Subject Guide to Books in Print, 1991 **The Thoreau Society Bulletin** Thoreau Society, 1951 **Lonely Planet You Only Live Once 1** Lonely Planet, Ann Abel, Sarah Barrell, Sarah Baxter, 2016-06

You Only Live Once is not just another collection of bucketlist of big ticket items. We've all heard about Venice, and yes, it is probably worth going to Italy to see its waterways. Instead, hopefully, you'll take away something more from this book: a resolve to live life to the fullest, to add a dash of *joie de vivre* to every day. What all the ideas contained within have in common is that they're starting points. They will reignite long forgotten desires to learn an instrument or a language or spark new and unexpected ambitions. Why shouldn't you move to Provence for a year? When you know what's stopping you, you can start working on a solution. Perhaps this book will be as useful in helping you identify obstacles as it will be for refining your month's or your year's travel experiences. You only live once, but if you do it right, once is enough. Mae West *Saturday Review of Literature*, 1968
