation of the comfort equipment radio and navigation in your vehicle as well as the optional equipment CD changer and TV tuner.

This quick reference guide is designed to acquaint you with selected standard options of this complex system. You will need to familiarise yourself with the important explanations and notes in the booklets *Radio-Navigation system MFD*, *Controls and Equipment* and *TV tuner* in order to make full use of the numerous options offered by the system.

We wish you safe, reliable and enjoyable motoring.

Volkswagen AG

1 On/Off and volume control.

Press on/off button

Adjust volume - turn button

Note: The volume for navigation system can be adjusted whilst directions are being spoken.

The directions can be repeated by pressing the Info button 7.

2 Current vehicle position storage key.

A location that you wish to visit at a later date can be stored whilst you are being navigated by the system. Press the button at the appropriate location in order to store it in the "flagged destination memory". This replaces the existing "flagged destination". See the navigation system working example to find out how to select the flagged destination memory.

3 Station keys 1-6.

Radio operation.

Each key can be preset to one station from each of the six channels, i.e. TP, FM, AM on preset levels 1 and 2.

To store a station: select the desired station with the rocker switch 8. Press one of the station buttons until the programme is muted and a signal tone is heard.

Recalling a stored station: briefly press the station key preset to the desired station.

CD operation.

Selecting a CD: briefly press the desired station key. Keys 1-6 are used to select the respective CD number in the CD changer magazine.

4 SCAN key.

Radio operation.

Press the button in order to briefly hear all stations that can be received in the selected waveband. To select a station press the key again while the station is being previewed.

CD operation.

Press the key again to hear the beginning of each track on the CD. To select a track press the key again while the track is playing.

5 AS/CD-MIX key.

Radio operation.

Automatically storing the 6 stations with the best reception in the area you are travelling through: Press the button for longer than 2 seconds in order to store the stations on the selected waveband - TP, FM or AM - on the station buttons 4 on memory level 2. The memory storage selection is kept on level 1.

Calling up a stored station: First press the AS button and then press the required station key.

CD operation.

Press the button in order according to the setting of the "Audio settings" - play the tracks (titles) of a CD or the CDs in the CD magazine in random order.
