Trafficking In Human Beings A Comparative Study Of The International Legal Documents:

Trafficking in Human Beings Ana Isabel Pérez Cepeda, Demelsa Benito Sánchez (jurist.), 2014 Trafficking in human beings has become one of the most serious problems of the international community Combating this phenomenon in an effective manner requires a comprehensive international approach of all countries Being aware of this several international organizations have launched a number of documents to fight against this phenomenon The most representative ones are the Protocol to Prevent Suppress and Punish Trafficking in Persons Especially Women and Children which supplements the United Nations Convention against Transnational Organized Crime 2000 the Council of Europe's Convention on Action against Trafficking in Human Beings 2005 and the EU Directive 2011/36/EU on combating trafficking in human beings and protecting its victims This book provides a comparative analysis of these legal documents and suggests a number of proposals in order to improve the international and national policies to combat this kind of criminality Subject International Law Criminal Law Human Rights Law Comparative Law

UN-ASEAN Coordination Guangyu Qiao-Franco, 2023-02-14 Despite the high frequency of their interactions the policy coordination process between the United Nations UN and the Association of Southeast Asian Nations ASEAN has been underexamined in global and regional governance and ASEAN studies literature To chart this important terrain this incisive book contributes to scholarship by investigating UN ASEAN policy coordination in the case of trafficking in persons TIP

Human Trafficking and Exploitation Belachew Gebrewold, Johanna Kostenzer, Andreas Th. Müller, 2017-09-22 Human trafficking is a serious human rights violation that leads to the gross exploitation of its victims who are coerced into forced labor and slavery across the globe As the current migration movement and refugee situation reaches crisis point in Europe the risk of human trafficking from the Mediterranean Sea through Italy into Central and Western Europe has become a critical emergency Focusing on human trafficking along this route into Europe this book discusses the systematic exploitation of victims and the subsequent violation of human rights within an international context providing an overview of the causes regulation and prevention of the issue Academic researchers practitioners and policy makers are brought together to provide both theoretical perspectives and practice based approaches for addressing the issue of human trafficking As well as scholarly contributions from experts in the field the book also includes experiences and strategies of policy makers and practitioners from governmental and non governmental organizations along with the real life scenarios and practice reports Human Trafficking and Exploitation should be considered essential reading for academics policy makers advocates and activists interested in preventing human trafficking and protecting human rights It will also be of interest to those with research interests within the broader themes of law politics and international relations and social and health policy

Routledge International Handbook of Human Trafficking Rochelle Dalla, Donna Sabella, 2019-09-19 According to the UNODC 2015 human trafficking HT is the fastest growing means by which people are enslaved the fastest growing international crime and one of

the largest sources of income for organized criminal networks. It profoundly impacts the physical and mental health of victims, their families and entire communities and is recognized as a crime against humanity. Despite burgeoning interest, education, research and advocacy efforts, a pinnacle handbook devoted to human trafficking and modern day slavery with global focus and multidisciplinary scope does not currently exist. The Routledge International Handbook of Human Trafficking was created to fill this resource gap. Divided into four sections, the Handbook offers the reader a comprehensive and fresh approach via a in depth analyses and opportunities for application through case studies, critical thinking questions and supplemental learning materials. b multidisciplinary linkages with disciplinary overlap across each of the four sections acknowledged and highlighted and c content experts representing multiple segments of society: academia, government, foundation, law enforcement and practice and global vantage points: Australia, Finland, Germany, Netherlands, South Africa, Thailand and the United States. Written by expert scholars, service providers, policy analysts and healthcare professionals, this Handbook is an invaluable resource for those already working in the field as well as for students in any discipline who want to learn or learn more about HT and modern day slavery.

Human Trafficking Under International and Tanzanian Law Nicksoni Filbert Kahimba, 2021-03-13. This book deals with the problem of human trafficking in Tanzania in the light of international law and considers human trafficking as both a criminal offence in Tanzania and a human rights violation within international law in general. The book broadens the reader's understanding of the subject of human trafficking and Tanzania's legal approach to the issue and allows the reader to grasp Tanzania's anti trafficking piecemeal efforts from the 1970s onwards, the reasons that made Tanzania ratify the Protocol to Prevent Suppress and Punish Trafficking in Persons Especially Women and Children supplementing the United Nations Convention against Transnational Organized Crime and Tanzania's National Assembly's deliberations regarding the enactment of the Anti Trafficking in Persons Act of 2008 and the impact those deliberations have had on the current legal framework of Tanzania. It provides a firsthand critical analysis of the Tanzania anti trafficking law, pointing out its strengths, weaknesses and areas for improvement in a comprehensive manner such as has never been attempted before. The book shares many tips and even insights on how to read and apply Tanzania's 2015 Anti Trafficking Regulations in relation to the main law harmoniously. It also offers complete instructions for common law practitioners, court personnel, researchers and other anti trafficking personnel on how to investigate and prosecute human trafficking, prevent trafficking both lawfully and from occurring as well as assist victims of human trafficking and protect their human rights. Nicksoni Filbert Kahimba is a doctoral researcher in the Faculty of Law of the Humboldt University in Berlin, Germany. The author also lectures at the School of Law of the University of Dar es Salaam in Tanzania. Specific to this book: Contains the only up to date critical analysis of the Tanzanian anti trafficking law in light of international law. Equips common law practitioners, court personnel, researchers and other anti trafficking personnel with basic principles on how to combat human trafficking effectively while also protecting the victims thereof. Simplifies a complicated picture of

human trafficking and its myriad aspects in respect to the Tanzanian anti trafficking legal and institutional framework This is Volume 27 in the International Criminal Justice Series

International Law and Power: Perspectives on Legal Order and Justice Kaiyan Homi Kaikobad, Michael Bohlander, 2009-10-23 Undoubtedly one of the paragons of public international law in contemporary times Colin Warbrick is truly held in high esteem by his peers at home and abroad His breadth of knowledge is reflected in a large number of scholarly works and in his appointment as a Specialist Adviser to the Select Committee on the Constitution of the House of Lords and as a consultant to both the Council of Europe and OSCE This festschrift celebrates on his retirement as Barber Professor of Jurisprudence at Birmingham University his extraordinary talent and academic career by bringing together a group of eminent judges practitioners and academics to write on international human rights international criminal justice and international order and security fields in which Professor Warbrick has left an indelible mark Sex,

Slavery and the Trafficked Woman Ramona Vijeyarasa, 2016-03-03 Sex Slavery and the Trafficked Woman is a go to text for readers who seek a comprehensive overview of the meaning of human trafficking and current debates and perspectives on the issue. It presents a more nuanced understanding of human trafficking and its victims by examining and challenging the conventional assumptions that sit at the heart of mainstream approaches to the topic. A pioneering study, the arguments made in this book are largely drawn from the author's fieldwork in Ukraine, Vietnam and Ghana. The author demonstrates to readers how a law enforcement and criminal justice oriented approach to trafficking has developed at the expense of a migration and human rights perspective. She highlights the importance of viewing trafficking within a broad spectrum of migratory movement. The author contests the coerced female victim archetype as stereotypical and challenges the reader to understand trafficking in an alternative manner, introducing the counterintuitive concept of the voluntary victim. Overall, this text provides readers of migration and development, gender studies, women's rights and international law a comprehensive and multidisciplinary analysis of the concept of trafficking.
