Transformational Discipleship How People Really Grow:

Transformational Discipleship Eric Geiger, Michael Kelley, Philip Nation, 2012-06-01 A Christian's desire to grow in faith is beautiful and biblical best illustrated in Jeremiah 17 where Scripture describes The man who trusts in the LORD as being like a tree planted by water It will not worry in a year of drought or cease producing fruit But how do people really grow Transformational Discipleship describes the process that brings to life that kind of person described in the Bible There's no magic formula or mantra to recite here but rather a substantive measure of research with churches and individuals who have wholeheartedly answered the call of Jesus to make disciples A compilation of their wisdom and stories it surely guides church leaders and members to practice the intentional efforts needed to foster an entire culture in which people grow in Christian faith And they will grow not because of human research but by the power of the Word and of the Holy Spirit working through the church the same way disciples have always been made When the people of God engage in the mission of God through the Spirit of God lives are transformed

Transformational Discipleship Eric Geiger, Michael Kelley, Philip Nation, 2012-06 A broadly experienced trio of rising church leaders share substantive research on churches and individuals that will help readers foster a culture wherein people intentionally grow in their Christian faith

Following Jesus Phillip C. Thraikill, 2022-10-17 Two questions are braided together in Luke's Gospel Who is Jesus and what does it mean to be his student and apprentice The church has spent much of its intellectual energies on the first question but not so much on the second We are precise in our Christology and vague in our Discipleology my new word Of the four biographies that open the New Testament Luke is perhaps the best equipped to answer the question of what it means to follow Jesus along with others and what we can expect in the process Luke's Gospel is dense with story after story about Jesus's stumbling goofy persistent disciples And his second volume Acts continues the tale There is a deep continuity as Luke teaches between Jesus's original disciples and the ones who later declared their allegiance to him after his resurrection We walk in the footsteps of pioneers in this new way of living with a Jesus who is always near but just beyond sight The aim of this book is to plunder the fruits of New Testament scholarship especially the tools of rhetorical and narrative criticism to highlight what an incredible adventure came with the call to follow me

Transformational Groups Ed Stetzer, Eric Geiger, 2014-02-15 God declared through the Apostle Paul that the church would be a place of transformation In 2 Corinthians 5:17 we find Therefore if anyone is in Christ he is a new creation old things have passed away and look new things have come Despite this the church seems increasingly to be a place where transformation fails to occur Surveying the landscape however there are some bright spots where churches are faithfully producing transformed disciples Furthermore as shown in Scripture and supported by new research God designed such transformation to often happen in the context of smaller groups of people But what characteristics are true of churches that are making transformed disciples through group based ministry whether small groups missional communities Sunday school or some other expression of groups In Transformational Groups Ed Stetzer and

Eric Geiger have created a new scorecard that will provide a map to transformational success for your church's groups ministry Using data from the largest survey of pastors and laypersons ever done on the condition of groups in the church they define a simple process to lead your groups from where they are to where God wants them to be **Discipleship that Fits** Bobby Harrington, Alex Absalom, 2016-02-09 For far too long the church has tried to make disciples using a one size fits all approach Some churches advocate 1 on 1 discipling others try getting everyone into a small group while still others training through mission trips or service projects Yet others focus all their efforts on attracting people to a large group gathering to hear biblical teaching and preaching But does one size really fit everyone Based on careful biblical study and years of experience making disciples in the local church Bobby Harrington and Alex Absalom have identified five key relationships where discipleship happens in our lives In each relational context we need to understand how discipleship occurs and we need to set appropriate expectations for each context **Discipleship That Fits** shows you the five key ways discipleship occurs It looks at how Jesus made disciples and how disciples were formed in the early church Each of the contexts is necessary at different times and in different ways as a person grows toward maturity in Christ Public Relationships The church gathering corporately for worship Social Relationships Networks of smaller relationships where we engage in mission and live out our faith in community Personal Relationships Small groups of six to sixteen people where we challenge and encourage one another on a regular basis Transparent Relationships Close relationships of three to four where we share intimate details of our lives for accountability The Divine Relationship Our relationship with Jesus Christ where we grow through the empowering presence of the Holy Spirit Filled with examples and stories Alex and Bobby show you how to develop discipleship practices in each relational context by sharing how Jesus did it how the early church practiced it and how churches are discipling people today **The Message of Discipleship** Peter Morden, 2018-11-15 Soon after Jesus began his public ministry he called his first disciples He would teach and train them and then after his death and resurrection commission and empower them to go to the nations to make more followers The risen Jesus is still calling and sending people today If we heed his call the result can be just as transformative and exciting as it was for the first disciples While there are no explicit occurrences of the term disciple outside the Gospels and Acts with only two further biblical references to followers of Jesus it is Peter Morden's conviction that we need the entire Bible if we are going to be whole life disciples He reflects on Scripture and asks How do we live as committed disciples of Jesus today He explores the foundations resources and practice of discipleship in a range of Old and New Testament texts The result is a well rounded and satisfying picture of Christian discipleship one that is wonderfully attractive as well as deeply challenging With a fully integrated study guide suitable for both individuals and groups **The Message of Discipleship** will help you to see how the Bible's unified teaching on this vital theme can impact your life today **The Bible Speaks Today** series covers every book of the Old and New Testaments as well as Bible themes that run through the whole of Scripture Stride Ken Willard, Mike

