Practicing Theology Miroslav Volf, Dorothy C. Bass, 2001-10-26 In a time when academic theology often neglects the lived practices of the Christian community this volume seeks to bring balance to the situation by showing the dynamic link between the task of theology and the practices of the Christian life The work of thirteen first rate theologians from several cultural and Christian perspectives these informed and informative essays explore the relationship between Christian theology and practice in the daily lives of believers in the ministry of Christian communities and as a needed focus within Christian education Contributors Dorothy C Bass Nancy Bedford Gilbert Bond Sarah Coakley Craig Dykstra Reinhard Hutter L Gregory Jones Serene Jones Amy Plantinga Pauw Christine Pohl Kathryn Tanner Miroslav Volf Tammy Williams

Theological and Hermeneutical Explorations from Australia Jione Havea, 2020-11-12 This book presents theological cultural ecclesial and hermeneutical explorations from a specific context Australia It invites reimagining of theology and hermeneutics against the horizons of indigeneity and sovereignty contingencies of context feminist theologies multiculturalism and intercultural theologies sexual abuse and ecclesial cover ups suicide and worship tradition ing s and betrayal art and popular cultures climate effects and climate in justice disability theories Islamic insights migration and the images of home and heaps of contextual matters in between The chapters are organized into three sections 1 Roots presents some of the starting points for contextual thinking in Australia and beyond 2 Wounds attends to the demands of bodies on the line upon theological biblical and ecclesial engagements and 3 Shifts pokes at thinkers and critics *Kingdom Come* Jason Byassee, Jeremy Kidwell, Jonathan Wilson-Hartgrove, Leah Wilson-Hartgrove, 2022-09-19 For four decades the Rev Dr Jonathan R Wilson has cultivated an imagination for kingdom realism as a pastor teacher theologian and friend To celebrate his seventieth birthday Kingdom Come has gathered reflections from fellow theologians popular authors poets and practitioners to mark both the range of Wilson s influence on the Christian church and the consistency of his prayer and work for God s kingdom to come here on earth as it is in heaven And Still We Wait Riyako Cecilia Hikota, 2018-01-30 In response to the recent critiques made against Balthasar s interpretation of Christ s descent into hell on Holy Saturday this book argues that Balthasar does not intend to present a radical reinterpretation of the doctrine in contrast to the traditional teachings but rather intends to fully appreciate the in betweenness of Holy Saturday as the day of transition from the cross to the resurrection from the old aeon to the new The book further argues that this awareness of the in betweenness can be detected throughout Balthasar s theological corpus and provides a clue to interpret his thoughts on Christian discipleship and suffering After all the Christian existence is also characterized by the transition from the old aeon to the new from suffering to victory The Christian believes that their victory is already here and not here yet In this sense the Christian still lives in

