**Transcendent Sex** Jenny Wade, 2004-04-06 IT S NOT JUST SEX IT S NOT JUST LOVE IT S SOMETHING MORE But what could be better than sex How about lovemaking that sweeps people into new realities producing altered states of consciousness a thousand times more powerful than the most earth shattering orgasm Lovemaking so spectacular that it truly is a religious experience Transcendent Sex is not about the Tantric method It is about the best kept secret in human history that ordinary people with no special training can find themselves in different spiritual realms when making love an experience so profound that nothing will ever be the same It is about sex that triggers episodes identical to the highest spiritual states as described in the annals of shamanism yoga Buddhism Christianity Judaism and Islam including visions channeling reliving past lives transcending the laws of physics and seeing the face of God This revealing book tells of lovers who engaged in sex as usual and suddenly found the veil between the worlds torn open Transcendent Sex like any other spiritual awakening changes lives Atheists have become believers long standing psychological wounds have been healed and the sexually abused have become whole These are the inspiring incredible true stories of people who experienced an ecstasy and fulfillment beyond the borders of this world *Spiritually Transformative Psychotherapy* Steven R. Vazquez, 2016-12-08 Spiritually Transformative Psychotherapy offers fresh insights into counseling people with diverse spiritual and religious philosophies Grounded in theory and research this text focuses on building contemplative methods like meditation into practice and provides valuable applications to help clients work toward forgiveness resolving spiritual conflicts between partners and ultimately achieving spiritual and emotional wellbeing *Comparing Religions* Jeffrey J. Kripal, Ata Anzali, Andrea R. Jain, Erin Prophet, Stefan Sanchez, 2024-03-15 Teaches students the art and practice of comparison in the globalizing world fully updated to reflect recent scholarship and major developments in the field Comparing Religions The Study of Us that Changes Us is a wholly original absorbing and provocative reimagining of the comparative study of religion in the 21st century The first textbook of its kind to foreground the extraordinary or paranormal aspects of religious experience this innovative volume reviews the fundamental tenets of the world s religions discusses the benefits and problems of comparative inquiry explores how the practice can impact a person s worldview and values and much more Asserting that religions have always engaged in comparing one another the authors provide insights into the history trends debates and questions of explicit comparativism in the modern world Easily accessible chapters examine the challenges of studying religion using a comparative approach rather than focusing on religious identity inspiring students to think seriously about religious pluralism as they engage in comparative practice Throughout the text a wealth of diverse case studies and vivid illustrations are complemented by chapter outlines summaries toolkits discussion questions and other learning features Substantially updated with new and revised material the second edition of Comparing Religions Draws from both comparative work and critical theory to present a well balanced introduction to contemporary practice Explains classic

comparative themes provides a historical outline of comparative practices and offers key strategies for understanding analyzing and re reading religion Draws on a wide range of religious traditions to illustrate the complexity and efficacy of comparative practice Embraces the transcendent nature of the religious experience in all its forms including in popular culture film and television Contains a classroom proven three part structure with easy to digest thematically organized chapters Features a companion website with information on individual religious traditions additional images a glossary discussion questions and links to supplementary material Comparing Religions The Study of Us that Changes Us Second Edition is the perfect textbook for undergraduate students and faculty in comparative religion the study of religion and world religions as well as a valuable resource for general readers interested in understanding this rewarding area

*The Interplay of Psychology and Spirituality* Alexandra M. Hepburn, 2025-07-30 Many counseling clients find comfort and meaning in their spiritual lives in the context of religious affiliation or the diverse viewpoints of the spiritual but not religious But counselors and psychotherapists often lack training for work in this territory and may be wary of opening the door *The Interplay of Psychology and Spirituality* is an exploration of the subtle fluid relationship between psychology and spirituality that offers valuable perspectives and suggestions for embracing spirituality and religion in the helping professions Drawing on Jungian transpersonal and integral perspectives Hepburn highlights personal and cultural styles spirituality as a therapeutic resource and the potential for psychospiritual growth She also emphasizes the importance of focusing on metaphors stories and direct experience rather than beliefs Thoughtful attention is given to potential psychospiritual problems ethical dilemmas and diagnostic challenges There are also frequent opportunities for personal reflection Unique features of the book include consideration of the potential relationship of spirituality to therapeutic themes such as attachment trauma subpersonalities and somatic experience as well as application of the concepts in the stories of nine fictional characters based on the Enneagram Thoughtful and thought provoking *The Interplay of Psychology and Spirituality* is a valuable resource for helping professionals spiritual directors and for general readers with a particular interest in the subject

