Trail Of Feathers Searching For Philip True

Annelies Wilder-Smith

Trail Of Feathers Searching For Philip True:

Trail Of Feathers Robert Rivard, 2006-10-24 In December 1998 San Antonio Express News reporter Philip True vanished during a solo backcountry trek in western Mexico home of the reclusive Huichol Indians and the Chapalagana the Twisted Serpent Canyon a 150 mile long gash that twists and plunges through the heart of the Sierra Madre Five days later his editor Robert Rivard was part of a small search party that nearly miraculously tracked a trail of feathers that had leaked from True's sleeping bag to find his body Trail of Feathers is the story of the search for True and of the quest to bring his killers to justice It is also the story of another perplexing mystery Why had True taken such a dangerous trip into such a raw uncivilized wilderness alone and without sufficient safety preparations in the first place After an unhappy and unsettled youth True was at the age of fifty finally settling down to a career and a wife he loved His first child was about to be born What was he running from or to Rivard's search for answers to these questions leads him deep into the Sierra Madre Occidental one of Mexico's last true wildernesses and deep into the secrets of Philip True's past It also leads him into his own past and an acknowledgment of the ways in which his life and True's mirrored each other Suspenseful atmospheric and moving Trail of Feathers is more than a true crime tale it's a classic tragedy about how the past reverberates destructively into the present for individuals for cultures for nations Trail Of Feathers Robert Rivard, 2005-10-17 A reporter's murder in Mexico and his editor's search for justice

Amada's Blessings from the Peyote Gardens of South Texas Stacy B. Schaefer, 2015-11-15 Amada Cardenas a Mexican American woman from the borderlands of South Texas played a pivotal role in the little known history of the peyote trade She and her husband were the first federally licensed peyote dealers They began harvesting and selling the sacramental plant to followers of the Native American Church NAC in the 1930s and after her husband's death in the late 1960s Mrs Cardenas continued to befriend and help generations of NAC members until her death in 2005 just short of her 101st birthday Author Stacy B Schaefer a close friend of Amada spent thirteen years doing fieldwork with this remarkable woman Her book weaves together the geography biology history cultures and religions that created the unique life of Mrs Cardenas and the people she knew Schaefer includes their words to help tell the story of how Mexican Americans Tejanos gringos Native Americans and others were touched and inspired by Amada Cardenas's embodiment of the core NAC values faith hope love and charity *Mexican Watchdogs* Andrew Paxman, 2025-09-24 In the first narrative history of

Mexico's contemporary press Andrew Paxman recounts the evolution of print and online media between the 1980s and the present From showing widespread subservience toward authority to playing a watchdog role as the country democratized journalism both reflected and propelled changes in Mexican society Paxman also traces how the media responded to outright state hostility and major threats to its existence including a war on drugs that made Mexico the riskiest country for reporters outside a combat zone a decline in revenue as readers and advertisers migrated to the internet and a partial return to government cooptation Based on interviews with 180 current and former journalists and extensive research in newspaper

libraries Mexican Watchdogs interweaves critical analysis with the stories of key reporters editors and publishers as well as the trajectories of Mexico's leading print and online media

Huichol Women, Weavers, and Shamans Stacy B.

Schaefer, 2015-06-15 For centuries the Huichol Wixarika Indian women of Jalisco Mexico have been weaving textiles on backstrap looms This West Mexican tradition has been passed down from mothers to daughters since pre-Columbian times Weaving is a part of each woman's identity allowing them to express their ancient religious beliefs as well as to reflect the personal transformations they have undergone throughout their lives In this book anthropologist Stacy B Schaefer explores the technology of weaving and the spiritual and emotional meaning it holds for the women with whom she works and within their communities which she experienced during her apprenticeship with master weavers in Wixarika families She takes us on a dynamic journey into a realm of ancient beliefs and traditions under threat from the outside world in this fascinating ethnographic study

God's Middle Finger Richard Grant, 2008-03-04 Part gonzo misadventure part cultural history God's

Middle Finger explores a fascinating land the Sierra Madre mountains of Mexico where few outsiders are foolish enough to venture