Holy Saturday Eventually we can deepen our understanding of Christian discipleship and suffering in the light of Holy Saturday In short we could patiently endure our Holy Saturday because of Christ s Holy Saturday in hell **Sex These Days** Jon Davies, Gerard Loughlin, 1997-06-01 What has been lost what has been gained in replacing sexual orthodoxy with the heresies of postmodern sexualities In the recent past even within living memory sex has usually been a matter of monogamous heterosexual marriage and the procreation of children Other sexual practices were seen as deviations from the patriarchal norm Today things are different and western liberal societies promote and celebrate a growing multiplicity of sexual familial and procreational practices and relationships Nine writers assess the directions in which our societies are being led Time and the Biblical Bang Charles Alexander, 2013-06-05 A new treatment of time clarifies remarkable Second Reformation revelations regarding the meaning of time in relation to the one biblical story Surprising interpretations emerge when this story is viewed from perspectives of Gods Eternal Nowness and creations unchanging principles Here are some questions that emerge ETERNAL LIFE ANNIHILATION OR ETERNAL HELL ARE NDEs REALLY PROOF OF LIFE AFTER DEATH CAN GOD COME LONGSIDE SEVEN BILLION PEOPLE ALL AT ONCE WHY WERE ADAM AND EVE SO EXTREMELY BRIGHT WHY DOES A MODERN VIEW OF TIME DENY THE EXISTENCE OF PURGATORY AND UNIVERSALISM WHAT WAS GOD DOING ON EASTER SATURDAY SHOULD WE THINK OF THE BIBLE STORY UNDER A NEW PARADIGM PREDESTINATION HOW WERE ALL THE REFORMERS WRONG WOMEN IN MINISTRY TODAY DOES JESUS REALLY HAVE AUTHENTIC COMPETITORS WHY ARE THERE MORE MIRACLES IN THE NEW TESTAMENT WHAT DO SIGNS AND WONDERS MEAN FOR TODAY WHY ARE A VERY LARGE PERCENTAGE OF SCIENTISTS TURNING TOWARDS THE CREDIBILITY OF A HIGHLY INTELLIGENT CREATOR WHAT WAS JESUS ATTITUDE TOWARDS CURRENT SOCIAL ISSUES ACCORDING TO JESUS WHY ARE THE PAROUSIA AND LATTER DAYS VERY VERY CLOSE RIGHT NOW WHY DO HISTORIC CHURCHES INSIST ON A WRONG VIEW OF ORDERS WAS THE FIRST AND SECOND CENTURY CHURCH HIERARCHICAL HOW DOES THE ENTIRE BIBLICAL STORY POINT TO JESUS Waiting in Christian Traditions Joanne Robinson, 2015-12-17 Christians wait for prayers to be answered for an afterlife in heaven for the Virgin Mary to appear and for God to speak They wait to be liberated from oppression to be saved or born again for Easter morning to dawn for healing for conversion and for baptism Waiting and the disappointment and hope that often accompany it are explained in terms that are at first glance remarkably invariant across Christian traditions what will happen will happen on God s time A study of sources from across Christian traditions shows that there is considerable complexity beneath this surface claim Understandings of free will and personal agency alongside shifts in institutional and theological commitments change the ways waiting is understood and valued Waiting is often considered a positive state to be endured as long as God wills and that fundamental understanding helps keep the promises at the heart of Christianity alive Scholars have long overlooked the problem and promise of waiting despite or perhaps because of its prevalence Indeed there are relatively few mystics few who

have undergone sudden conversion and few who have attained saintly status Many however have waited and that problem remains prominent and its solutions remain influential in Christian traditions today **A Guide to the Spiritual**

Dimension of Care for People with Alzheimer's Disease and Related Dementia Eileen Shamy,2003-02-15 This sensitive and informative book provides guidelines for pastoral visits to people with dementia showing how to empathise with and support individuals during a visit Emphasising the importance of retaining dignity and freedom of choice it also presents practical advice and provides frameworks for leading worship for those with dementia *Sabbath Rest as Vocation* Autumn Alcott Ridenour,2018-06-14 Autumn Alcott Ridenour offers a Christian theological discussion on the meaning of aging toward death with purpose identity and communal significance Drawing from both explicit claims and constructive interpretations of St Augustine s and Karl Barth s understanding of death and aging this volume describes moral virtue as participation in Christ across generations culminating in preparation for Sabbath rest during the aging stage of life Addressing the inevitability of aging the prospect of mortality the importance of contemplative action and expanding upon the virtues of growing older Ridenour analyzes how locating moral agency as union with Christ results in virtuous practices for aging individuals and their surrounding communities By responding with constructive theology to challenges from transhumanist bioethical and medical arenas the volume highlights implications not only for virtue ethics but also for the goals of medicine

The New Asceticism Sarah Coakley,2015-11-05 Sarah Coakley draws both liberal and conservative camps into a new and serious reflection on ascetical theology Each chapter of The New Asceticism concentrates on a contentious issue in contemporary theology the role of women in the churches homosexuality and the priesthood celibacy and the future of Christian asceticism in an original thesis about the nature of desire which may start to heal many contemporary wounds Professor Coakley is as familiar with the Bible and the Early Fathers as she is with the writings of Freud and Jung and she draws heavily on Gregory of Nyssa s theology of desire in what she proposes She points the way through the false modern alternatives of repression and libertinism agape and eros recovering a way in which desire can be freed from associations with promiscuity and disorder and forging a new ascetical vision founded in the disciplines of prayer and attention

