Let Us Prey, Revised Edition Darrell Puls, 2020-06-10 Jesus warned of wolves carefully disguised as shepherds coming into local churches as pastors It is the perfect disguise for a predator to access and devour the flock one lamb at a time while proclaiming himself as their protector and guardian The result is spiritual devastation broken congregations and even destroyed churches Darrell Puls attests from experience that the enemy has infiltrated the North American church through pastors with dangerously high levels of narcissism These pastors hide under layers of the sacred but it is always an illusion of smoke and mirrors Puls has experienced this reality from the inside as a staff pastor under a narcissist and from the outside as a church consultant He carefully unpacks toxic narcissism in everyday terms and lets the victims tell their own stories Let Us Prey Revised Edition is as real as it gets