Huichol Territory and the Mexican Nation Paul M. Liffman, 2023-02-07 The Huichol Wixarika people claim a vast expanse of Mexico's western Sierra Madre and northern highlands as a territory called kiekari which includes parts of the states of Nayarit Jalisco Durango Zacatecas and San Luis Potosí This territory forms the heart of their economic and spiritual lives But indigenous land struggle is a central fact of Mexican history and in this fascinating new work Paul Liffman expands our understanding of it Drawing on contemporary anthropological theory he explains how Huichols assert their sovereign rights to collectively own the 1500 square miles they inhabit and to practice rituals across the 35000 square miles where their access is challenged Liffman places current access claims in historical perspective tracing Huichol communities long term efforts to redress the inequitable access to land and other resources that their neighbors and the state have imposed on them Liffman writes that the cultural grounds for territorial claims were what the people I wanted to study wanted me to work on Based on six years of collaboration with a land rights organization interviews and participant observation in meetings ceremonies and extended stays on remote ranches as Huichol Territory and the Mexican Nation analyzes the sites where people define Huichol territory The book's innovative structure echoes Huichols own approach to knowledge and examines the nation and state not just the community Liffman's local regional and national perspective informs every chapter and expands the toolkit for researchers working with indigenous communities By describing Huichols ceremonially based placemaking to build a theory of historical territoriality he raises provocative questions about what place means for native peoples worldwide

The Alcalde, 2007-05 As the magazine of the Texas Exes The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years The Alcalde serves as an intellectual crossroads where UT's luminaries artists engineers executives musicians attorneys journalists lawmakers and professors among them meet bimonthly to exchange ideas Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and

their alma mater The magazine's unique name is Spanish for mayor or chief magistrate the nickname of the governor who signed UT into existence was The Old Alcalde

Spirit Anthony Head, 2019-03-07 As he lay bleeding in a Vietnamese rice paddy his right arm shredded by shrapnel artist Jesse Treviño realized that he wanted to honor and preserve his family and his cultural heritage through his artwork After receiving a Purple Heart and undergoing two years of rehabilitative therapy and the amputation of his right forearm including his painting hand Treviño enrolled in San Antonio College determined to learn how to draw and paint with his left hand In 1974 he produced the impressive La Historia Chicana a one hundred foot long work embracing six centuries of Mexican American heritage now on display inside the Sueltenfuss Library at Our Lady of the Lake University in San Antonio Since then Treviño has completed many more paintings and public artworks including Spirit of Healing the nine story hand cut tile mosaic that graces Christus Santa Rosa Children's Hospital in downtown San Antonio His work has been collected by the Smithsonian American Art Museum the Lyndon Baines Johnson Library and Museum and the San Antonio Museum of Art Anthony Head's sensitive and elegant biography now offers readers an intimate view of the artist's life Head captures Treviño's determination artistic vision and the deep pride in his Chicano heritage that he transmits to the world through his creations Spirit The Life and Art of Jesse Treviño promises to engage and inspire readers with its vivid portrayal of this triumph of art and the human spirit

Soldiers, Saints, and Shamans Nathaniel Morris, 2021-02-16 The Mexican Revolution gave rise to the Mexican nation state as we know it today Rural revolutionaries took up arms against the Díaz dictatorship in support of agrarian reform in defense of their political autonomy or inspired by a nationalist desire to forge a new Mexico However in the Gran Nayar a rugged expanse of mountains and canyons the story was more complex as the region's four Indigenous peoples fought both for and against the revolution and the radical changes it brought to their homeland To make sense of this complex history Nathaniel Morris offers the first systematic understanding of the participation of the Nayarí Wixíriká O'odam and Mexicanero peoples in the Mexican Revolution They are known for being among the least assimilated of all Mexico's Indigenous peoples It's often been assumed that they were stuck up in their mountain homeland the Gran Nayar with no knowledge of the uprisings civil wars military coups and political upheaval that convulsed the rest of Mexico between 1910 and 1940 Based on extensive archival research and years of fieldwork in the rugged and remote Gran Nayar Morris shows that the Nayarí Wixíriká O'odam and Mexicanero peoples were actively involved in the armed phase of the revolution This participation led to serious clashes between an expansionist rationalist revolutionary state and the highly autonomous communities and heterodox cultural and religious practices of the Gran Nayar's inhabitants Morris documents confrontations between practitioners of subsistence agriculture and promoters of capitalist development between rival Indian generations and political factions and between opposing visions of the world of religion and of daily life These clashes produced some of the most severe defeats that the government's state building programs suffered during the entire revolutionary era with significant and often counterintuitive consequences both for local people

and for the Mexican nation as a whole **The Book Review Digest** ,2006 **Art at Our Doorstep** Nan Cuba,Riley Robinson,2008 Showcasing the literary and artistic excellence of San Antonio s acclaimed community of writers and artists
