HAROLD J. ELLENS, J. Harold Ellens

Transforming Bible Study A Leaders Guide:

Transforming Bible Study Walter Wink, 2009-08-01 Both participants and leader will be transformed through this revolutionary approach to group Bible study. Far reaching in its concept and implications, this innovative group encounter method makes particular use of split brain theory, emphasizing the province of the brain's right hemisphere: synthesis, imagination, feeling, etc. It also blends biblical form criticism and Jungian psychology with a zealously inquisitive spirit. Wink does well to integrate the social with the personal as well as the relevance of a scripture passage in its original cultural context with its relevance to our contemporary context. Numerous examples and exercises are given along with helpful appendices. If you are involved in clergy or lay study groups, teaching a church class, or conducting a prison ministry, Wink's study will open the door to a radically new understanding of the Bible. In the end, the transformation of study methods will lead to the transformation of participants. **Perfectly Flawed Women's Bible Study Leader Guide** Lisa

Toney, 2025-01-07 We are all flawed, but God can turn those weaknesses into strengths. The *Perfectly Flawed Leader Guide* outlines six small group sessions, complete with prayers, summaries, discussion questions, and video viewer guides. The leader guide will support group leaders of all experience levels in creating strong learning communities. In *Perfectly Flawed*, Lisa Toney shows how the apostle Peter's passion and imperfections make him one of the Bible's most loved and relatable people. Even when Peter gave up, gave in, and gave out, Jesus was there for him. Join Lisa as she follows Peter through his time with Jesus, from the beginning of Jesus's ministry to the Resurrection and on through Pentecost, when Peter begins to live into his call. Along the way, discover the raw honesty of a man who veered from staunch devotion to moments of doubt, mirroring our own human struggles. In the six-week Bible study *Perfectly Flawed*, we see that there is an unparalleled power Jesus gives that can only be found in our weakness. We discover the strength of Jesus that is available to each of us. Learn to persevere in your faith, live confidently and boldly step into God's purpose for you. See how Peter's story is an invitation to embrace imperfection, find strength in the relentless grace of God, and discover how each one of us is perfectly flawed but still deeply loved by God. Other components for the Bible study include a Participant Workbook with daily readings and teaching video available on DVD. *The Unfolding Drama of the Bible* Bernhard W. Anderson, 1957 In this concise and accessible volume,

newly revised, one of the most revered contemporary biblical theologians introduces the first-time reader to the dramatic sweep of the Bible in eight carefully crafted study sessions, reminding even veteran readers of the Bible's central messages. Study resources and discussion questions, now carefully updated, make this book the ideal resource for introductory Bible courses and adult inquirer classes. **Contrast Community** James L. Bailey, 2013-05-17 No portion of Scripture has been more influential in renewing church and society than Jesus' Sermon on the Mount. This book invites groups and individuals into a transformative engagement with these remarkable teachings of Jesus. Accessible consideration of each major text is complemented by suggestions for multisensory methods by which to enrich the study, quotes, questions, application exercises.

songs and prayers Faith communities are challenged not only to study the Sermon on the Mount but to begin practicing these radical teachings of Jesus In addition to use in congregations this volume is recommended for college and seminary classes that seek holistic methods for engaging biblical texts Doing the Bible Better Marek P. Zabriskie, 2014-09 Bible reading program that transforms lives and the church experience Develops the power of a daily disciplined spiritual practice Despite the fact that Episcopalians are among the best educated Christian groups in the United States they also rank among the least biblically literate denomination The author maintains we can do Bible better and shows why it is absolutely critical to do so How can this weakness become a strength and source of spiritual growth for Episcopalians their churches and dioceses As an evangelist for biblical literacy and spiritual nourishment Zabriskie shows the way forward for the Episcopal Church and the Anglican Communion

Psychological Hermeneutics for Biblical Themes and Texts: HAROLD J. ELLENS, J. Harold Ellens, 2012-04-26 An assessment of the development and achievements of the field of Psychological Hermeneutics

My Name is Legion Michael Willett Newheart, 2004 In My Name is Legion Professor Newheart interfaces narrative and psychological criticism with historical perspectives cultural examination and poetic reflection to create this unique book length treatment of the Gerasene demoniac that is described in Mark 5 1 20

More Messy People Women's Bible Study Leader Guide Jennifer Cowart, 2024-08-20 God can use imperfect people to do incredible things The More Messy People Leader Guide outlines six small group sessions complete with prayers summaries and discussion questions It is designed to be used with the Participant Workbook and DVD and will support group leaders of all experience levels in creating strong learning communities Jen Cowart continues her study of the very messy lives of biblical heroes people who like us made mistakes but found God was able to use them in powerful ways They all play a significant role in the biblical narrative but their stories are far from perfect Through the lives of rival sisters like Leah and Rachel or sisters with very different personalities like Martha and Mary we see God chooses to use people who don't have it all together Through the lives of great but imperfect biblical heroes like Moses Elijah Peter and Paul we see God meets us in our troubles and chooses us even if we seem unqualified
