Tranquility Dave Creek:

Tranquility Dave Creek,2015-12-13 An explosion in Tranquility City on the Moon kills 14 year old Dacia Stark s parents and sends her on a quest to find Julian Walker the terrorist who admitted to the crime Now a detective on Tranquility s police force Dacia has seen more than her share of blood death and grief But that s only stiffened her resolve not just to track Walker down but to kill him *Clear Creek* Don Ballew,2010-11-15 This is a portrayal of two plebian families that lived far into the Appalachian Mountains The fiery Jasper Burnine family Caucasian and The Moon Clan Cherokee were across from the other on Clear Creek Surprisingly they became close The hot tempered Burnines became bitter over the ill treatment of the Moon clan The Moon the ex Cherokee warrior became an enraged madman Privately he declared war on those that came to molest his family The intruders that couldnt escape his wrath were left as food for the buzzards and foxes This book has a powerful story It is fast paced violent romantic bawdy hard bitten comical and haunting Life was hard in the mountains Half the children died young In the new nation there was little law enforcement so each family stayed on guard The time 1790 to 1840 was a time of crisis for the new nation called the United States of America Would it remain a nation The British were lurking waiting for an opening The Cherokees beaten in war saw their land taken as white people came to settle the new continent The Indians worried over this for years Would they have to move across the big river to the new country

taken over the Edge to Vigaelia its Dogaressa forcibly impregnated by Stralg and when her husband's health begins to fail left to rule over a city teeming with Stralg's troops And if you think Stralg is bad wait until you meet his sister Saltaja a fanatic who sees no human cost as too great to keep the Hrag dynasty in power and her goddess evil Xaran the Mother of Lies appeased But there are a few great hopes for the future of the city the Mutineer Marno Cavotti who will not stand to see his hometown destroyed and is massing a powerful liberation movement mere inches beyond Stralg's grasp And the four heirs of Celebre each with god-given expertise in their respective fields of artistry combat wisdom or death are wending their way back over the Edge to their birthplace Of course even as Marno and the Celebre children are working towards the common goal of defeating the Hrags they're all painfully aware that once that hurdle is crossed only one of them can wind up on the throne At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

Glass,2020-04-14 Dave Knight is a wayward child growing up in a military family during the 1950s His older sister wants to kill him but settles for regularly beating him up Other siblings join in the mayhem while their alcoholic father contributes to the chaos with his unique approach to parenting As the Knight family moves from one army base to the next Dave develops a give a damn attitude which often leads to trouble In high school he joins other delinquents in a series of escapades some dangerous others funny and a few that would be worthy of jail time should they ever be caught After barely graduating Dave is drafted into the army and sent to guard a nuclear weapons depot in Korea There he gets into trouble with his sergeant and tries to avoid dishonorable discharge *The Films of Delmer Daves* Douglas Horlock,2022-03-25 Delmer Daves 1904-1977 was an American screenwriter director and producer known for his dramas and Western adventures most notably *Broken Arrow* and *3 10 to Yuma* Despite the popularity of his films there has been little serious examination of Daves's work Filmmaker Bertrand Tavernier has called Daves the most forgotten of American directors and to date no scholarly monograph has focused on his work In *The Films of Delmer Daves Visions of Progress in Mid Twentieth Century America* author Douglas Horlock contends that the director's work warrants sustained scholarly attention Examining all of Daves's films as well as his screenplays scripts that were not filmed and personal papers Horlock argues that Daves was a serious distinctive and enlightened filmmaker whose work confronts the general conservatism of Hollywood in the mid twentieth century Horlock considers Daves's films through the lenses of political and social values race and civil rights and gender and sexuality

Ultimately Horlock suggests that Daves s work through its examination of bigotry and irrational fear and depiction of institutional and personal morality and freedom presents a consistent innovative and progressive vision of America