**The Shape of the Soul** Paul Marshall, 2019-03-18 An essential read for any true seeker Eben Alexander MD Neurosurgeon author of *Proof of Heaven* and *Living in a Mindful Universe* When Paul Marshall began to pay attention to his dreams he could not have anticipated the transformative experience that would follow A tremendous expansion of consciousness exposed the insignificance of his everyday self but also revealed unsuspected depths of mind and hinted at a deeper self that holds the universe within In *The Shape of the Soul* Marshall now a mysticism scholar draws on personal experiences along with a wealth of religious philosophical and scientific ideas to explore this deeper self sometimes experienced in mystical and near death states as spherical in form Drawing inspiration from the philosophers Plotinus and Leibniz Marshall takes mind to be more fundamental than matter and views the basic units of nature as perceptual beings We ourselves are such beings striving for fulfilment in a long evolutionary journey of soul making Bringing together mysticism philosophy biology and even some

physics The Shape of the Soul offers a deeply integrated vision of the self and the universe Addressing the mind body problem the origin of the world evolution reincarnation suffering and the nature of God Marshall delivers what will surely prove an intellectual classic

**Extreme Religious Behaviours** Johannes Bronkhorst,2024-06-17 Certain religious behaviours clearly reduce biological fitness These behaviours include celibacy along with various forms of asceticism and rituals that harm the performer Such behaviours are found in widely different cultures How is this possible This book shows that these behaviours as is religion in general are by products of features of the human mind whose evolutionary fitness is beyond doubt and explores those features Which are those features This book proposes a twofold answer It draws attention to the layered nature of human consciousness in which different manners of experience are superimposed on each other This goes a long way toward accounting for the universal religious belief in some kind of transcendental world a higher reality different from ordinary reality The layering of consciousness comes about in childhood and gains in prominence with the acquisition of a first language which is the second feature highlighted in this book Together these features explain a variety of normal religious behaviours and beliefs and account for the possibility of mystical experience They also explain the occurrence of behaviours that do not augment evolutionary fitness

**Sophos Ontology** Lee Irwin,2024-01-04 Sophos Ontology On Post Traditional Spirituality discusses religious plurality and post traditional perspectives on emergent forms of sacred sensibility particularly for those identifying as spiritual but not religious This book is divided into three parts The first part is a retrospective account of multiple religious traditions with emphasis on esoteric thought as influenced by mystical writings covering western eastern and Native American traditions The second part discusses the need for a new conceptualization of the sacred as expressed through multiple spiritual perspectives relevant to a pansentient post traditional process ontology Other topics in this section include the importance of an ethically shaped spirituality collective influences dreams imagination and the role of pluralism in shaping beliefs Part three explores the role of faith redefined as spiritual commitment mysticism as direct experiential knowledge and transpersonal theory influenced by comparative studies in altered states of consciousness paranormal research and the metaphysics of discovery all contributing to the development of present and future spirituality

**Soul, Psyche, Brain: New Directions in the Study of Religion and Brain-Mind Science** K. Bulkeley,2005-11-11 Soul Psyche Brain is a collection of essays that address the relationships between neuroscience religion and human nature Kelly Bulkeley s book highlights some startling new developments in neuroscience that have many people rethinking spirituality the mind body connection and cognition in general Soul Psyche Brain explores questions like what can knowledge about the neurological activities of the brain tell us about consciousness And what are the practical implications of brain mind science for ethics and moral reasoning

**Zen and the Art of Subtraction** Ashoka Annamaya Ishaya,2019-04-15 Zen and the Art of Subtraction is a three part masterwork arising from the author s thirty five year journey to overcome cultural conditioning and achieve the ultimate transformation living on light and oxygen Ashoka

Annamaya Ishaya shares an intimate look into how she discovered tantric and Taoist practices for cultivating immortality and integrated them into her life. She follows up this first person account with a teaching guide distilling knowledge and practices aimed at readers on their own transformative path toward achieving your immortal jing cycle. Ishaya believes that if a critical mass of humans commit to the process of sustainable immortality we can affect the evolution of our entire species. Ishaya pursues an illuminating range of questions: Are we as a species destined to be enlightened? Can we apply mindfulness skills to evolve our physiology? How can our health care system better support the maturation of our species? Can we become an immortal species? The treatise concludes with a scholarly overview of noted prophets from varied traditions and times who have taught and fostered transformation of consciousness and sustainability of culture.
