Kell,2006 It has been one of the major news stories in religion and culture of the past twenty five years From 1979 to 1995 the Southern Baptist Convention SBC was rocked by assaults on its leadership by fundamentalists who used questionable tactics to gain top positions and then used their power to purge Baptist seminary presidents and professors church pastors lay leaders and women from positions of responsibility America's largest Christian non Catholic denomination is firmly locked in a holy war to secure its churches and membership for a never ending struggle against a liberal culture Exiled Voices of the Southern Baptist Convention Holy War is a compilation of first person narratives by conservative and moderate ministers and lay leaders who were stripped of their positions and essentially became pariahs in the churches to which they had devoted their lives While other books have described the takeover in historical political and theological terms Exiled is different Individual people tell their personal stories revealing the struggle and heartache that resulted from being vilified dispossessed and exiled Kell includes a variety of perspectives from lay preachers and church members to prominent former SBC leaders such as James Dunn and Carolyn Crumpler The emotion captured on the pages sadness shock disbelief resignation and anger will make Exiled moving even to readers who know little about the Southern Baptist movement Exiled will also be of particular interest to historians sociologists philosophers of religion and rhetorical historians *How To Do Christian Ethics* Brian Brock,Nadine Hamilton,Daniel R. The Moral Life According to Mark M. John-Patrick O'Connor, 2022-04-21

M. John Patrick O'Connor proposes that in contrast to recent contemporary scholarship that rarely focuses on the ethical implications of discipleship and Christology Mark's Gospel as our earliest life of Jesus presents a theological description of the moral life Arguing for Mark's ethical validity in comparison to Matthew and Luke O'Connor begins with an analysis of the moral environment of ancient biographies exploring what types of Jewish and Greco-Roman conceptions of morality found their way into Hellenistic biographies Turning to the Gospel's own examples of morality O'Connor examines moral accountability according to Mark including moral reasoning the nature of a world in conflict and accountability in both God's family and to God's authority He then turns to images of the accountable self including an analysis of virtues and virtuous practices within the Gospel O'Connor concludes with the personification of evil human responsibility punitive consequences and evil's role in Mark's moral landscape
