Beck's Grouse Maeve Kim,2025-01-27 Everyone knew Charlie was heading south for an extended camping trip Only Beck asked to join him Quiet private independent Beck The last few months were hard on her even before that day in the woods Heading south might help her forget And he wouldn t mind having her along She wouldn t chatter or giggle or drive him nuts And she would sleep in her tent outside the camper Beck had to get away Away from relentless cold and snow and ice Away from worry and guilt Away from the memories of violence Away from foolish grieving for a lopsided grouse She needed to walk on sandy beaches feel hot sun on her face see birds she d only read about She could fly home early if she felt she was ruining his trip They both hoped for comfortable friendship Hot desire was a gift

17 Minutes David McCune,2016-08-29 David McCunes new novel 17 Minutes reveals another side of 9 11 Most remember September 11 2001 as a beautiful sunny day that ended with the unforeseen and tragic deaths of 2 996 individuals including fourteen pregnant women Those of age remember where they were and many witnessed the second plane impact the South Tower a short seventeen minutes after the first attack on the North Tower While we have all heard many stories about the tragic victims and the families they left behind as well as the incredible acts of heroism and nationwide support demonstrated on that catastrophic day and in its aftermath have you ever wondered Could it be possible that there were some who took this unexpected opportunity to start their troubled lives anew This is the story of such a man While the rest of the country banded together he simply walked away What does he do with this second chance Does he learn from his past and seize the opportunity to be the man he wishes he can be Or does he fall back into the same pitfalls one can certainly be susceptible to in this complicated thing we call life All had an experience from that life changing day now referred to as 9 11 All will never be the same