Schreiner, 2017-10-17 Churches of all types around the country are struggling. The more programs they try, the more evident it becomes that there is no quick fix or secret formula to help them out of their rut. John Wesley, the founder of the Methodist Movement, once said, "The way to keep a Methodist alive is to keep him moving." It is time to recapture this simple yet profound truth and get back to the basics of making fully devoted followers of Jesus Christ. The authors developed and launched a highly successful pathway to discipleship in their church, Morning Star UMC in St. Louis. Here they show others how to create a successful discipleship pathway for their own particular contexts based on the principles developed at Morning Star. Willard and Scheiner share the process of developing a discipleship pathway that meets individual people where they are. They provide examples of each element and practical instruction on how to plan, implement, and sustain the discipleship pathway. The authors are teaching this material in conferences around the UM connection from New Mexico to Missouri. They also share examples of how the pathway works in other churches. For small group study, participants working through *Stride the Stride Participant Book* (ISBN 9781501876257), a workbook designed to facilitate individual work on creating a discipleship pathway, is available to purchase separately.

Musings Of A 4th Quarter Guy (From His Camper) About Church Todd Wessels, 2024-01-22 As people inside and outside of the church in America become more disillusioned with what they experience or see from the outside, looking in, what will be the way forward for Jesus's bride, the Church? In this book, I hope you will join me in taking a look into where we have come from and what might be a path forward. If we are not willing to take a look and wrestle with the church in our wandering, instead of settling, can we forge that path forward? Join me as my wife and I took a trip around this country in our little camper, in part to do some of that wrestling and wandering. Join me as I look back on a twenty-year career in full-time church staff ministry and twenty-plus years in church ministry as a volunteer committed to making church work in a local setting. But also, I sense along with others, a new work that God is up to. Can a new mindset be instilled that will help us navigate that new way forward in a way that puts ministry back in the hands of all God's people? One that grasps a much more relational approach to bringing restoration to a waiting world. Like an orchestra tuning their instruments, Consumer Christianity is producing chaotic noise about God. Rather than adding to the noise, perhaps it is time for us to finally be silent, be still, and wait in anticipation for God to begin a new work. *The Divine*

Commodity by Skye Jethani. My thoughts are not your thoughts, neither are your ways my ways, for as high as the heavens are higher than the earth, so are my ways higher than yours, and my thoughts than your thoughts. Isaiah 55:8-9

Eschatological Discipleship Trevin Wax, 2018-04-01 Discipleship is eschatological in nature because the church that makes and receives disciples is

eschatological in nature Often eschatology is thought to refer only to last things doctrines However eschatology in its broader sense encompasses the Christian view of time and the future of the world informing both one's evangelism and ecclesiology Failing to relate the eschatological dimension to discipleship leaves one with an incomplete worldview imbalanced discipleship and eventually a tragic inability to model the Christian way of life By answering questions like What time is it and Where is history going Trevin Wax helps Christians view the past present and future biblically and shapes their understanding of following Jesus
