Many self-help books promise a magical leap from rags to riches, but this book is different. Evelyn Cross went from being a homeless single mother to a professional woman steeped in success. Today she owns a home, drives a new car, and has all the trappings of a put-together woman. In this book, she emphasizes the value of hard work, noting that we're not all born with a special gift, and we're not all destined to become celebrities, sports heroes, or business tycoons. With hard work, however, you can make the most of the cards you're dealt: create a plan to achieve goals, identify the work you want to do, spend your money wisely. You can act today to overcome obstacles and live a happy, healthy, productive life. You can be a success. Make smart decisions, stop feeling sorry for yourself, and walk down a path that leads to success with the wisdom in *Pull Yourself Up by Your Bootstraps*.