Karlsen, Shahram Khosravi, 2020-10-15 This edited volume approaches waiting both as a social phenomenon that proliferates in irregularised forms of migration and as an analytical perspective on migration processes and practices Waiting as an analytical perspective offers new insights into the complex and shifting nature of processes of bordering belonging state power exclusion and inclusion and social relations in irregular migration The chapters in this book address legal bureaucratic ethical gendered and affective dimensions of time and migration A key concern is to develop more theoretically robust approaches to waiting in migration as constituted in and through multiple and relational temporalities The chapters highlight how waiting is configured in specific legal material and socio cultural situations as well as how migrants encounter incorporate and resist temporal structures This collection includes ethnographic and other empirically based material as well as theorizing that cross cut disciplinary boundaries It will be relevant to scholars from anthropology and sociology and others interested in temporalities migration borders and power The Open Access version of this book available at <http://www.tandfebooks.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

So what are you waiting for? Lucy Winkett, 2017-08-01 The season of Advent bends time itself And for us time drags or speeds by depending on our circumstances and stage of life Our attitude to time gives us clues about our attitude towards God It's a cliché to say that we live our lives often waiting for life to start but that's what many people experience until they realise that they were living their lives all along Christ for whom we wait and to whom we will return is both beyond us and beside us outside time and bound by human time Whether you're always in a hurry or have too much time on your hands this course is for you as we explore a spiritual life that encourages us to be active in the chronological world and rooted in Kairos God's time The four sessions focus on Session 1 Go with haste Session 2 How Long O Lord how long Session 3 Prepare the way of the Lord Session 4 Kairos and Chronos is time running out As with previous Advent York Courses the standard study book is supported by an in depth interview covering all 4 sessions between Lucy Winkett and Simon Stanley available on CD as a Digital Download or as a transcript in either paperback or eBook This York Course is available in the following formats Course Book Paperback 9781909107175 Course Book eBook 9781909107663 Audio Book of Interview to support So What Are You Waiting For York Course CD 9781909107687 Audio Book of Interview Digital Download 9781909107656 Transcript of interview to support So What Are You Waiting For York Course Paperback 9781909107182 Transcript of interview eBook 9781909107670 Book Pack 9781909107694 Featuring Paperback Course Book Audio Book on CD and Paperback Transcript of Interview Large print 9781909107700 *Following the Celtic Way* Ian Bradley, 2020-04-28 A quarter century after writing the acclaimed *The Celtic Way* Ian Bradley one of the foremost experts on

the spiritual beliefs and practices of the indigenous Christian communities in the British Isles in the early Middle Ages revisits the original sources and makes a substantial reappraisal of Celtic spirituality Following the Celtic Way challenges many of the myths and romanticized portrayals of Celtic Christianity and shows evidence of the harder edge and demanding austerity of the lives and spirituality of believers from this time This book sits among the most insightful and up to date introductions to this distinctive and evocative expression of faith and draws out its themes that are most relevant to us today It also offers practical spiritual guidance on how to follow the Celtic Way in the contemporary world

Placemaking and the Arts Jennifer Allen Craft, 2018-10-30 What role does place play in the Christian life In this STA volume Jennifer Allen Craft gives a practical theology of the arts contending that the arts place us in time space and community in ways that encourage us to be fully and imaginatively present in a variety of contexts the natural world our homes our worshipping communities and society

Touching God Peter Kevern, 2025-05-27 The dread of dementia has a unique hold over us because dementia seems to eat away at what makes us human If we lose our capacity to remember to think to act and even to speak what is left of us And where is the God who promised to be with us These are profound theological questions that go beyond a need for better pastoral care or more welcoming churches they hold up a mirror to what we really believe about human beings about God and about dementia itself The purpose of this book is to explore what these questions have to teach us by reflecting theologically on the faith journey of people who live with dementia It is a personal theological pilgrimage digging down into the theological meaning of dementia itself looking for hidden pearls of insight But it is also an attempt to look past the details to see the big picture of God's grace and faithfulness embodied in the person and life of the crucified and risen Christ It will speak not just to people who are challenged or troubled by dementia but to anybody seeking to grapple with their faith in challenging times

Love's Mysteries Rachel Mann, 2020-09-30 Love's Mysteries reflects powerfully on our fundamental limitations as creatures of flesh and bone and what our experiences of grief loss and fragility tell us about God Rachel Mann explores what happens when our bodies are under pressure suggesting that the precariousness of life might be where we most authentically encounter God
