Vulnerability And Glory A Theological Account:

Vulnerability and Glory Kristine A. Culp, 2010-10-28 Disasters indicate the complex peril of earthly existence Suffering and risk are global realities Yet the biblical depiction of persons and communities as earthen vessels also suggests that vulnerable creatures can be strengthened to receive and bear the grace and glory of God Culp demonstrates how vulnerability to devastation and to transformation is the very basis for life before God The glory of God may be witnessed in resistance to inhumanity and idolatry and expressed in delight and gratitude for the good gifts of life Always Being Reformed David H. Jensen, 2016-03-31 One of the most persistent slogans of Reformed theology is that it is reformed and always being reformed But what does this slogan mean This volume gathers thirteen essays written by a younger generation of Reformed theologians who teach and write on five different continents who together offer this work in Christian systematic theology Unlike many other works of Reformed theology however this book is framed by pressing contextual issues and questions instead of traditional loci Each chapter engages classical doctrine but does so through the lens of contemporary lived experience in particular contexts The result is not a theology where doctrines are applied to contexts but an approach where doctrine and context mutually shape one another The contributors take seriously the notion that theology is always being reformed and is always partial ever on the way hence it requires conversation partners beyond the Reformed family of faith The result is a study in Reformed theology that is thoroughly ecumenical **Responsibility and the Enhancement of Life** Günter Thomas, Heike Springhart, 2017-08-01 In the 21st century and in a globalized world how can an ethic of responsibility orient the powerful human striving for the enhancement of life This question is at the center of the program of theological humanism developed by the American ethicist William Schweiker His ethic of responsibility takes the integrity of all human as well non human life as a central criterion for the enhancement of life The contributions of this collection dedicated to William Schweiker discuss and explore key elements of his work in exemplary studies and from a variety of disciplinary perspectives They examine the contours of this ethic analyze the claims of a moral realism and investigate the backgrounds of his theological humanism Verantwortung und Lebensverbesserung Wie kann eine Ethik der Verantwortung im 21. Jahrhundert in einem globalen Horizont des Handelns das machtvolle menschliche Streben nach einer Verbesserung des Lebens orientieren Diese Frage steht im Mittelpunkt des Programms eines theologischen Humanismus des amerikanischen Ethikers William Schweiker Die von ihm vertretene Verantwortungsethik beansprucht die Integrität des menschlichen wie nicht menschlichen Lebens als Maßstab Die Beiträge dieses William Schweiker gewidmeten Bandes diskutieren und befragen aus philosophischen ethischen historischen und systematischen Perspektiven anhand exemplarischer Studien zentrale Elemente dieses Entwurfs Sie beleuchten die Konturen dieser Ethik analysieren deren Grundlagen in einem moralischen Realismus und erforschen die Hintergründe eines theologischen Humanismus Mit Beiträgen von Svend Andersen Maria Antonaccio Phil Blackwell Kris Culp Michael Fishbane Clark Gilpin David Hall Markus H. Moore-Keish,2020-06-22 This research guide introduces scholars to the field of Reformed theology focusing on works of the twentieth and twenty first centuries in the English language After a brief introductory section on the debates about what counts as Reformed theology Martha Moore Keish explores twenty one major theological themes with attention to classical as well as current works The author demonstrates that this stream of Protestantism is both internally diverse and ecumenically interwoven with other Christian families not just a single clearly defined group set apart from others In addition this guide shows that contemporary Reformed theology has been rethinking the doctrines of God humanity and their relationship in significant ways that challenge old stereotypes and offer fresh wisdom for our world today *Reading Jean-Luc Marion* Christina M. Gschwandtner,2007 The work of French philosopher and theologian Jean Luc Marion has been recognized as among the most suggestive and productive in the philosophy of religion today In Reading Marion Christina M Gschwandtner provides the first comprehensive introduction to Marion s large and conceptually dense corpus Gschwandtner gives particular attention to Marion s early work on Descartes and follows thematic threads through to his most recent publications on charity and eroticism She explores in detail three prominent topics in Marion s thought the desire to overcome metaphysics his reflections on the divine and his reconsideration of the relation of the self to the other in love Gschwandtner reveals Marion s thought as a unified whole and provides context for his theological and phenomenological writings Readers at all levels will find insight into the work of one of the world s most provocative thinkers *Good Christian Sex* Bromleigh McCleneghan,2016-07-05 Moving beyond the deep seated cultural feelings of shame that have long fueled the conflict between Christianity and sex and the belief that there is only one right and valid way to practice one s sexuality this renowned University of Chicago pastor uses enlightening personal stories and examples from theology to show how sex is powerful and holy For years Christians have been told to adhere to one singular path when it comes to sex abstinence and purity Yet this limited focus ignores the reality that people s sexual and romantic lives differ widely even among those who consider themselves devout believers Church leaders have often refused to address the topic or have preached in ways that are harmful to the emotional and spiritual growth of the faithful in the pews Pastor McCleneghan is determined to reshape the issue and fundamentally transcend this disconnect between sexuality and spirituality that has left many Christians feeling guilty and sinful Written in her measured non judgmental voice Good Christian Sex combines humorous personal anecdotes

with theological research to transform how Christians think and talk about this basic human need offering a new understanding that reconciles human love and religious faith Breaking with outdated conventions McCleneghan explains how the Bible and Christian tradition inform our beliefs about desire pleasure nudity fidelity premarital sex and the variety of sexual practices and encourages Christians to talk about their bodies their sensuality and their longings in a frank positive and realistic way Warm insightful and honest Good Christian Sex is a message of hope that at last lifts the veil of shame felt by many religious people *Religious and Theological Abstracts* ,2003 Faith and Fragmentation J.
