The Storeman From Smithfield A Play By:

The Storeman from Smithfield Doug Moody, 2012 The Storeman From Smithfield is a compelling study of human nature from playwright Doug Moody We meet the staff of a typical warehouse All those in the employ of the company are on the fiddle The workers bludge steal cheat and fabricate far out fantasies about their lives to escape the mundane existence they are forced to endure If the union isn't encouraging its members to strike then its making sure they are out on compo Romance blossoms amongst the boxes of goods and everyone makes sure that they load up with their fair share of booty before they move out at the end of the shift This charmed existence is about to come crashing down on a bunch of work shy freeloaders when redundancies are announced The loud mouthed union is suddenly silent and ends up selling out the members it has encouraged to do the company over for so long Could it be that the union and its crooked members have shot themselves in the foot by causing the hand that feeds them to go down the Swannie
