Transformed Caesar Kalinowski, 2014-02-04 What if Christianity were less about doing and more about being In *Transformed* author Caesar Kalinowski shows you that when you became a Christian everything about you changed in an instant You received a new identity based on who Jesus is not on who you were As a believer you literally become part of God s family of missionary servants This is who you are not what you do Drawing on stories from Caesar s own journey and life in community *Transformed* looks realistically at the identity you have been given in Christ and how it reshapes everything about you Set free from performance driven spirituality and guilt you will draw closer to God allowing him to radically change the well worn rhythms and patterns of your every day life and transform your relationships from the inside out *Transformed* is for those who yearn for a deeper more authentic faith one that empowers you to live out of the truth of who God now says you are Caesar Kalinowski is such a wise teacher Finally a book on the Christian experience that actually leads its readers towards a new way of living *Transformed* is a book that every skeptic seeker and Christian should read Jen Hatmaker Author of *7 An Experimental Mutiny Against Excess* If there was ever a legitimate time to offer a new pathway for being a Christ follower it is now Thank you Caesar for blowing the dust off of the relics of religious life and opening up the window to a God breathed life Hugh Halter Author of *FLESH The Tangible Kingdom Sacrilege*

The Resurrection Effect Transforming Christian Life and Thought Kelly, Anthony J., 2014-04-10 What difference should the resurrection of the crucified Jesus make to Christian thought to our sense of the cosmos and our understanding of humanity itself Despite the centrality of the resurrection in the New Testament and the Creed the practical answer of many Christians might be not much In this light Anthony Kelly sets out to affirm the resurrection as the living center of Christian life and the basis for its theological methods and themes Without the resurrection he writes hope would be a repressive optimism or an accommodation to routine despair Acknowledging that the resurrection like a work of art eludes any single point of view Kelly shows why it remains the key to Gods relationship to Jesus and ourselves the most critical horizon from which to grasp the meaning and pattern of life and the basis of our

ultimate hopes *Moral Transformation* Andrew J. Wallace, R. D. Rusk, 2011 Recent scholarship has challenged post Reformation ideas about the early Christian doctrines of salvation This ground breaking book draws together the conclusions of recent scholarship into a compelling and clear view of the early Christian paradigm of salvation It presents the case that the early Christians focussed not on Christ s death on the cross or saving faith but on moral transformation They saw Jesus as God s appointed teacher prophet and leader who died as a martyr in order to teach them a new way of life Their paradigm of salvation centred upon this way of life taught by Jesus and on following faithfully his example and teachings Part 1 How the Gospels present Jesus explores the way in which the early Christians understood the teaching of Jesus It highlights five themes of Jesus message economics and wealth moral purity social equality the temple system and physical and spiritual affliction It shows why people viewed Jesus as a divinely appointed teacher prophet and leader and saw his death as a martyrdom for his cause and movement Part 2 Doctrines of the early Christians presents the key early Christian doctrines of salvation and shows why several post Reformation doctrines conflict with their views It shows that the early Christians believed God s final judgment is made on the basis of character and conduct They believed that by following Jesus and transforming their lives morally they would obtain positive judgment and resurrection This part shows how the early Christians ideas of faith justification forgiveness and grace all fit into this paradigm Part 3 The importance of Jesus looks at why the early Christians considered Jesus so significant they focussed on the moral transformation he brought to their lives This part highlights what they believed Jesus achieved for them and how they used sacrificial language to explain these beliefs It explores the evidence for viewing Jesus death as a martyrdom and for seeing his resurrection as equally important Part 4 Ideas throughout history shows that Christians held this paradigm of salvation for several centuries It outlines the key changes that occurred from the 4th century through to the Reformation which moved tradition away from the early Christian ideas Finally it offers a critique of modern post Reformation doctrines of salvation Trinity and Transformation Todd Speidell, 2016-03-08 The triune God of grace James B Torrance tirelessly insisted is the true agent to transform worship mission and society Unfortunately the church often lapses into moralism and legalism or exhortations and condemnations rather than witnessing to the sole sufficient grace of God in Christ When we neglect the Trinity a de facto unitarianism throws the church back onto its own existence and resources In Christ however the church participates through the Spirit in union with Christ s communion with the Father By so doing it also participates in Christ s mission to the world The essays of this volume articulate and extend Torrance s evangelical theology which draws attention away from ourselves and toward the triune God who is for us and for the world Spiritual Transformation Richard Peace, 2016-10-21 Transformation is what Christianity is all about To follow Jesus is to enter into a journey from an old way of living to a new way of being As Christians our goal is to become ever more conformed to the image of Christ Of course we cannot attain this high goal in our lifetime But we can make progress We can become more of who we long to be We can leave behind old ways that have not served us

well We can become more loving to others more open to God more in tune with who we are called to be Such transformation does not happen automatically even though it is the Holy Spirit working in us to change us We are asked to work out your own salvation with fear and trembling for it is God who is at work in you enabling you both to will and to work for his good pleasure Phil 2 12 13 We work God works in us This book is about our part in the work of transformation Spiritual Transformation examines two main themes 1 The Dynamics of Spiritual Transformation are explored in six small group sessions what it is and how it happens 2 The Goal of Spiritual Transformation is described in six small group Bible studies focusing on Romans 12 13 where Paul provides a blueprint for how we are meant to live as followers of Jesus **Kingdom**

Vital Christian Community Philip Brochard, Alissabeth Newton, 2022-09-20 Twelve characteristics of healthy Christian communities and the congregational and personal practices that develop them Congregations have been the bedrock of mainline Christian life and practice for centuries but in recent years many have dwindled in energy and impact Leaders conclude that change is needed that they can't keep applying the same models and practices that have served in the past but no longer seem to work At a time when all kinds of institutions are being buffeted by swift and strong cultural forces Brochard and Newton believe the congregation to be a primary site for the transformation of individuals communities and the world and that the measures for congregational vitality begin with health faithfulness and effectiveness as local expressions of the Church The authors offer readers insights into developing a sense of purpose building trust encouraging curiosity becoming more collaborative appreciating productive conflict and other vital skills Transforming Christian Theology
